KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT EXCLUSIVE EVENTS

SESSION ON BUILDING AN INNOVATION FIT FOR MARKET THROUGH GAMING

Date: 19th June 2021

Time: 03:00 pm-05:00 pm

Number of beneficiaries: 119 KJIC Members and Students from various departments

Name and Details of Resource Persons:

- Mr. Kunnwar Vijay Parmar, Founder and CEO Skillet, Haryana and
- Ms. Rittu Srivastava, Co-Founder Skillet, Haryana

Objective: To learn the entrepreneurial process through gaming.

Brief write up on the session:

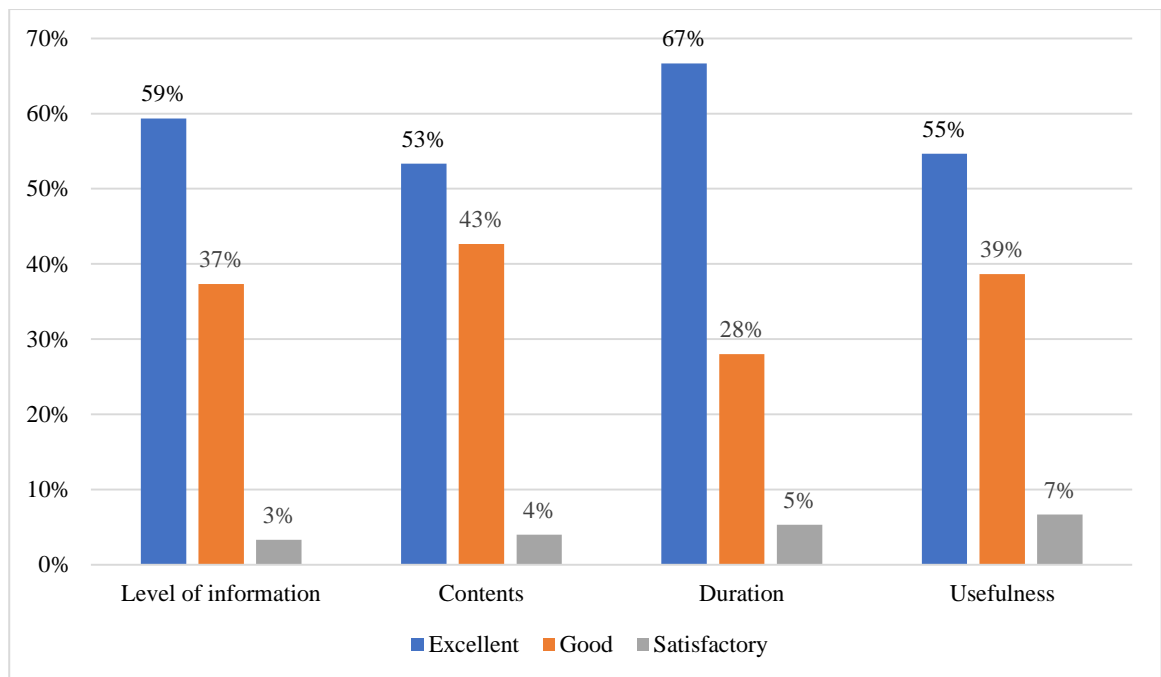

The speaker, Mr. Kunnwar Vijay Parmar started the session by giving a brief introduction on Start-up. Sir explained all the 13 stages of start-up journey and its challenges, solutions, and strategies. Sir also gave a brief note on his life journey towards the Startup i.e., at beginning the success rate of his project was very low, and later he saw a great success in his work. This was also a very inspiring and motivating for all young entrepreneurs. The speaker also clarified the doubts of many students regarding the start-up.

The speaker, Ms. Rittu Srivastava started by explaining about the IBDA Start-up Game. The speaker also gave a very informative content by explaining the different steps to play the game. This game consists of minimum 2 and maximum 4 players. The game was very interesting and we all enjoyed playing the game. In the Question-and-Answer Forum, both the speakers went through the questions of participants and clarified all the doubts in an effective manner by giving more examples and made the session more interesting.

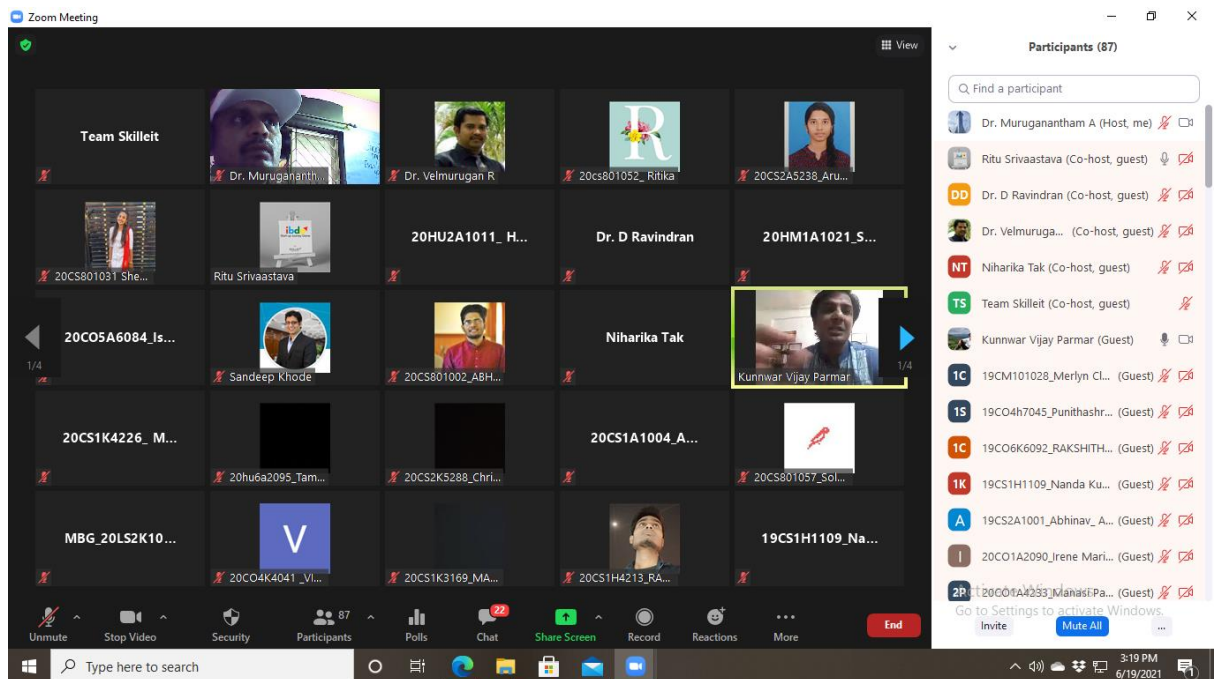

Learning outcome: The participants learnt entrepreneurial process through gaming

SCHOOL OF MANAGEMENT & KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT SESSION ON DESIGN THINKING

Date: 9th April 2021

Number of beneficiaries: 130 students and faculty members

Name and details of the Resource Person: Dr. M Newlin Rajkumar, Innovation Ambassador-IIC, Department of Computer Science and Engineering, Anna University Regional campus, Coimbatore.

Objective: To understand and learn various aspects of Design Thinking and its application in business.

Brief Write up on the session:

The session was started by Ms. Vaishnavi N, with a silent prayer followed by Mr. Jayson A Nelson who delivered the welcome address. Ms. Saira Rachel of I year MBA gave the introduction about the chief guest. Dr. D. Ravindran, Innovation Activity Coordinator, IIC gave a brief introduction about the programme.

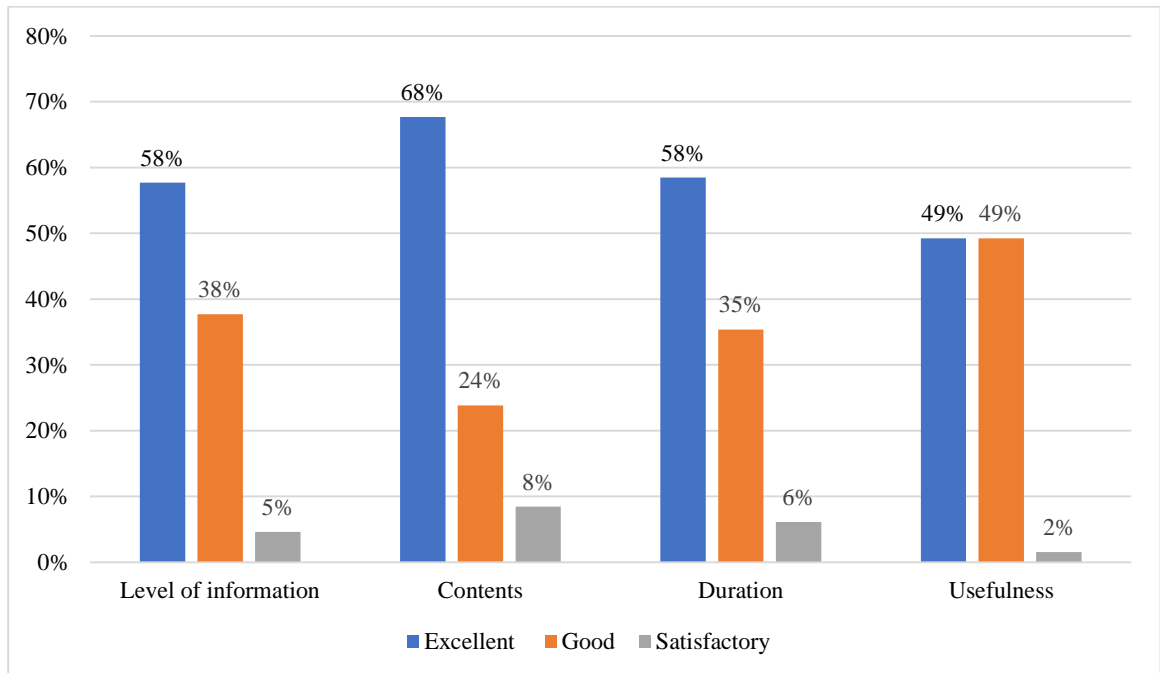

Mr. Newlin Rajkumar started his session by introducing the concept of design thinking. He gave very crucial information about the importance and nature of design thinking. He explained that Design thinking is a user centric process in which users are always the heart of design process. It involves finding desirable solutions for the problems faced by the customer. So, design thinking is a process that starts along with identification of problem and continues till finding feasible and perfect solution of that problem. He specified that all good inventions in the world are formed as an after effect of design thinking. Dr Newlin also explained about the different stages of design thinking. It includes Empathize-Define-Ideate-prototype. All these stages explain about the formation of a perfect solution for the problem in an organization. He made the session more interesting by adding some suitable real-life examples like MRI invention, I phone growth stage etc. In all these examples students were able to understand how a problem is managed in the organization. His explanation for Divergent and Convergent thinking made all the participants to realize that it was an effective tool for innovation and new product development.

