KRISTU JAYANTI (DEEMED TO BE UNIVERSITY)

The institution is a beacon of learning and innovation since its inception in 1999 as an affiliated institution under Bangalore University. The university is managed by the congregation of the Carmelites of Mary Immaculate (CMI), the first indigenous catholic religious congregation in India. Marking a significant milestone in its journey, Kristu Jayanti attained the 'Autonomous' status in the year 2013. As per the notification dated July 08, 2025, vide letter No. 9-13/2025-U.3(A), Kristu Jayanti has been conferred the status of Deemed to be University under section 3 of UGC Act, 1956, by the Department of Higher Education, Ministry of Education, Government of India under General Category.

The institution was reaccredited with the highest grade 'A++' by the National Assessment and Accreditation Council (NAAC) in the Third Cycle of Accreditation in 2021. In the National Institutions Ranking Framework 2025, the institution has been ranked 34th place in the colleges category and is one of the top 100 colleges in the country. The institution strives to fulfill its mission to provide educational opportunities for all aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility, inculcating environmental concern and building global competencies in a dynamic environment.

DEPARTMENT OF PHYSICS

The Department of Physics was established in 2018 and currently offers triple major courses in Physics, Electronics, and Computer Science, providing students with diverse academic pathways. The department strives to enrich the academic community by organising conferences, seminars, workshops, and invited talks by renowned experts. Continuing this tradition, the department is proud to host its 6th International Conference, fostering global academic collaboration and knowledge exchange. It equips students with practical, intellectual, and transferable skills that enable them to think critically and work independently.

CONFERENCE PREAMBLE

ICRTMS-26 aims at disseminating knowledge in the domain of Science and Engineering. This conference will be an opportunity to reflect on what has been happening in the field of Science and Engineering, to share the experiences, perspectives and responses to the challenges faced by the researchers, and at the same time to give a thought to set new directions for the future. The conference will provide a platform for experts from academia and industry to showcase their latest findings in the areas of expertise. It is also a forum for the dissemination of original research findings, new ideas, practical experiments, which focuses on both theory and practices.

CALL FOR PAPERS

- Nanoscience and Nanotechnology
- Crystal Growth and Crystallography
- Polymers and Nanocomposites
- Optoelectronics and Photonics
- Thin Films
- Nonlinear Optics
- Functional Materials
- Bio and Nanosensors
- Energy Storage Materials
- Supercapacitor Materials

PUBLICATION

The selected papers which are presented during the conference will be published in Scopus Indexed Journal/ Kristu Jayanti Journal of Computational Sciences. For the details on publication guidelines, visit the conferene website : <https://www.kristujayanti.edu.in/icrtms2026/>

SPEAKERS AT THE CONFERENCE

Dr. B. L. V. Prasad
Director
Centre for Nano and Soft Matter
Sciences (CeNS), Bengaluru, India

Prof. Kazuhiko Shimomura
Professor
Engineering and Applied Sciences
Sophia University, Japan

Dr. Venugopal Rao Soma
Senior Professor
School of Physics & DIA-CoE
University of Hyderabad
Hyderabad, India

Dr. Sreetosh Goswami
Associate Professor
Centre for Nano Science and Engineering
(CeNSE) Indian Institute of Science
Bengaluru, India

Dr. Muthu Senthil Pandian
Research Scientist (Senior Grade-III)
Department of Physics
SSN Institutions (Autonomous)
Chennai, India

Dr. Ashraf Ali
Post-Doctoral Fellow
Emirates Centre for Energy &
Environmental Research
United Arab Emirates University
Al Ain, Abu Dhabi, UAE
