Discipline of Supervision: **Commerce**

Dr. R Vijayakumar

Dean
Department of Commerce
School of Commerce, Accounting & Finance

Areas of Specialisation:

Accounting, Costing, Taxation, Banking, Finance,
Green Banking, Financial Analytics, and Digital Economy

Dr. Vijayakumar R is an accomplished academician and researcher in the field of Commerce, Banking, and Finance, with over 25 years of teaching experience and 13 years of research expertise. He holds a Ph.D. in Commerce with a specialization in Banking and Finance. His research contributions span emerging domains such as digital payments, artificial intelligence in finance, green banking, and customer behaviour analytics. He has published extensively in reputed international journals and contributed to edited volumes by leading publishers such as Springer and IGI Global. His scholarly work reflects a strong interdisciplinary orientation, integrating technology with finance. He has also made significant contributions to academic governance through his roles as a member of the Board of Studies and Board of Examination in reputed institutions. He actively participates in research evaluation and serves as a reviewer for international publications. His areas of specialization include Banking, Finance, Green Banking, Financial Analytics, and the Digital Economy. He remains deeply committed to academic excellence, research innovation, and mentoring students and scholars.