The session was really informative, Dynamic and inspiring. All the students actively participated in the discussion and asked questions, the event coordinator and Dr. D. Ravindran, Innovation Activity Coordinator, KJIC concluded the session. Ms. Christy Maria Antony, student of I year MBA addressed the formal vote of thanks. The session finally ended with a photograph session.

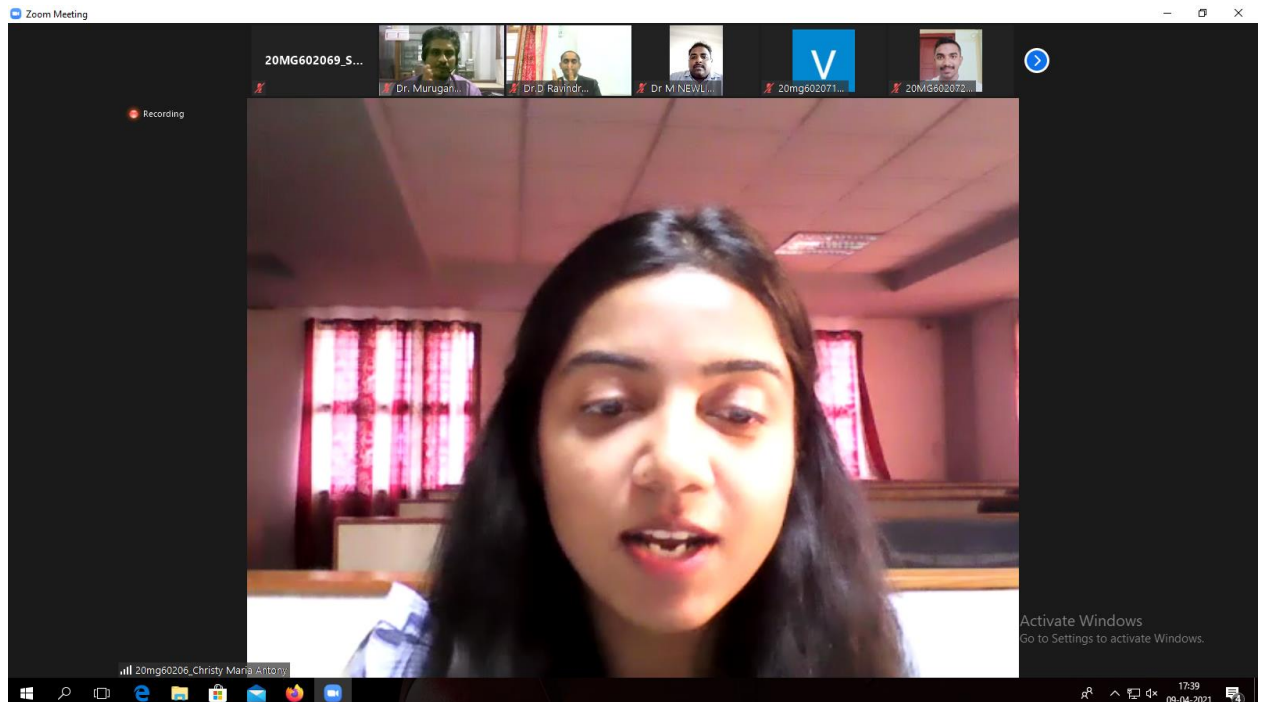

Learning outcome: Students and faculty members learnt about design thinking concepts with examples.

KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT

MENTORSHIP SESSION ON THOUGHT PROCESS MECHANICS: RIGHT BUSINESS RIGHT PEOPLE

Date: 23rd March 2021

Time: 4:30 p.m.

Number of beneficiaries: 28 (UG and PG students from various departments)

Name and details of the Resource Person: Mr. Dileep Mohan, Founder and Concept Director, HEADZ Hair Fixing, Bengaluru

Objective: To bring out the innovative idea out of students

Brief write up on the session:

Ministry of Education, Govt. of India has established its 'Innovation Cell' at All India Council for Technical Education with a purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. IIC (Institution's Innovation Councils) are set up in higher education institutions to execute the mandate of the Innovation Cell. IIC at Kristu Jayanti was established in the academic year 2018-2019. The council organises a series of events with the aim of motivating students to innovate and transform innovations to start-ups.

A mentorship session on Thought Process Mechanics: Right Business Right People was organized by the IIC on 23rd March 2021 at 4.30 pm in virtual mode as a part of its activities for the academic year 2020-21. Mr. Dileep Mohan, a teacher-turned entrepreneur, who founded and successfully runs a non-surgical hair- fixing company HEADZ, was the resource person for the session.

During his highly motivating talk, Mr. Dileep elaborated on the reasons behind his decision to quit the teaching job to take up the entrepreneurial journey. He also highlighted the life style changes and attitude changes that helped him achieve success. He laid emphasis on the right thought process that is expected out of an entrepreneur and how detrimental it could for a young entrepreneur if he goes wrong in his thought process mechanics.

Learning outcome: It helped to bring out the innovative idea from the students and they got a platform to enhance their knowledge on branding their business ideas and also how to go forward with a positive attitude to the approach business challenges.

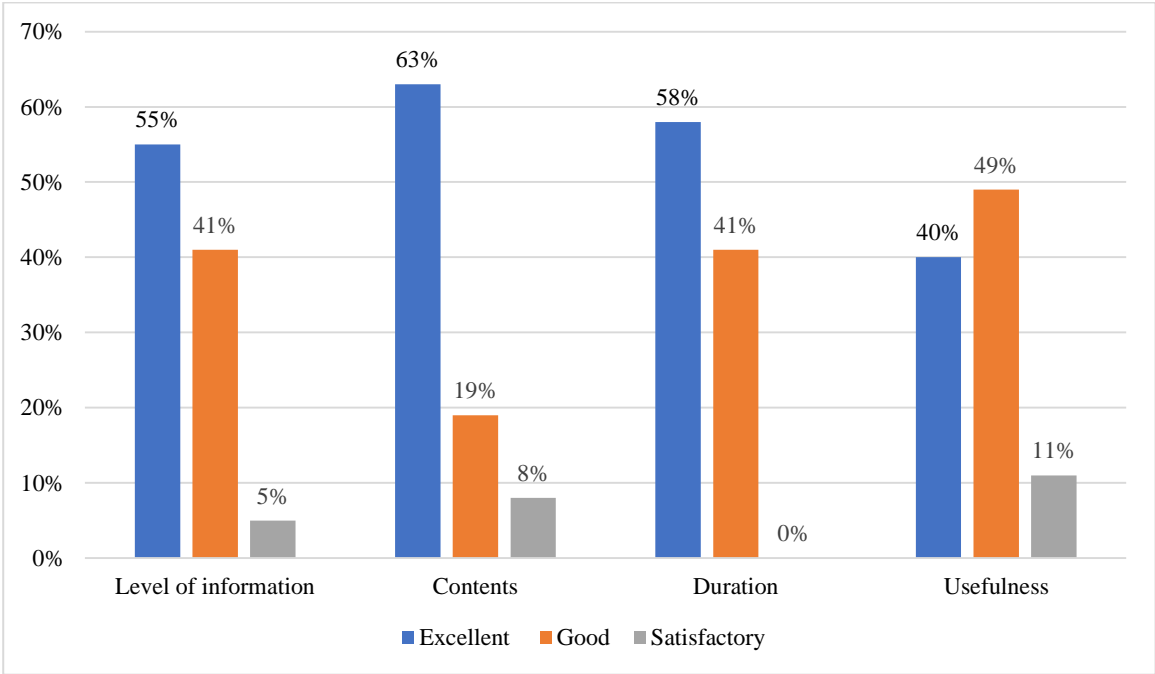

Feedback:

The session was well received by the audience as was evident from the quick responses to the speaker's queries during the session, and the positive feedbacks shared by the participants. A summary of the feedback is given below

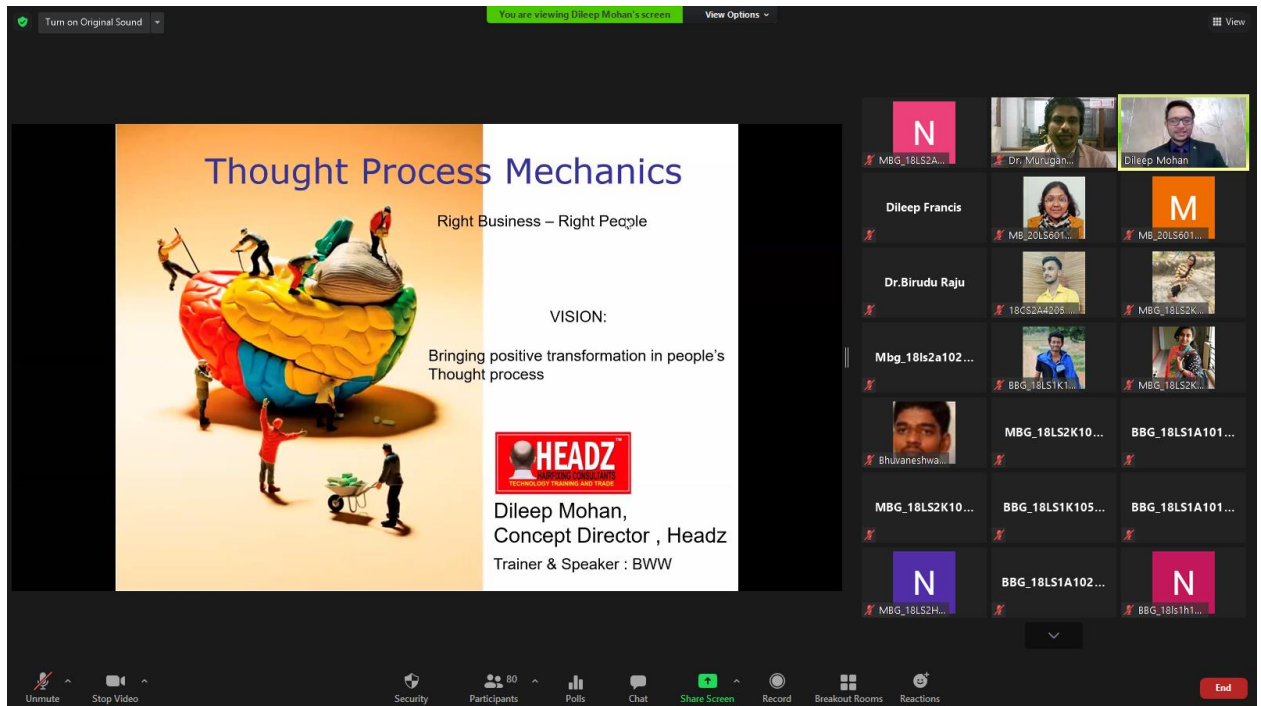

A feedback form was generated using Google Forms and circulated among the participants. Hundred and twenty-four responses were recorded. Overall, the feedbacks were highly positive. The following questions were asked as a part of the feedback. Individual responses are provided in the form of graphs. Values from 1 to 5 are used to grade the responses. A highly positive response would have fetched 5 marks from the respondent and vice versa

SCHOOL OF MANAGEMENT & KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT

SESSION ON LEAN START-UP AND MINIMUM VIABLE PRODUCT/BUSINESS

Date: 19th March, 2021

Number of beneficiaries: 67 students and faculty members

Name and details of the Resource Person:

Ms. Nithya Achuthan, Founder & CEO of Attigo Projects (A Turn Key Company), Bengaluru

Objective: To understand and learn various aspects of lean start-up and minimum viable product and its application in business.

