7th All India Educators Meet

Reinventing School Education with Technology Integration

For the Principals and Administrators of the
Pre-University Colleges/Higher Secondary/Senior Secondary Schools

Date: 26-28, May 2022

About the College

Kristu Jayanti College, Autonomous, Bengaluru embodies the educational vision of St. Kuriakose Elias Chavara, the founder of the Carmelites of Mary Immaculate (CMI) religious congregation. He envisioned the sunrise of a renewed humanity through the integral development of mind, body and spirit. The College was reaccredited by NAAC with an 'A++' Grade in 2021 with a CGPA of 3.78 and is an Autonomous College under the Bangalore North University. Kristu Jayanti College was recently awarded the clean and smart campus by the Government of India. The college was also recognized with the Heroes of Bengaluru award for its contribution to education. In the India Today - MDRA survey 2021, Kristu Jayanti College, Bengaluru is awarded as the Best Emerging College of the Century at National Level and the college is ranked 4th Best BCA, 12th Best MSW, 21st Best Arts, 19th Best Commerce, 17th Best BBA and 24th Best Science College in India. The College also ranked 2nd Best in BCA & MSW, 3rd best in Commerce, 4th Best in Science & Arts and 6th best in BBA and Mass Communication among the colleges in Bengaluru.

Kristu Jayanti College is a unique entity in the fabric of Higher Education in India, with an educational legacy of more than a century meeting contemporaneity. The educational philosophy of the institution envisions to weld in the individual academic excellence with holistic development. This pedagogy is encapsulated in the mission that focuses on the students' overall growth to become responsible citizens, intellectually alert and active, to grow with mutual respect and co-operation, transforming them into morally sensitive leaders of the future.

Educators Meet 2022

The digital revolution has touched every sphere and facet of life, including the education sector. The place, people and time have become irrelevant for learning because of technological advancements. Future learning will happen in a global classroom with schools interconnected digitally with the best of the expertise. The two biggest trends creating an impact in education during the Covid 19 and beyond is Artificial Intelligence and the Internet of Things. Augmented reality and virtual reality can make learning exciting, with rich experiences and opening up endless possibilities. Cloud technology will make life easier both for students and teachers as documents and files can be stored and accessed easily. Cloud will also help management in a big way, cutting down on infrastructure costs. The Big Data will make assignments, evaluations, tests and projects more results-driven. The technology would create highly engaging classrooms leading to better results, transforming traditional learning methods, breaking down the walls of classrooms, and making students think out-of-the-box and piloting innovations.

This Virtual Meet of School Educational Leaders on "Reinventing School Education with Technology Integration" is another opportunity created by Kristu Jayanti College for the School Principals, Headmasters, Vice-Principals, Educational Administrators, and Counsellors to get connected with the leaders of some of the best educational institutions in the country. The sessions aim to expose participants to an engaging and thought-

provoking discussion on:

- ❖ Paradigm Shift in School Education- Understanding and Implementing Change
- ❖ Global Wellbeing
- ❖ Changing Dynamics of Educational Leadership

The meet is an opportunity to provide unmatched networking opportunities with peers from some of the best schools in the country to reignite your passion and experience engaging in the meaningful collaboration that will lead to lasting connections.
