## DEPARTMENT OF COMPUTER SCIENCE [PG] ENVIRONMENTAL AWARENESS

### One Student – One Tree

#### REPORT

Date	: 14 <sup>th</sup> August 2019 – Till March 2020
Classes Attended	: MCA & MSc students & Faculty
Number of beneficiaries	: 46

#### **Objective:**

To instill the importance of planting trees and taking care of them.

#### **Brief Write up on the Programme:**

As part of the plantation drive initiated by AICTE, the " One Student, One Tree" was organized by the Computer Science (PG) department, a Plantation Drive near K. Narayanapura, Kothanur, on 14.08.19. Forty students and six faculty members participated and 50 tree saplings were planted. The saplings were watered by our department students regularly and ensured that they would not wither or dry out. The students of every class took turns to water the saplings weekly twice.

## ENVIRONMENT CLUB

### PHOTOGRAPHY CONTEST ON "POLLUTION FREE INDIA"

**Date:** 28th November 2019

**Classes Attended & Number of beneficiaries:** All U.G Courses; 25 students

**Name and details of the Chief Guest:** Fr. Dr. Augustine George,  
Vice Principal,  
Kristu Jayanti College (Autonomous), Bangalore

**Objective:** To inspire students to capture acts of pollution and its management as an effort to curb the menace

#### **Brief Write up on the Programme:**

In commemoration of National Pollution Control Day on 02<sup>nd</sup> December 2019, the Environment Club of Kristu Jayanti College (Autonomous) conducted a photography contest (Capture the action to curb pollution) with the theme of pollution-free India for all students. Twenty-five entries were received for the contest and were judged by faculties with proven expertise. Vice Principal, Fr. Dr. Augustine George and Fr. Emmanuel P. J, Director, Kristu Jayanti College of Law awarded certificates and cash prizes to the winners and consolation prize winners. Joel John of IV sem BBA secured the first prize and R. Emmanuel Selva Royan of II BA HEP received the second prize. Rajat Krishnan (II BCA), Alex Savi (IV sem BCA), Alfred Francis (VI sem BCA), Pawan Reddy (IV sem BCA), and Kevin Victor Philips (VI sem BCA) received consolation prizes. Fr. Dr. Augustine George congratulated all the winners and commended them on the brilliant photographs clicked by all the participants. He also congratulated the faculty members of the environment club for their dedicated efforts in conducting a contest on National Pollution Control Day.

## ENVIRONMENT CLUB

### NATIONAL POLLUTION CONTROL DAY CELEBRATION - AWARENESS PROGRAMME ON "BEAT POLLUTION"

**Date:** 02<sup>nd</sup> December 2019

**Classes Attended & Number of beneficiaries:** All U.G life science students; 374 students and the entire college students witnessed