Brief write up on the session:

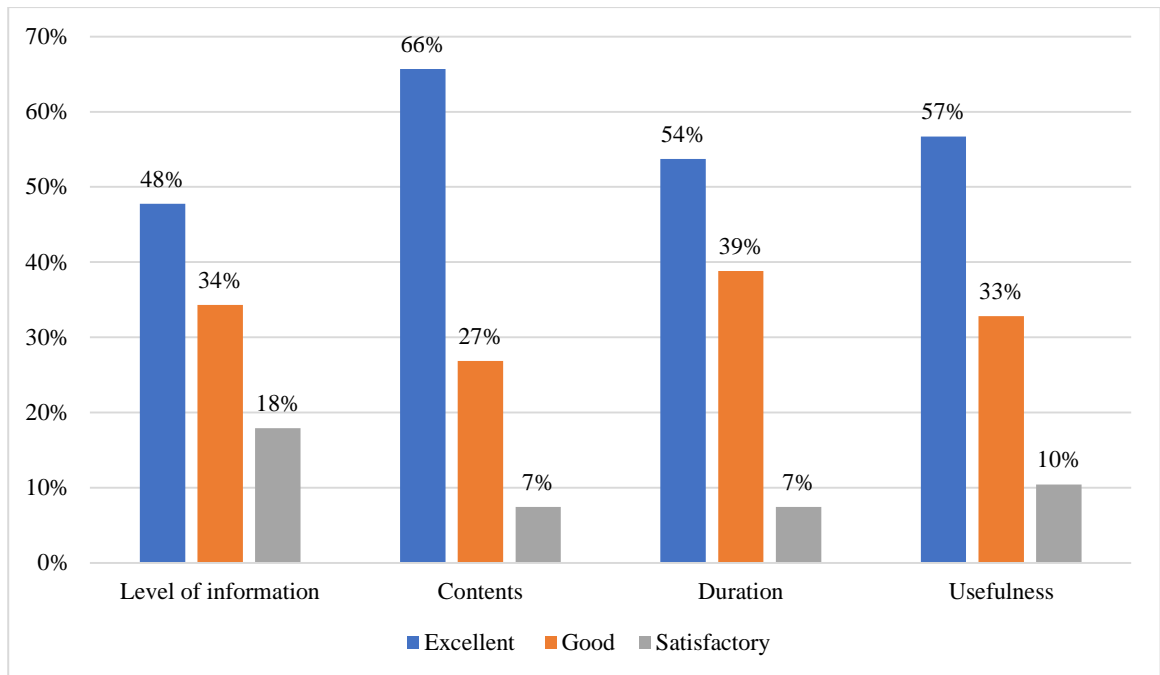

The session was started by with silent prayer followed by Ms. Martina Jiby of 1st Msc Psychology who delivered the welcome address and gave an introduction about the chief guest. Ms. Nithya Achuthan, Founder & CEO of Attigo Projects. Followed by KJIC President Dr. A. Muruganantham, IIC given the brief introduction about the program. Ms. Nithya Achuthan started her session by introducing the concept of lean start-up and minimum viable product and its application in business. She gave very crucial information about the importance and nature of lean start-ups with practical examples pertaining to her company. Also, explained that lean start-ups importance for providing various solutions for the problems faced by the organizations. She specified that all good inventions in the world are formed as an after effect of lean start-ups as a primary focus. All these stages were explained about the lean start-ups and a perfect solution for the problem in an organization. She made the session more interesting by adding some suitable real-life examples of her own company, in all these examples students were able to understand how a problem is managed in the organization. Her explanation for creative thinking and Critical thinking made all the participants to realize that it was an effective tool for innovation and start-ups development.

Students got the knowledge on how to lean start up into the business world and how to achieve a growth in product-based industry; the session was very helpful for the student to enhance information of product-based startup. The session was really informative, thoughtful and inspiring. All the students actively participated in the discussion and asked questions, the event President Dr. A. Muruganantham, IIC concluded the session. Ms. Martina Siby, student of I year M.Sc. Psychology addressed the formal vote of thanks. The session finally ended with a photograph session.

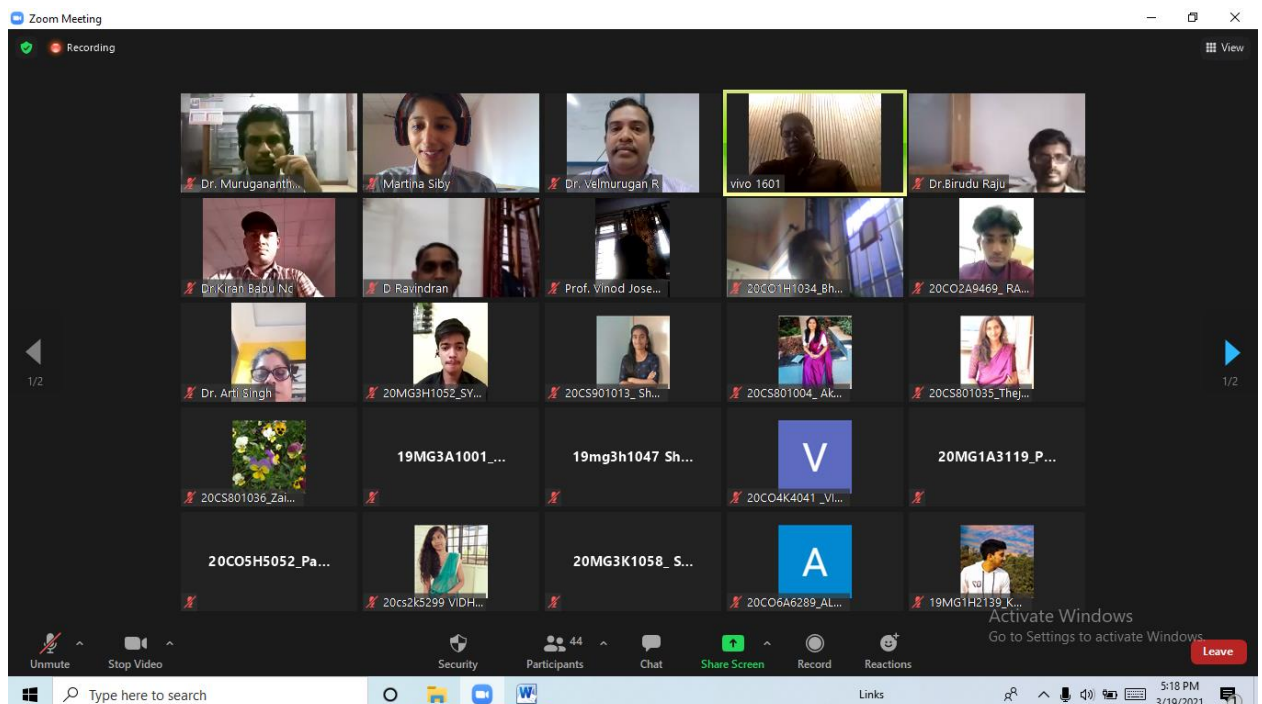

Learning outcome: Students got the knowledge on how to lean start up into the business world and how to achieve a growth in product-based industry, the session was very helpful for the student to enhance information of product-based startup.

SKILLEIT GAME BASED ENTREPRENEURSHIP SESSION ON VALIDATE YOUR STARTUP IDEA

Date: 11th December 2020

Time: 4:30 p.m.

Number of beneficiaries: 49 Students

List of Resource Persons with details:

- Mr. Kunnwar Vijay Parmar Founder and CEO, Skillet, Haryana and
- Ms. Ritu Srivastava, Co-Founder, Skilleit, Haryana

Objective: To generate viable business ideas, fund and launch the idea and provide necessary support and assistance to the students during the process by giving them assistance from entrepreneurial mentors.

Brief write up on the session:

The resource person of the session Ms. Kunnwar Vijay Parmar Founder and CEO, Skillet and Ms. Ritu Srivastava Co-Founder, Skilleit gave the students a brief idea about the incubation centre, its objectives and the various activities which would be conducted.

The activities taken up today were formation, preliminary cluster discussion, and opportunity research and idea generation. Sir explained all the phases to the students and ensured them that they'll get the required support, guidance, and resources from the center and if required, external mentors and resources will also be provided to them. The students were divided into groups of similar interest known as pods. Seven pods namely, food, tourism, scrap management, fashion, technology, marketing and event management were created. With the formation of these clusters the students who have similar interest can work together and share their ideas and responsibilities.

