## ***About the Institution***

Kristu Jayanti (Deemed to be University) has been a beacon of learning and innovation since its inception in 1999 as an affiliated institution under Bangalore University. The Institution is managed by the Christian Missionaries belonging to the order of the Carmelites of Mary Immaculate (CMI), St. Joseph Province, Kottayam, Kerala. Marking a significant milestone in its journey, Kristu Jayanti attained the 'autonomous' status in the year 2013. As per the notification dated July 08, 2025, vide letter No. 9-13/2025 - U.3(A), Kristu Jayanti has been conferred the status of Deemed to be University under section 3 of UGC Act, 1956, by the Department of Higher Education, Ministry of Education, Government of India under General Category.

Kristu Jayanti Deemed to be University offers undergraduate and postgraduate programmes in Arts, Science, Management and Commerce, and integrated Law programmes. The institution was reaccredited with the highest grade 'A++' by the National Assessment and Accreditation Council (NAAC) in the Third Cycle of Accreditation in 2021. In the National Institutions Ranking Framework 2024, the institution has been ranked 60th place and is one of the top 100 colleges in the country. Moreover, the programmes of the School of Management are internationally accredited by the Accreditation Council for Business Schools and Programs [ACBSP], USA. The Institution was accorded 'DBT Star College' status under the strengthening component by the Department of Biotechnology, Ministry of Science & Technology, Government of India during the year 2020. Kristu Jayanti has consistently featured as one of the top institutions in rankings and surveys conducted by various agencies

## ***About the School***

School of Business & Management (SBM) comprises three academic units that collectively enrich its academic portfolio. The Institute of Management offers postgraduate and research programmes with a focus on advanced management education, leadership, and innovation. The Department of Management delivers undergraduate programmes that build a strong foundation in business principles, entrepreneurship, and professional skills, while the Department of Professional Management Studies offers specialized undergraduate programmes tailored to emerging industry needs and domain-specific expertise. The programmes of SBM are internationally accredited by the Accreditation Council for Business Schools and Programs (ACBSP, USA), ensuring global benchmarks in curriculum, pedagogy, and outcomes. With its emphasis on academic rigour, industry engagement, entrepreneurial initiatives, and holistic development, SBM prepares students to excel across diverse domains of business and management.

## ***About the Department***

Department of Professional Management Studies (DPMS) is an academic department dedicated to providing high-quality education and training in the field of management. It offers various programmes and courses that cater to the needs of aspiring managers and professionals seeking to enhance their managerial skills. The primary objective of the Department of Professional Management Studies is to equip individuals with the knowledge, skills, and competencies required to succeed in various managerial roles across industries. The department offers various undergraduate programmes, allowing students to specialize in areas such as Business Analytics, Aviation Management, Tourism and Hospitality Management, Retail Management (automobile retail), Branding and Advertising. The curriculum of the department is designed to provide a comprehensive understanding of management principles, theories, and practices. It combines theoretical knowledge with practical applications through case studies, group projects, internships, and industry collaborations.

## ***About Ameliorate'25***

The integration of Artificial Intelligence (AI) in education marks a significant shift in pedagogical approaches and research methodologies. This Faculty Development Programme is designed to provide academicians with insights into the transformative potential of AI in enhancing teaching effectiveness and advancing scholarly research. Through expert-led sessions, participants will explore AI-driven tools for curriculum design, assessment, student engagement, and data analytics in research. The programme aims to build faculty competencies in leveraging AI to foster innovative, inclusive, and future-ready learning environments. By embracing AI, educators can contribute meaningfully to the evolving landscape of higher education and research excellence.

## ***Objectives of FDP***

- To enhance faculty understanding of Artificial Intelligence and its applications in education and research.
  - To equip participants with AI-based tools and techniques for effective curriculum delivery and assessment.
  - To promote the integration of AI in pedagogical practices for personalized and adaptive learning experiences.
  - To build research capacity by introducing AI-driven methodologies for data analysis and academic inquiry.
  - To foster innovation, digital fluency, and future-readiness among educators in line with global educational trends.
-

## Programme Outcome