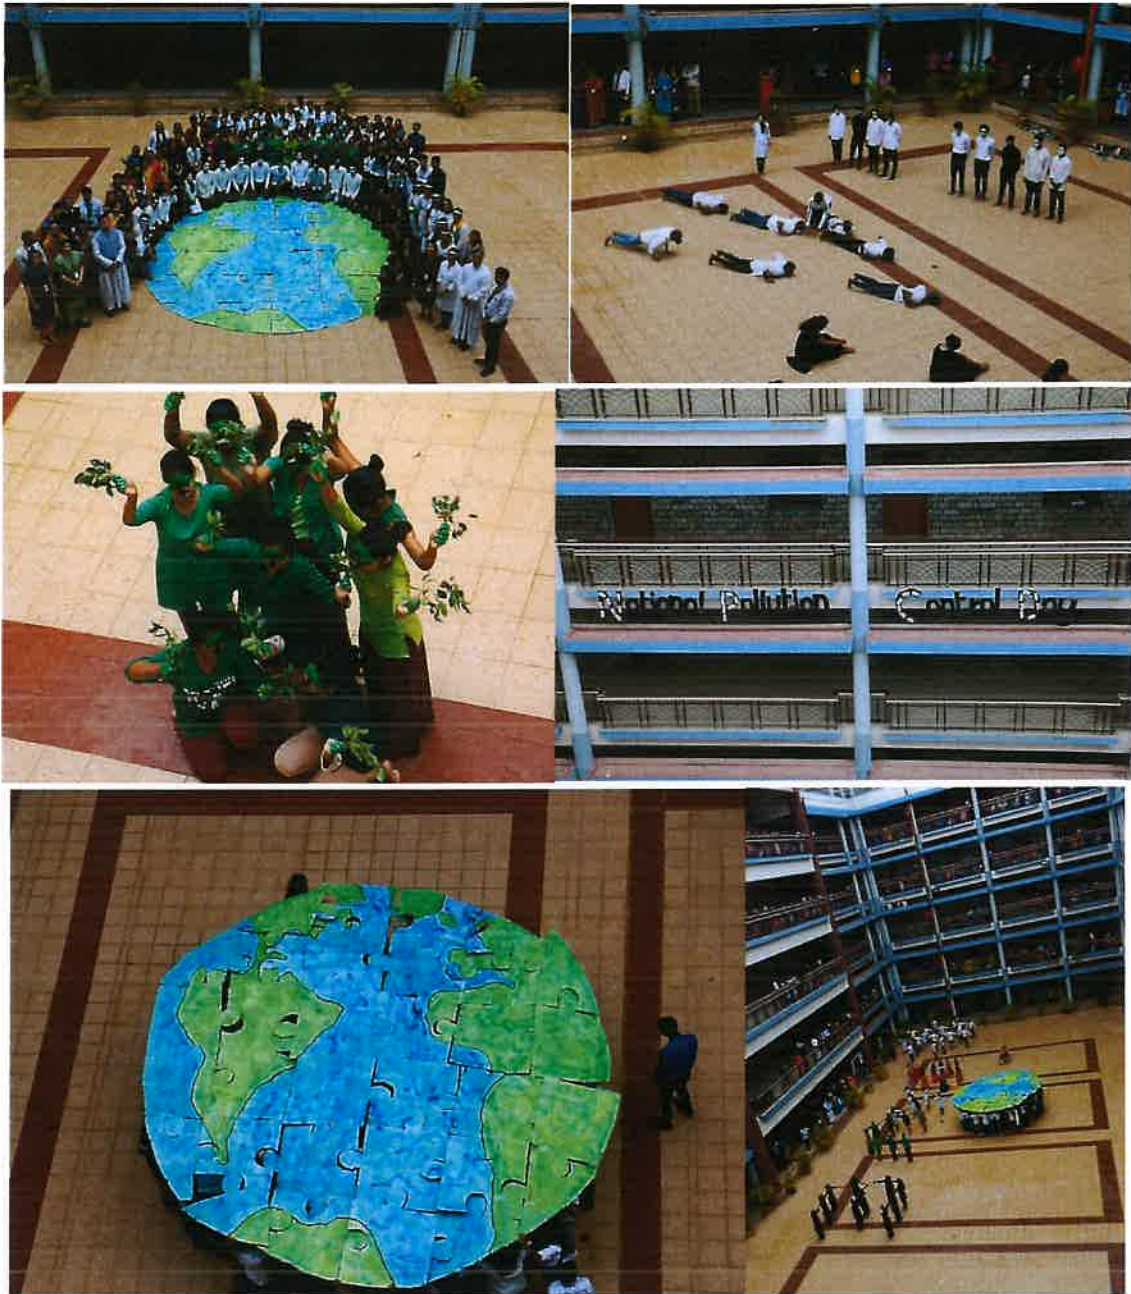

**Name and details of the Chief Guest:** Fr. Dr. Augustine George,  
Vice Principal,  
Kristu Jayanti College (Autonomous), Bangalore

**Objective:** To sensitize students of Kristu Jayanti College on Pollution and its effects and instigate them to be environmental warriors to save Planet Earth.