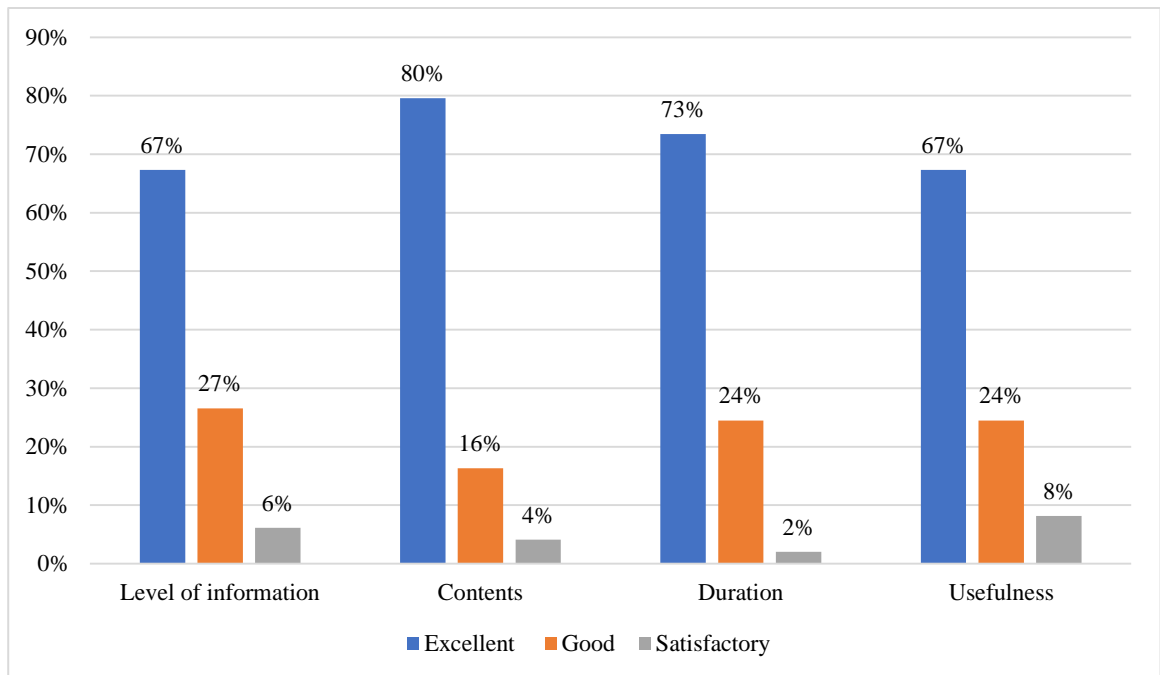

An activity based on brainstorming and creative discipline was conducted. Each cluster was provided with a chart paper and a box of colorful pens and colors. The students were asked to jot down their ideas and discuss it with their fellow pod members. It was a most inspiring session to inbuilt students' idea for startups

Learning Outcome:

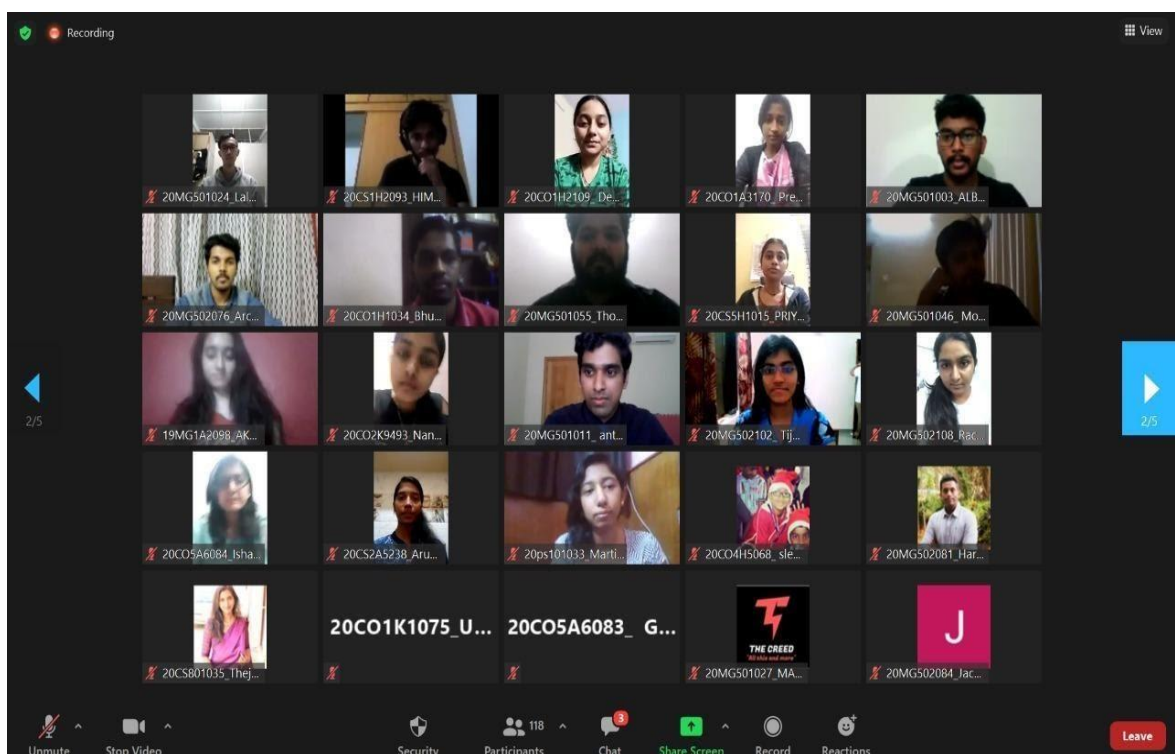

Students were able to develop skill of innovation could direct one business to reach its target and to bring out the innovative idea. It helped the students to brainstorm on their idea and clarify their various doubts from the resource person.

ORIENTATION SESSION ON NATIONAL EDUCATION POLICY (FOCUS ON INNOVATION AND ENTREPRENEURSHIP)

Date: 30th November 2020

Number of beneficiaries: 434 students and faculty members

Name and Details of the Resource Person: Prof. Manoj Kumar, Professor & Chief Coordinator, New Gen IDEC, GLA University, Mathura, Uttar Pradesh

Objective: To help the students to understand National Education Policy (Focus on Innovation and Entrepreneurship)

Brief write up on the session:

Institution's Innovation Council (IIC) Kristu Jayanti College organized Orientation session on National Education Policy, focused on innovation and entrepreneurship. Prof. Manoj Kumar, Professor and Chief Coordinator, NewGen IDEC GLA University, Mathura, Uttar Pradesh played an instrumental role in establishing one prototype tricycle called NewGen IDEC on November 30, 2020.

Prof. Manoj opined that higher education must form the basis for knowledge creation and innovation thereby contributing to a growing national economy. He also highlighted the emphasis on STEM which stands for Science, Technology, Engineering, and Mathematics. One should integrate all of these defined technologies and generate some kind of innovation, he said.

Prof. Manoj Kumar steered the topic with the quote "Inspire others rather than wait to be inspired". This National Educational Policy 2020 is the first education policy of the 21st century and it aims to address the many growing developmental imperatives of our country. It is very relevant because the government has identified four topics such as primary education, higher education, the third phase is another related focus area, the fourth part they have defined policy implementation.

The NEP policy is aligned with the aspirational goals of 21st-century education including SDG4 (Sustainable Development Group 4) while building upon India's traditional and value systems. By 2040 SDG4 had defined that all education policy would be close and collaborate whether it is art subject, science, technology, innovation, or entrepreneurship, said Prof. Manoj.

The principles that will guide both the education system at large as well as the individual institution within it are recognizing, identifying, and fostering the unique capabilities of each student, emphasis on conceptual understanding rather than rote learning and learning for exams, creativity, and critical thinking to encourage logical decision making and innovation, he said.

Prof. Manoj emphasized on a 'Light but Tight', which means not to give too much stress to students, therefore it is defined as a regulatory framework to ensure integrity and transparency and resource efficiency of the educational system through audit and public disclosure while encouraging innovation and out of the box ideas through autonomy, good governance, and empowerment. He also gave an impetus about teacher's flexibility. Teachers will be given continuous opportunities for self-improvement and to learn the latest innovations and advances in the professions under Continuous Professional Development (CPD). If the teachers are not able to

disseminate the new things, the innovation process is not going to be increased or fruitful, he commented.

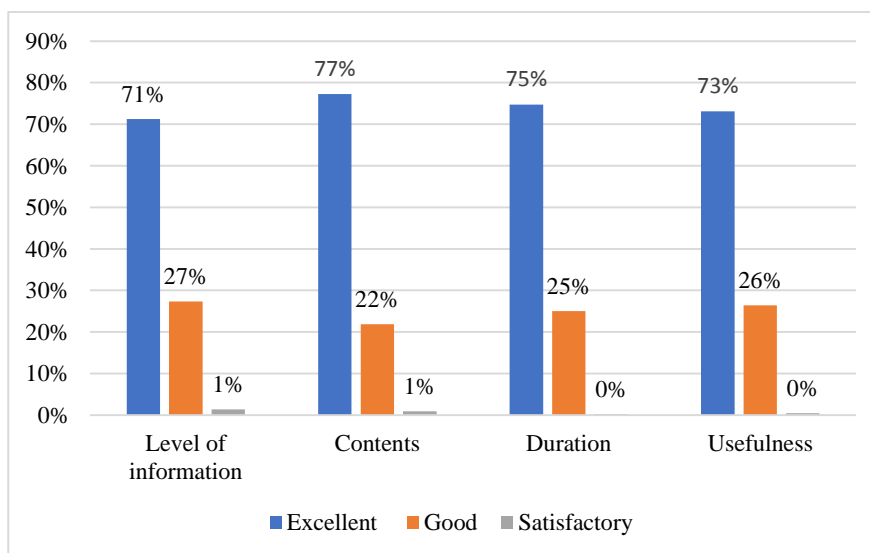

The orientation on NEP National Education Policy focused on innovation and entrepreneurship ended with a question and answer session.

Learning Outcome:

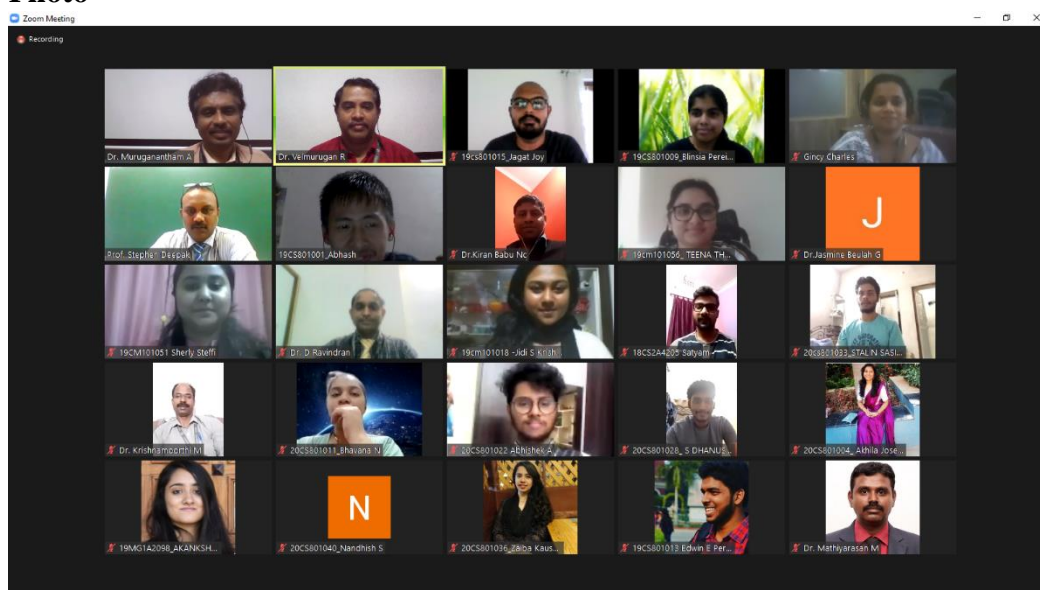

Students gained the Knowledge and Information on National Education Policy which was mainly focused on Innovation and Entrepreneurship.

