Institute of Management
School of Business and Management

Areas of Specialisation:

Finance, Commerce, Economics, Psychology

Dr. Vani Sarada is an eminent researcher and professor, widely recognized for her significant contributions to higher education globally through empirical research. She has published over 200 papers across multidisciplinary and interdisciplinary areas, with her work indexed and recognized by Scopus, Web of Science, peer-reviewed journals, and Elsevier standards. In addition, she has contributed to numerous books in higher education. Her excellence has been acknowledged with numerous honors, including the President of India Award (twice), Honorary Doctorates from the Global Human Rights Trust and the World Humanitarian Welfare Association, and inclusion in the Magic Book of Records (2022–23). She has received over 60 awards for her contributions from various governmental and non-governmental organizations in India, the UK, and the USA. An active participant in academia, she has presented at more than 100 national and international conferences across India and abroad. She has also supervised and guided 11 Ph.D. scholars, including 8 from abroad and 3 from India. Currently, she serves as a Faculty member at the Institute of Management, Kristu Jayanti University, Bengaluru, India, bringing 20 years of teaching and research experience to her academic and mentoring endeavours.
