Research Supervisor (Guide) Profiles

Discipline of Supervision: Law

Dr. Vanshika Kumar

Assistant Professor
Department of Law
School of Law

Areas of Specialisation:

Human Rights , Environmental Law, Corporate Social Responsibility

Dr. Vanshika Kumar is a dedicated legal academic holding a Ph.D. in Law, with specialization in Environmental Governance, Corporate Social Responsibility, Human Rights, and emerging interdisciplinary domains such as Artificial Intelligence and Law. With over 4.5 years of research experience at Amity University, she has cultivated a strong interdisciplinary approach to legal scholarship, integrating contemporary global challenges with both doctrinal and empirical research methodologies. She is currently serving as the Research Head of the Research Committee at the School of Law, where she plays a key role in academic leadership, research supervision, and curriculum development. Her scholarly contributions include multiple publications in reputed Scopus-indexed and ABDC-listed journals, addressing diverse areas such as AI and law, institutional arbitration, CSR, and comparative legal frameworks. She is proficient in leading legal research databases, including SCC Online, Manupatra, and Westlaw, which support her rigorous academic and research activities. She has successfully completed the UGC Faculty Induction Programme at Kannur University with an A+ grade, demonstrating her commitment to academic excellence and continuous professional development. Additionally, she has participated in a Faculty Development Programme conducted under the Ministry of Corporate Affairs.