REPORT

VIRTUAL SESSION ON MOTIVATION FOR BUDDING ENTREPRENEUR BY SUCCESSFUL STARTUP FOUNDER

Date: 28th November 2020

Number of beneficiaries: 135 students and faculty members

Name and Details of the Resource Person: Mr. Girish Batra, Co-Founder, Jump Strat Business Consulting, Bengaluru

Objective: To help the students to understand how to effectively deliver business pitch and turn our ideas into business.

Brief write up on the session:

The session started by a Silent Prayer followed by the Welcoming of Resource Person -Mr. Girish Batra .He is a high energy leadership coach, mentor, and advisor to entrepreneurs. In his 25 years of corporate experience prior to his current roles, he acquired expertise in the areas of Product Management, Business Development, and Team Building where he led teams to deliver sustainable growth with MNCs and Indian companies. Girish was also the co-founder of an innovative start-up in real estate. He is a trained Design Thinking practitioner. He speaks at various leadership forums and prestigious B-schools. He shares his leadership experiences in his book 'Experiments in Leadership'. Girish is a volunteer for livingmypromise.org supporting its development and growth in India. He also engages with various NGOs to support them for different social causes. He has done his BE(Honors) in Electronics from Fr CRCE, Mumbai University and MMS(Marketing) from NMIMS, Mumbai.

Mr. Girish Batra thanked the Management Department of Kristu Jayanti College, Bengaluru for conducting such sessions. Questions were welcomed from all the Departments. Students from Computer Science Department, MBA Department, BBA Department, BCA Department and all other Department and their Questions were answered by the Resource Person. Students were actively participating and asked many questions related to Entrepreneurship Journey. The Budding Entrepreneurs got much information from the Resource Person for this Journey. He talked about many Entrepreneurs too and he said "The normal may never come back" due to this Covid-19. Few questions asked by the Students –As a single person, or a sole proprietor how to manage Cash Flow of the business, precisely, to manage the shortage in cash flow? How to convince the investors in point of view of a person who is not a good speaker? How to improve communication in business terms? How to bring out the best and the most out of employees? How to manage time? How important is it to take risk while prioritizing the work in an order? What is the Mentality one entrepreneur should have when going through a crisis? How to maintain stability in maintaining company value? Does your company help the community where it is located? If you had one piece of advice to someone just starting out, what would it be? At the end of this, Mr Girish Batra congratulated all the Participants for joining this Session.

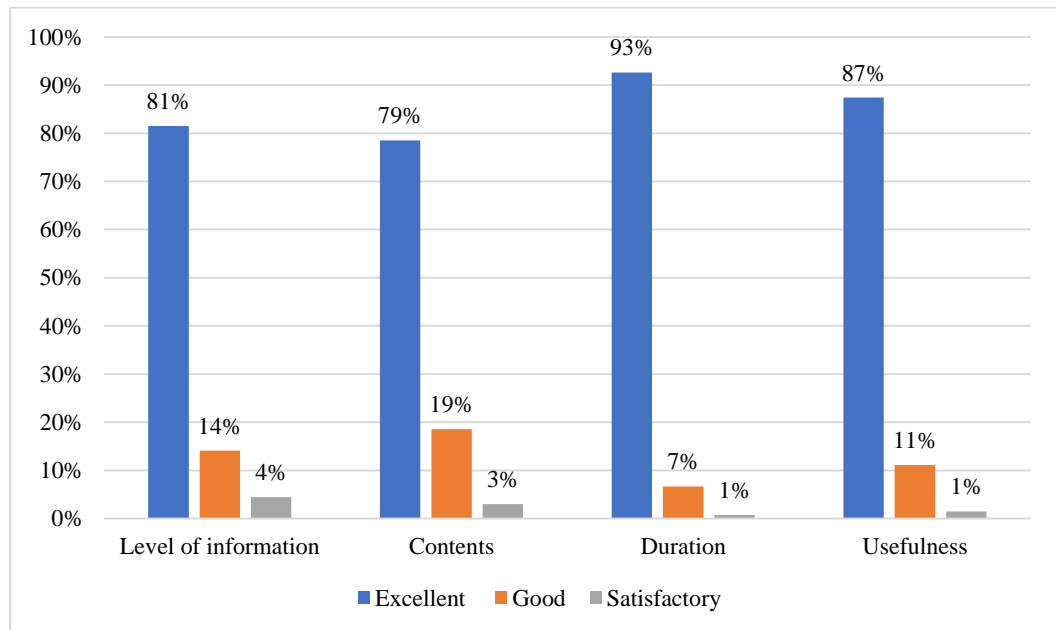

The participants indeed felt the programme was very useful, and could able to clarify their queries with the resource person and motivated many of them to cluster their ideas.

Learning Outcome:

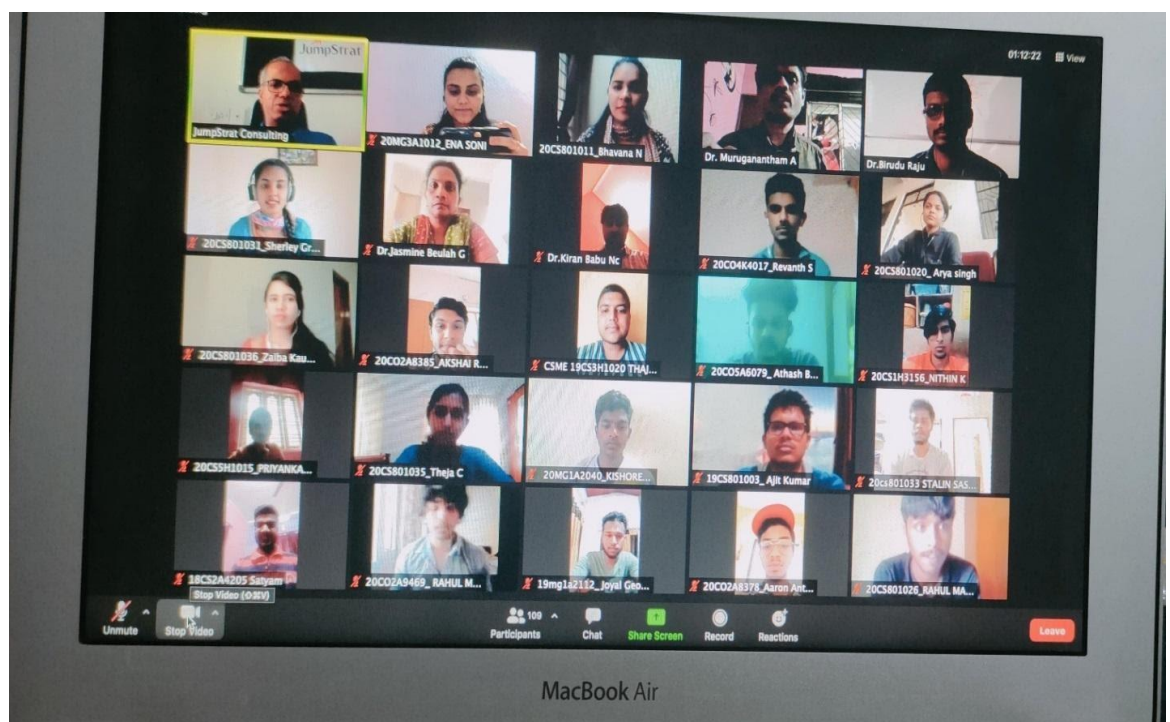

Students gained the knowledge and Information on the sharing of experience by Resource person which could motivate students to come forward with their startup plans.

SESSION ON HOW TO PITCH AN IDEA?

Date: 23rd November, 2020

Number of beneficiaries: 128 students and faculty members from B.Com., B.B.A., B.A. & B.Sc. Departments.

Name and details of the Resource Person: Mr. Thaneshwar Singh is the founder of iEntra Business Solutions Private Limited, Bangalore. He facilitates in selling an entrepreneur's passion, vision and start-up to right Investors in order to build a stronger start-up ecosystem for a better world.

Objective: To help the students to understand how to effectively deliver business pitch and turn our ideas into business

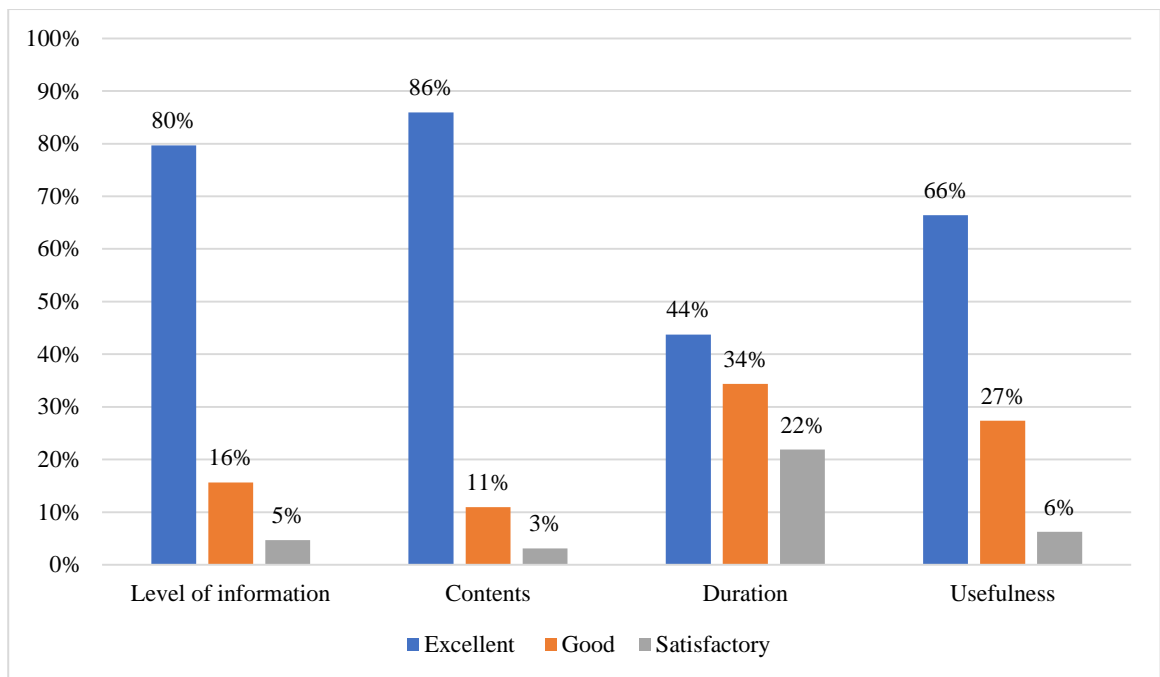

Brief write up on the session: The one-day workshop on "How to Pitch an Idea" was organized by entrepreneurship and innovation center in association with Kristu Jayanti Incubation Centre. In the beginning of the session he encouraged the students towards becoming an entrepreneur by telling them about what entrepreneurship was and what the opportunities in entrepreneurship were. He then explained students about what are the major factors before entering into the corporate world and way to incorporate idea into business. He then gave an insightful way to create and deliver pitch by incorporating factors such as Purpose, plan, problems, ideas, need, business model, competitors and financial projections.