#### **Brief Write up on the Programme:**

The Environment Club of Kristu Jayanti College organized an awareness programme through a musical dance drama in observance of the National Pollution Control Day, 2019. A brilliantly orchestrated dance-drama performance was performed by the undergraduate students of the environment club of the life sciences department pleading for pollution-free earth. The dance drama highlighted the impact of anthropological effects of pollution on earth and how we urgently need to address climate change. The programme was conducted in the Quadrangle and was witnessed by all the students and staff of Kristu Jayanti College. Vice Principal Fr. Dr. Augustine George and Fr. Emmanuel P. J, Director, Kristu Jayanti College of Law praised the brilliant concept of the performance and stressed the importance of continuing the practice of awareness on pollution-free earth by volunteer students as environment brigades.

Department. A poster depicting the details of the event was prepared. Addresses of 2500 schools across India were collected from the previous year's coordinators. The invitation letters were sent to the schools in October starting on 03.10.2019. This year school students were allowed to scan their written essays and e-mail them to [greenindia2019@kristujayanti.com](mailto:greenindia2019@kristujayanti.com). The Invitation included a covering letter, poster, and registration form. A link, allowing a participant to download the registration form and other documents was posted on the college website, emails were sent to the schools in addition to the invitation letters. The last date for submission of Essays was December 5<sup>th</sup>, 2019.

<b>Invitations sent</b>	2500
<b>Essays Received</b>	40
<b>Schools participated</b>	14

*Green India 2019: Key Statistics*

The total number of essays received was 40. The number of schools that participated is 14. The Essays were evaluated by a panel of judges from the Life Sciences Department and the results were declared on 20<sup>th</sup> December 2019. The results were posted on the college website and emails were sent to the prize winners. First, Second, Third prizes and 10 special prizes were declared. The felicitation ceremony of the competition was held on 17<sup>th</sup> January 2020. The Prize winners along with their parents and teachers were invited to the event. The felicitation ceremony was presided over by Rev. Fr. Josekutty P.D, Principal, Kristu Jayanti College (Autonomous), and Dr.T.V Ramachandra, Professor, Centre for Ecological Sciences, Indian Institute of Science, Bengaluru. The First, Second, and Third Prize winners received Citations and Rupees 10000, 7000, and 5000 respectively as the Cash Awards while the special prize winners received Rupees 1000 each along with a Citation. Six Prize-winning students were present for the felicitation ceremony along with their parents. The rest of the prizes were sent to the winners by post.

The Green India Essay competition provided an opportunity for the students to think originally from a non-conventional point of view and provide valid solutions to the problems of Global Warming. The participants were also instigated with a sense of commitment to protect and preserve the environment.

## DEPARTMENT OF LIFE SCIENCES & ENVIRONMENT CLUB

### REPORT ON 6<sup>th</sup> NATIONAL LEVEL GREEN INDIA ESSAY COMPETITION- 2018

The National **Green India Essay** competition is an annual event organized by the Department of Life Sciences in association with the Environment Club for Higher Secondary School students of Indian and International schools. The competition endeavors to create awareness and sensitize the youth on environmental issues. Through this event, the Department strives to make the youth conscious of their responsibilities toward the environment and practice the principles of reduction, reuse, and recycling of resources. The 6<sup>th</sup> version of the event was announced in October 2018. The topic for the essay writing was “**My Novel Solutions to Global Warming**”.

COMPETITION-2019**

Venue: Mini Audi III, Main Block,  
Kristu Jayanti College.

Date: Monday, 18<sup>th</sup> February 2019  
Time: 9.30 AM

### *Green India Essay Competition*

This year the event was coordinated by Dr. Dileep Francis and Dr. T. Sriram under the guidance and support of the Management and other faculty members of the Department. A poster depicting the details of the event was prepared. Addresses of 2700 schools across India were collected from the previous year's coordinators. This year 450 new addresses covering Tamil Nadu, Arunachal Pradesh, Manipur, Meghalaya, Nagaland, Tripura, and Uttarakhand were added to the database. The invitation letters were sent to the schools in October starting on 17. 10. 2018. The Invitation included a covering letter, poster, and registration form. A link, allowing a participant to download the registration form and other documents was posted on the college website, emails were sent to the schools in addition to the invitation letters. Sixty invitations were returned undelivered due to issues in the addresses. These were removed from the database. The last date for submission of Essays was initially November 27<sup>th</sup>, 2018. This date was later extended to December 20<sup>th</sup>, 2018.

