

Kristu Jayanti College

AUTONOMOUS Bengaluru
Reaccredited A++ Grade by NAAC | Affiliated to Bengaluru North University

Annual Report 2021 - 2022

Presented on April 26th 2022

By
Dr. Fr. Augustine George CMI
Principal

Kristu Jayanti College, Autonomous, Bengaluru is an embodiment of the educational dreams of St. Kuriakose Elias Chavara (1805-1871), the founder of the religious congregation, Carmelites of Mary Immaculate (CMI). He envisioned the sunrise of a renewed humanity through the integral development of mind, body and spirit. As we celebrate our 23rd Annual Day, we gratefully remember his ideas towards education, community development and national transformation.

The college caters to 9000+ students and offers 29 UG, 16 PG, 4 Research Programmes & 3 PG Diploma Programmes. Kristu Jayanti College was the launch pad of implementation of NEP and we were honoured with the inauguration of NEP for Karnataka by Honourable Minister of higher education Shri Aswath Narayanan in this Campus itself. With the implementation of NEP 2020, we are now successfully catering to 24 new honours and double major UG programmes. The strength of college is the robust academic infrastructure along with the physical infrastructure. As you are aware of, college has made systematic implementation of Outcome Based Education from 2018 in Curriculum design, Teaching Learning and Evaluation. The institution surmounted the great challenge posed by NEP to design Skill Enhancement Courses as part of curriculum. The institution designed Well-Structured Skill Enhancement Courses and rubrics for systematic evaluation for providing skills, holistic development and social commitment.

Our ability to build resilience in times of disruption was clearly tested this year with the challenges of Covid restrictions. The college with the aid of right technology and academic expertise adopted blended learning methods and provided uninterrupted online/ offline learning to our students. This was possible because Kristu Jayanti Faculty members developed and customised own learning management system known as KJLMS which is on par with the world class learning management systems like black board. Congratulation to tech team and faculty member and students; and currently KJLMS has become the integral part of teaching, learning and evaluation process of our college.

We also experienced immense joy and satisfaction in the third cycle of NAAC accreditation when our institution was rated with A++ with CGPA of 3.78, second highest score in India and the best in the state of Karnataka. We feel doubly committed not only to incorporate the expectations of stakeholders, society and nation but also be responsive and proactive in shaping the 21st century learners.

The institution believe that learning and personal growth, in and outside the classroom, is a continuous process. The departments of the college have actively engaged the learners through **672 interactive, experiential and constructivist learning programmes catering to the theme** for the academic year: "Reinventing Educational process through Technological Integration.

ACADEMIC PROGRAMMES ORGANIZED

The departments of the college have actively engaged the learners through numerous interactive and experiential learning programmes. The lively interaction with leaders, academicians and industry experts enables to chisel and mould knowledge, skill and attitude of Jayantians. **Theme for the academic year:** "Reinventing Educational process through Technological Integration" A summary of the various programmes organized in this academic year 2021-2022 is given below

Table 2.1 Summary of Major Academic Programmes [2021-2022]

Type of Academic Programmes	No. of Programmes
a. International Conferences organized	19
b. International Webinar / Panel Discussion	06
National Level Programmes organized	54
International Lecture Series & Flagship Programmes	15
Intra-collegiate Workshop/Debate/Panel Discussion	41
Industry Academia Interface / Tech Talks / Guest Lecture	221
Training Programmes and Employability Enhancement Initiatives	123
Entrepreneurship and Innovation Initiatives	47
a. Intercollegiate and Intracollegiate Fests & Competitions	61
b. Commemorative Days Celebration	33
Add-on Courses	49
Faculty Development Programmes	46
Jayantian Extension Services Programmes	71
Total	786

2.1.1 a. International Conferences