A round of questionnaire took place where he answered general questions and doubts of students related to the topic. Following which he delivered precise presentation on financial planning, feasibility of business and exist strategies for the business to give better understanding of the topic to students.

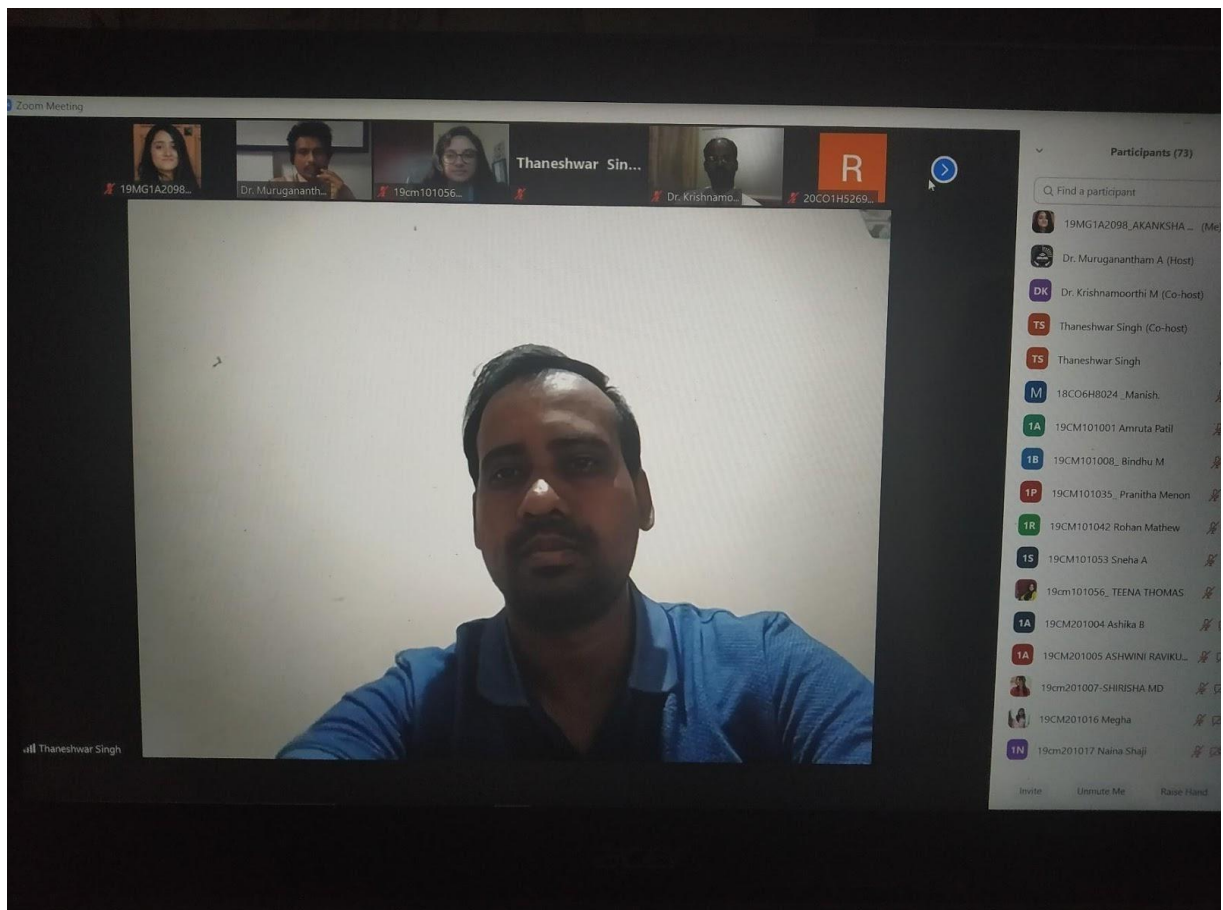

Learning outcome: Students gained the knowledge and Information how to bring out the ideas and how to analyze it with the proper knowledge of threats and opportunities.

MY STORY: HEAR FROM AN ENTREPRENEUR

Date: 6th November 2020

Number of beneficiaries: 248 students and faculty members

Name and Details of Resource Person: Mr. Nirmal George, Head of Operations, BuildNext, Kochi

Objective: My story - Motivational Session by Successful Innovators is a part of the quarter-1 activities of the IIC for the current academic year. The intent of the virtual webinar was to provide an opportunity to aspiring young entrepreneurs to listen to people who have already taken the entrepreneurial route successfully

Brief write up on the session:

Ministry of Education, Govt. of India has established its 'Innovation Cell' at All India Council for Technical Education with a purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. IIC (Institution's Innovation Councils) are set up in higher education institutions to execute the mandate of the Innovation Cell. IIC at Kristu Jayanti was established in the academic year 2018-2019. The council organises a series of events with the aim of motivating students to innovate and transform innovations to start-ups.

As part of the quarter-1 activities of the current academic year the KJIC conducted a motivational session dubbed as My Story: Hear From and Entrepreneur. The resource person for the event was Mr. Nirmal George, Head of Operations, BuildNext, Ernakulam, Kerala. Mr. Nirmal George finished his B. Tech in Electronics from National Institute of Technology, Calicut. He served as an engineer at Hindustan Aeronautics Ltd. for three years before enrolling for a PG diploma in Management at the Indian Institute of Management, Bangalore. During his tenure at the IIM he was trained at the NEOMA business school, France as part of a student exchange programme. Immediately after Graduating from the IIM he was offered the position of a summer intern at Amazon. Driven by strong entrepreneurial instincts Mr. Nirmal along with his friends launched the start-up called BuildNext, an IT enabled construction firm, that utilizes the possibility of information technology in designing and constructing buildings.

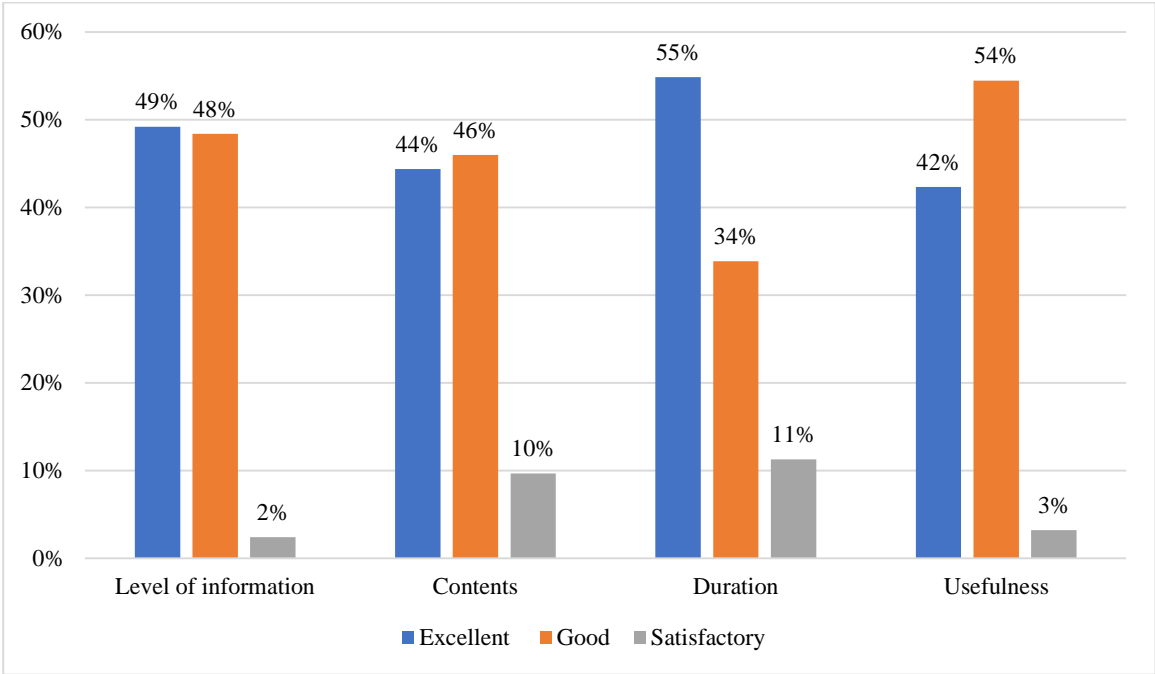

During his highly motivating talk, Mr. Nirmal spoke about the mandate of his organization, the reasons behind his choice of being an entrepreneur rather than taking up a regular job, and the key skills required for someone to embark on a similar journey. He used real life instances to support his arguments based on his experience at BuildNext which made the session lively and interesting. Mr. Nirmal was patient enough to answer the questions raised by the participants and was gracious enough to share some practical tips to start a start-up venture

Learning Outcome:

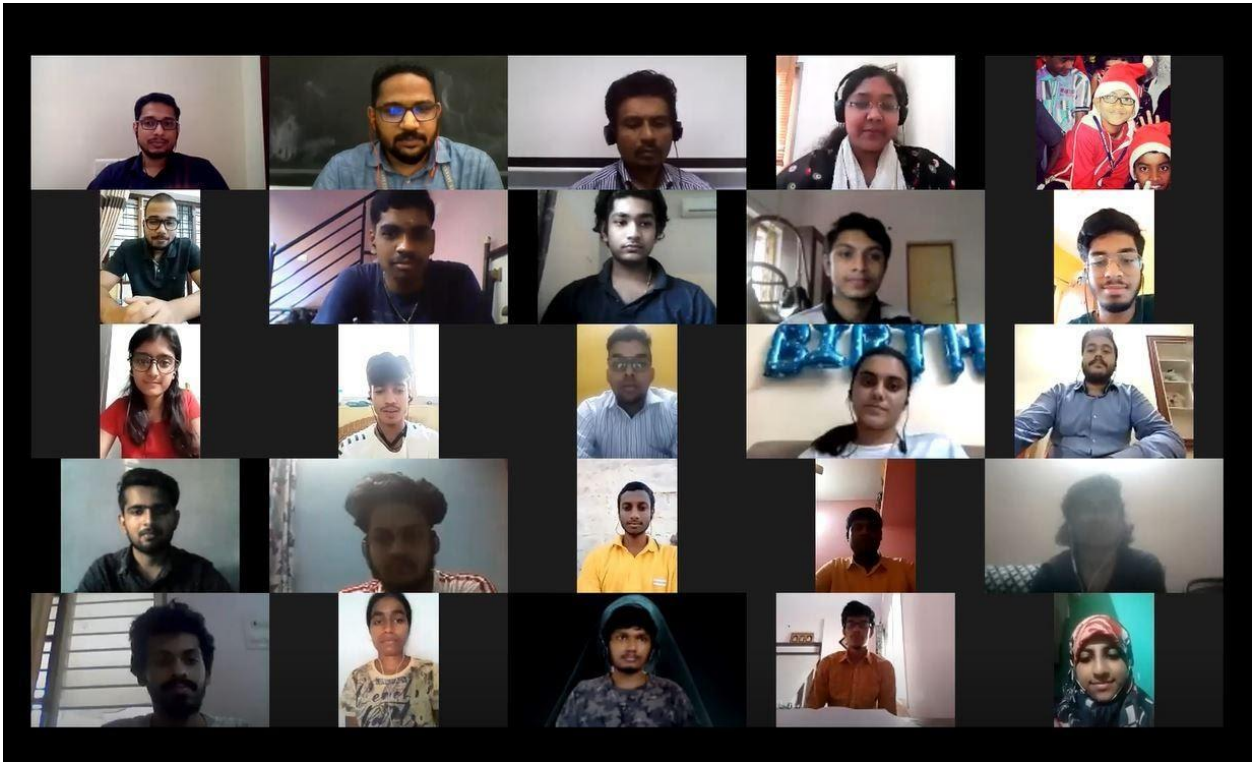

Students gained the knowledge about how to motivate oneself to startup a company and Students were able to clarify various queries with the resource person regarding startups and current threads of business.

REPORT

ENTREPRENEURSHIP AND INNOVATION AS CAREER OPPORTUNITY

Date: 29th October 2020

Time: 4:30 p.m.

Number of beneficiaries: 154 UG and PG students as well as faculty members

Name and Details of Resource Persons:

- Mr. V S Sashikumar – Creative Director, Praanha Marcomm Solutions, Chennai and
- Ms. Surabhi Shivamath – Founder, Chewda.com, Bangalore

Objective: To make a decision on becoming an entrepreneur or not

Brief write up on the session:

Institution and Innovation Council of KJC conducted a workshop on Entrepreneurship and Innovation as a career opportunity on the 29th of October 2020 for all the UG and PG IIC student representatives from the department. Mr. VS Shashikumar and Ms. Surabhi Shivamath were invited as the resource person for the event.

Mr. VS Shashikumar started off by breaking out the truth and reality of the minds of different people aspiring to become entrepreneurs, sir was very practical oriented person and listed out the barriers and difficulties faced by people who want to start a business in the past as well as in the current scenario. Sir provided the gathering with some of the ways and methods to overcome common barriers to entry of market and business by providing examples of real-life business and helped us in understanding the role of technologies in all the aspects of business. Sir concluded by saying that, no matter what our background is; innovation mixed with our creativity will give us success.

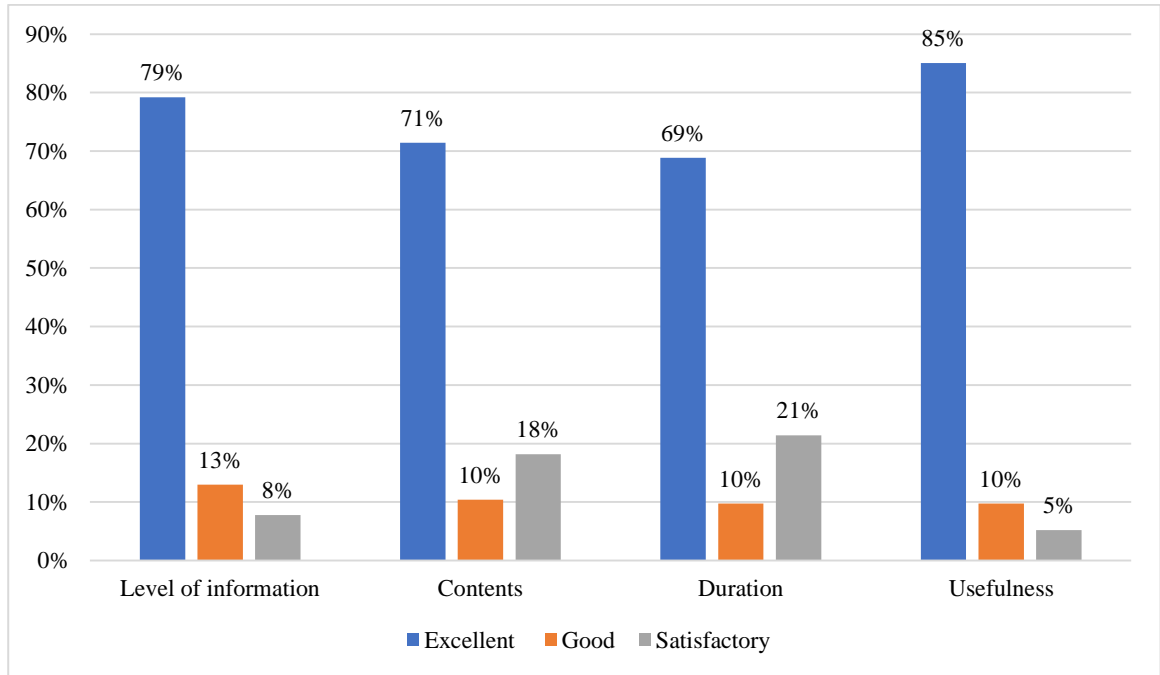

“Choose a job that you love, and then you will never have to work a day in your life”. Ms. Surabhi Shivamath would be the perfect example for this as she started her own company that deals with food and talked about what a student should expect from being independent. She spoke about how a person constantly learns when they start their own business as learning provides a base for constant improvisation, adaption and overcoming difficulties. She also spoke on the various ideas for startup as a student and how to maximize the resources around us, she also emphasized on what determination and dedication can do to the way we think and perform our business activities. She provided the students with a wonderful presentation that covered all aspects on what should we have in our mind before starting a business or stepping into the foundation for the same. She concluded by saying that neither our goods nor are services need to be unique but the way of our thought process to achieve the market goals should be unique. The workshop was a very informative session that provided students with valuable information on entrepreneurial skills and helped them in notching up their scale higher.

Learning Outcome:

Students gain the knowledge on how to motivate oneself in turning innovation into business and gained knowledge on how to tackle the challenges waived on the path of Entrepreneurship.

ORIENTATION ON IIC AND KJIC – PG (MBA)

Date: 28th October 2020

Time: 3:30 p.m.

Number of beneficiaries: 97 MBA I Year Students (2020-2022 Batch)

Name and Details of Resource Persons:

- Dr. Muruganantham A, President, KJIC
- Dr. Velmurugan R, Convenor, KJIC
- Dr. Ravindran D, Innovation Activity Co-ordinator and
- Dr. Bala Sendhil Kumar G– Innovation Ambassador, KJIC

Objective: Aim to provide an overview of the event to be conducted by IIC and to provide knowledge on the opportunities of the Innovation and startups.

Brief About the Event:

Institution and Innovation Council of KJC conducting Orientations on Pre- Incubation and Incubation Management for all the willing students from various departments, on 28th October 2020, virtual orientation programme for the students of School of Management was organized, at 3.30 pm in zoom. The session started with the silent prayer, followed by Dr. Muruganantham A, President, KJIC gave a brief introduction to Innovation Incubation Center Kristu Jayanti College Bangalore. He mentioned the achievements of IIC, Kristu Jayanti college in recent years such as rated 4 stars. He explained the various duties and responsibilities of IIC Student coordinators.

Dr. Velmurugan R, Convener, IIC listed the various activities organized like business plan presentations, E-store, E –Week, workshops, etc through which students were able to develop their entrepreneurial and organizing skills.

Dr. D. Ravindran, Innovation Activity Coordinator, IIC explained about the various innovation-related contests conducted for the student's like Idea Olympics, Innovation contest, Mentorship, Investor's meetups, Start initiatives, etc and the possibility of MBA students to attend and win in numerous programmes to be organized by KJIC at the college, regional and national level.

Dr. G. Bala Senthil Kumar, the IPR activity coordinator, cleared the doubts regarding Innovation, patent, trademark, copyright, etc.

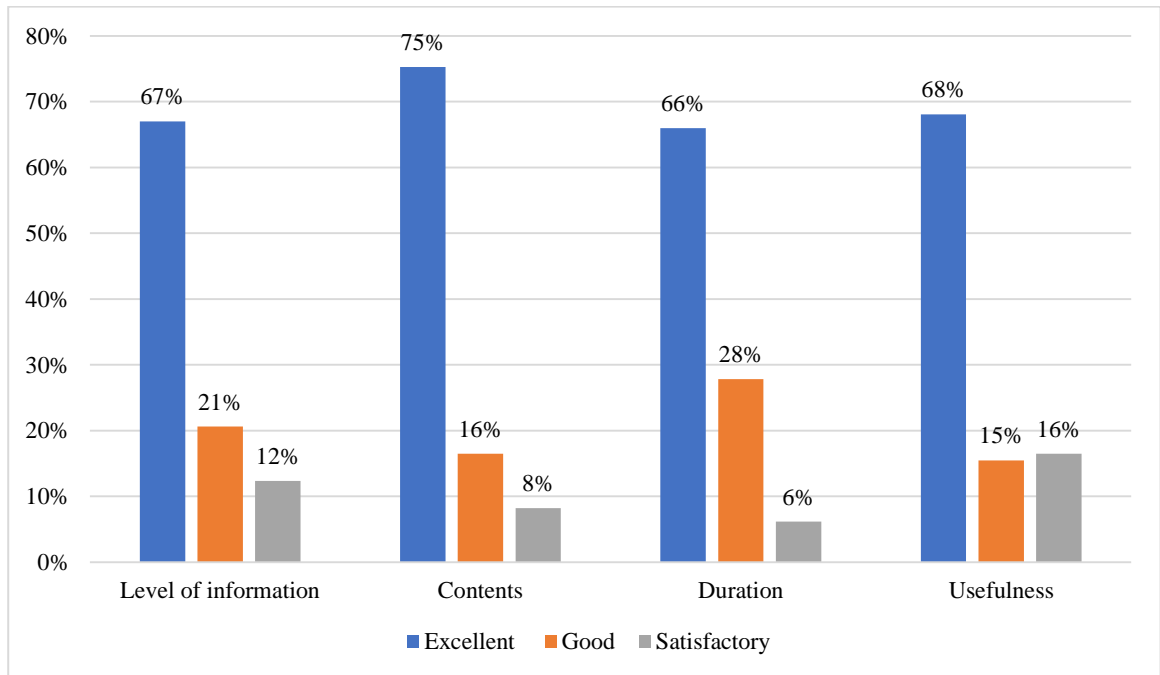

Finally, the winners of Level 4(Prototype)of National Innovation Contest 2020 were informed to the students and the current batch of students was encouraged to take part in IIC activities and empower them in an entrepreneurial career. The students felt the sessions were very useful to them and many expressed their interest to join IIC.