## **REPORT OF GUEST LECTURE ON “CLEAN AND GREEN INDIA”, AS PART OF SWACCHATA PAKHWADA ORGANIZED BY ENVIRONMENT CLUB**

The Environment Club of Kristu Jayanti College, organised a talk on the topic "Clean and Green India" on September 14, 2017. The talk was held as one of the many activities under the 'Swacchata Pakhwada' programme. The speaker for the talk was Dr. Joseph K. S., Assistant Professor, Department of Life Sciences, Kristu Jayanti College.

The session began with the introduction of the speaker by Dr. Sivagama Sundari, Assistant Professor, Department of Life Sciences, Kristu Jayanti College. The introductory session was followed by the talk delivered by the speaker.

In the talk, Dr. Joseph briefed the students about the three main components on which the 'Swacchata Pakwada' was based; Swacch Bharat Abhiyan, Green India Campaign, and the Clean Ganga Project. Under each of these main topics, he explained the Mission objective, concept, and goal of each project. He explained ways in which these programs are the need of the hour, going by the current scenario of the amount of pollution and other environmental issues that have been plaguing us in the past few years.

He also explained to the students their role as an individual and citizen of India in helping this cause. He stated the fact that this responsibility towards the programs should start from themselves; a responsibility that begins with them and begins first in each one's surroundings. He concluded by saying that the students could take one small step that would lead to a giant leap in the success

of this program. The session ended with the vote of thanks, which was proposed by the Environment Club Coordinator, Mr. Pradeep P.

## ENVIRONMENT CLUB AND DEPARTMENT OF LIFE SCIENCES

### 5<sup>th</sup> NATIONAL LEVEL GREEN INDIA ESSAY COMPETITION 2017

#### 'MY SOLUTIONS TO ENVIRONMENTAL ISSUES'

The world is a constantly changing sphere of time and space. Advancements are made with immense vigour to attain technological milestones and most of these steps to progress are made at the cost of the environment. The need for awareness of the same is imperative, so is the need to come up with effective solutions.

The Environment Club in collaboration with the Department of Life Sciences of Kristu Jayanti College organized the 5<sup>th</sup> National Level 'GREEN INDIA' essay competition. The title of this year's competition was 'My solutions to environmental issues'. The best essay was awarded a cash prize of ten thousand rupees followed by prizes of seven thousand and five thousand rupees for the second and third place respectively. The essay competition was announced in October 2017. The last day of submission was Dec 9, 2017. The contest received an enthusiastic response with over 78 participants from 14 schools from different parts of India. The prizes were announced on Jan 6, 2017. The felicitation ceremony took place during the inaugural function of the National Conference on "Genetics for human welfare" on Jan 22, 2018.

The competition gave the upcoming generation a platform to express their concern for the future. The participants displayed their awareness of the current situation as well as the future implications if things were not changed. These young minds also brought to notice small yet significant ways to reduce our carbon footprint on this planet, by bringing a small change in our everyday lives. Who could have ever given serious thought to how much waste is generated when people throw waste out of their windows when traveling by bus. A small innovation of installing a dustbin in all public buses would bring about so much positive impact.

Similarly, back at each of our homes, unclean water from the water purifiers are never really put to use. Water so collected if reused can be such a relief on the water sources. The act of planting bee-friendly drought-tolerant and native species of vegetation instead of lawn grass was also proposed. This slight change in gardening trends can contribute immensely towards the conservation of local biodiversity as well as add more diversity to one's garden. An alternative where people try to suffice their needs with locally made products to reduce the environmental, as

well as financial cost of transportation, can also be implemented. This change might slightly change our day to day lives but might be a boon for future generations.

A suggestion was made towards the government wherein permission for the construction of factories and industries is granted only if they are sufficiently far away from human settlements to prevent any more Bhopal gas tragedies. Nelson Mandela rightly said, "Education is the most powerful weapon you can use to change the world." Following this teaching, the need to properly educate people that the biggest threat to humanity is the threat our lifestyle is causing to nature was implied. Even though the efforts have already been taken, they don't serve the needs as people still have completely understood the threat. Joining our hands in making the world a healthier place to live in step by step, will change the face of the future.

### List of Participants

Sl No.	Student Name	Institution
1	Rohith R	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
2	Aishwarya Hari	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
3	Kannan Ratish	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
4	Sanjana Nair	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
5	Pallavi Radhakrishnan	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
6	Serah Mathew Vinod Panicker	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
7	Mohd. Arham Ibrahim Rasheed	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.

### **REPORT ON ENVIRONMENTAL AWARENESS DAY**

**Title: GLOBAL ENVIRONMENT TOMORROW**

Date: 23/02/2017

Classes Attended & Number of beneficiaries: IV B.Sc. BT & MB

Name of the Event: Environmental Awareness Day 2017

#### **Brief Write up on the Programme:**

The Environment Club of Kristu Jayanti College organized an Environment Awareness program on 23<sup>rd</sup> February 2017. The theme, 'Let's Nurture the Nature for a Better Future' was portrayed in the form of dance and skits by the students of the Life Sciences Department. The Environment Club of Kristu Jayanti College also organized a poster making competition on the topic 'Global Environment Tomorrow' which was open for the students of all the Departments of the college. The posters were displayed and the exhibition was open to all the students and faculties of the college. Suggestions about environmental protection were collected from everyone who visited the exhibition. The best posters were felicitated with certificates and trophies and all the other participants were encouraged by presenting them with medicinal plant saplings to inculcate the importance of nurturing plants. Let's join hands to conserve and preserve the resources of our nature for our future generations.

## DEPARTMENT OF LIFE SCIENCES

### ENVIRONMENT AWARENESS DAY

23<sup>rd</sup> February 2017

#### Programme Schedule

##### **Poster Display on Global Environment Tomorrow**

Time: 10.00 am      Venue: Mini Auditorium-I

##### **Programme on Protecting the nature-Choreography**

Time: 10.50 am      Venue: Quadrangle

##### **Programme on Save the Earth-Choreography & Skit**

Time: 11.50 am      Venue: Quadrangle

##### **Programme on Save Trees & Plants- Skit**

Time: 12.50 am      Venue: Quadrangle

##### **Prize Distribution**

Felicitation of Best Posters with Certificates and Medicinal plant saplings

Venue: Quadrangle

**GREEN CAMPUS DAY**

**Date: 14<sup>th</sup> September 2017**

**Time: 3:30 p.m - 4:40 p.m.**

**No. of beneficiaries:**

<b>No. of SD's</b>	<b>20</b>
<b>No. of SW's</b>	<b>13</b>
<b>Total</b>	<b>33</b>

## **Objective:**

The main objective of the event was to make and build a clean and green campus.

## **Brief write up:**

The theme of green day was to make the campus green by planting saplings. The charismatic cleanliness and lush green campus provide an environment suitable for studies. It's a program under "SWACHTHA PAKHWADA". Cadets actively participated in cleaning the campus area and planting the saplings.

Fr. Augustine George inaugurated the event by briefing the cadets about the importance of Swach Bharath and Green Campus Day, which was initiated by Hon'ble Prime Minister, Shri Narendra Modi on 2<sup>nd</sup> October 2014 to fulfill Mahatma Gandhi's vision of a clean India, by his 150<sup>th</sup> birth anniversary in 2019. Later, the saplings were planted by Father Vice Principal, ANO Lt Sarvesh, Ms. Ponny Thomas, and by NCC cadets. The event provided a great lesson to the cadets by motivating each in the promotion of the Green Campus Day.

**Feedback:**

Stop deforestation, and start afforestation. The green world makes a better living place. Go Green.