Learning Outcome:

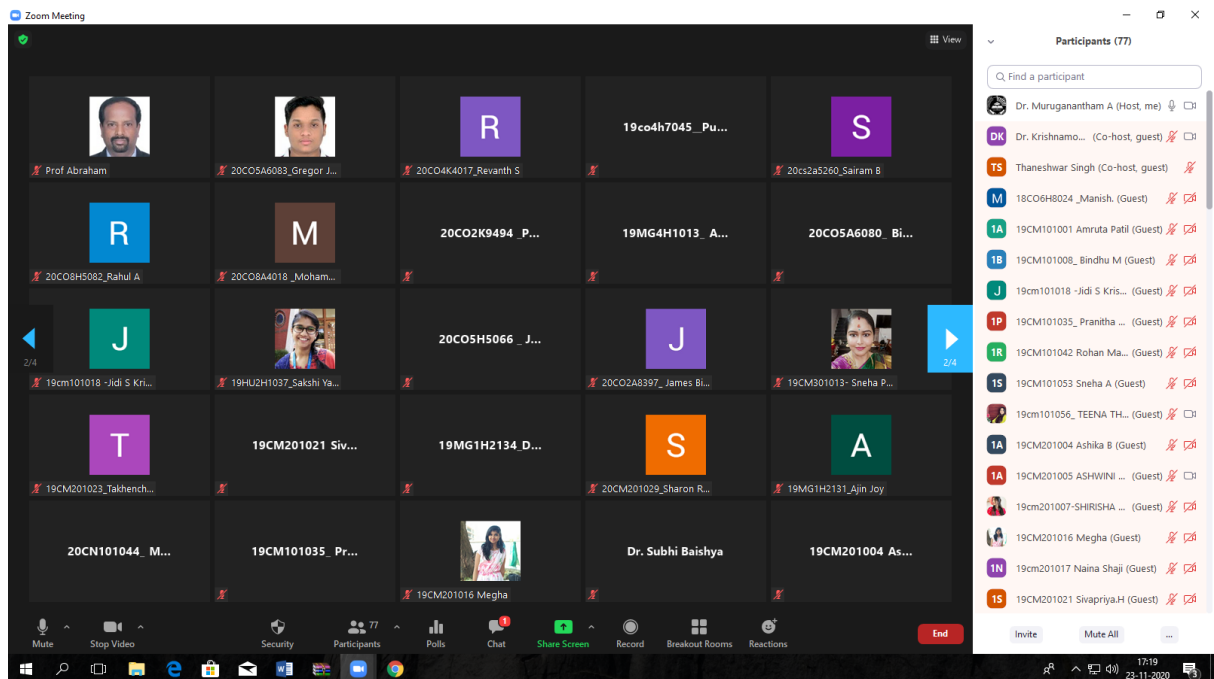

Students gain the knowledge and Information on IIC and KJIC functioning and assistance on startups.

REPORT

ORIENTATION ON PRE-INCUBATION AND INCUBATION MANAGEMENT

Date: 28th October 2020

Time: 4:30 p.m.

Number of beneficiaries: 81 UG & PG students IIC Coordinators

Name and Details of Resource Persons:

- Dr. Muruganantham A, President, KJIC
- Dr. Velmurugan, Convenor, KJIC and
- Dr. Ravindran D – Innovation Ambassadors, IIC

Objective: To provide the Knowledge of how the various activities of IIC need to be conducted and gained information on their role of responsibilities

Brief write up on the session:

The Institution's and Innovation Council of KJC conducted an Orientation on Pre- Incubation and Incubation Management Programme for the entire IIC student Coordinators from various departments. Programme commenced at 4.30 pm.

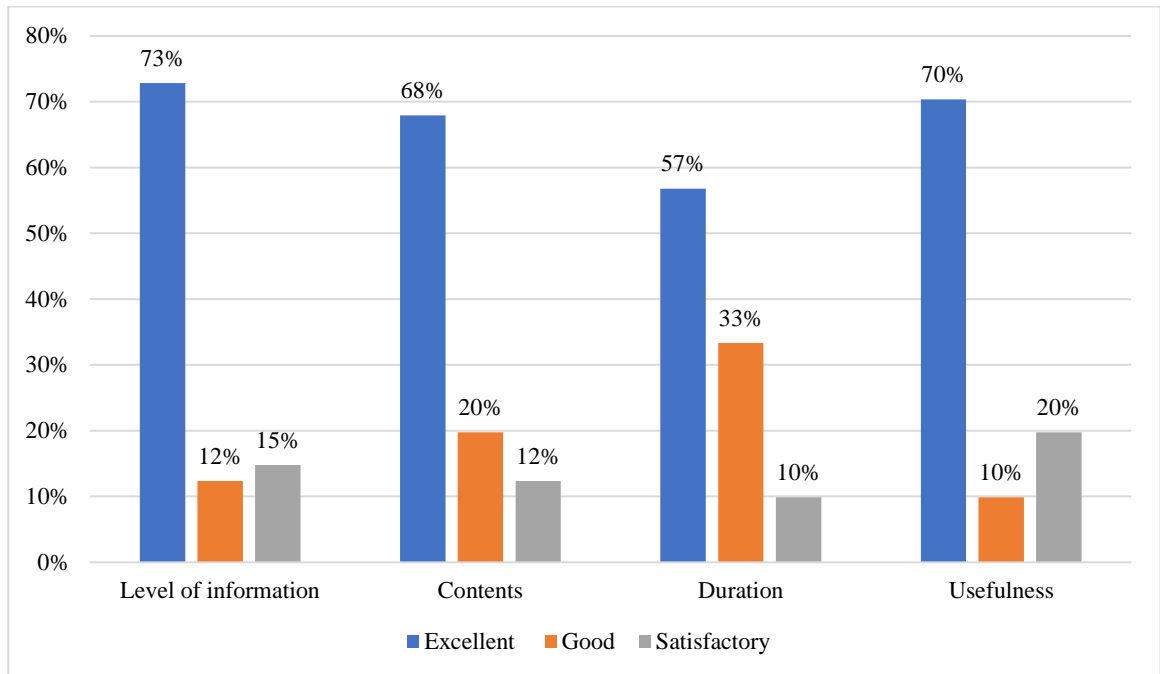

Dr. Muruganantham A, KJIC gave a brief introduction on Innovation Incubation Center Kristu Jayanti College Bangalore. Sir stated that KJIC started in 2017. He mentioned the achievements that college have chased in the recent years Goals achieved such as rated 4 stars which is the maximum and last year college have achieved 4 stars, he mentioned the college is in the target to chase the position in Top 5. He congratulated all the students for being a part of it. He mentioned the various duties and responsibilities of IIC Student coordinators from each department. He introduced various activities conducted by IIC during the Academic year, and gave the importance of attending the meeting with various experts which actually motivated students to gain knowledge. He mentioned activities conducted in both Department Level and College Level and Shared that students will be registered in MHRD once they are the Coordinator and their profile will be shown in the Portal. He shared about many Government Benefits; students will get a Certificate too regarding this. It was an enriching session by the resource person to the students and students clarified their doubts. It was an informative session about the Institution's Innovation Center.

Learning Outcome:

Students Coordinators gain the Knowledge of how the various activities of IIC need to be conducted and gained information on their role of responsibilities.

KRISTU JAYANTI INCUBATION CENTRE (KJIC) MIC (Ministry of Education's Innovation Cell) DRIVEN EVENTS REPORT

ORIENTATION SESSION ON SCHEMES AND PROGRAMS FOR IIC INSTITUTIONS

Date: 1st June, 2021

Number of beneficiaries: 360 IIC Faculty Members and Student Coordinators.

Name and Details of Resource Persons:

- Mr. Dipan Sahu, Asst. Innovation Director, MoE Innovation Cell, New Delhi
- Mr. Pankaj Pandey, Innovation Cell, AICTE, Ministry of Education, New Delhi
- Dr. Elangovan, Asst. Innovation Director, MIC and
- Dr. Pooja Rawat, Innovation Officer, MoE Innovation Cell

Objectives: To know about the IIC various programs and how can a start-up idea of an individual can be assisted by MoE in different ways.

Brief write up on the session:

A Session on "Orientation Session on Schemes and programs for IIC Institutions" was conducted By Ministry of Education, Innovation Cell. Mr. Dipan Sahu, Asst. Innovation Director, MoE Innovation Cell started the session by briefing about different ways to connect with IIC coordinators. He also discussed about the need of IIC and he mentioned the various activities which are being conducted on regular basis. The need to mobilize the resources in order to make maximum students join IIC was also talked upon. He also emphasized about the need to conduct IIC activities on a monthly basis rather than only during the semester breaks. He also stressed upon the fact to measure the interest of students about entrepreneurship so that maximum students can get into IIC. There was a suggestion to integrate Human Resources of the institution, Infrastructure Facility and Institutional Mechanism so that activities under IIC can be done more regularly. He mentioned the achievements of IIC which includes more than 2,500 IIC institutions and more than 12,000 ambassadors are there to promote entrepreneurship. He also informed about the IIC portal where one can find and access every information related to IIC. He further stated about the rewards and recognition in IIC for individuals which includes various incentives.

The session continued with Pankaj Pandey sharing his views on the IIC network and Progress so far. He mentioned about the 10,500+ innovation activities conducted in IIC 3.0. He also mentioned about the activities which includes design and critical thinking, Start-up, Innovation, Research and Development, Incubation and Pre-incubation, etc. He also gave reasons as to why Higher Educational Institutes should establish IIC. He briefed us about the various programs and schemes for IIC Institutions. He also discussed upon the general instructions and guidelines for IIC activity conduct and report submission. Later he briefed about the IIC National Innovation Contest 2020 results where 127 teams have been declared as winners. He discussed about the Innovation Ambassador Training Program for IIC Institutes where there was 29,373 participants and 12,004 trained professionals. In addition to this, he talked about the Impact Lecture Program for IIC Institutes located in Rural, Tier III Cities, Himalayan region including North Eastern States. He briefed us about Mentor- Mentee Scheme where institutions with star rating of 4 during the previous IIC calendar year and above will act as mentor with up to 5 mentee IIC institutes. He briefed us about the objectives, expected outcomes and the eligibility criteria for this scheme.

Dr. Elangovan, Asst. Innovation Director, MIC presented an Orientation on KAPILA (Kalam Program for IP Literacy and Awareness). He gave an Introduction about KAPILA which is about

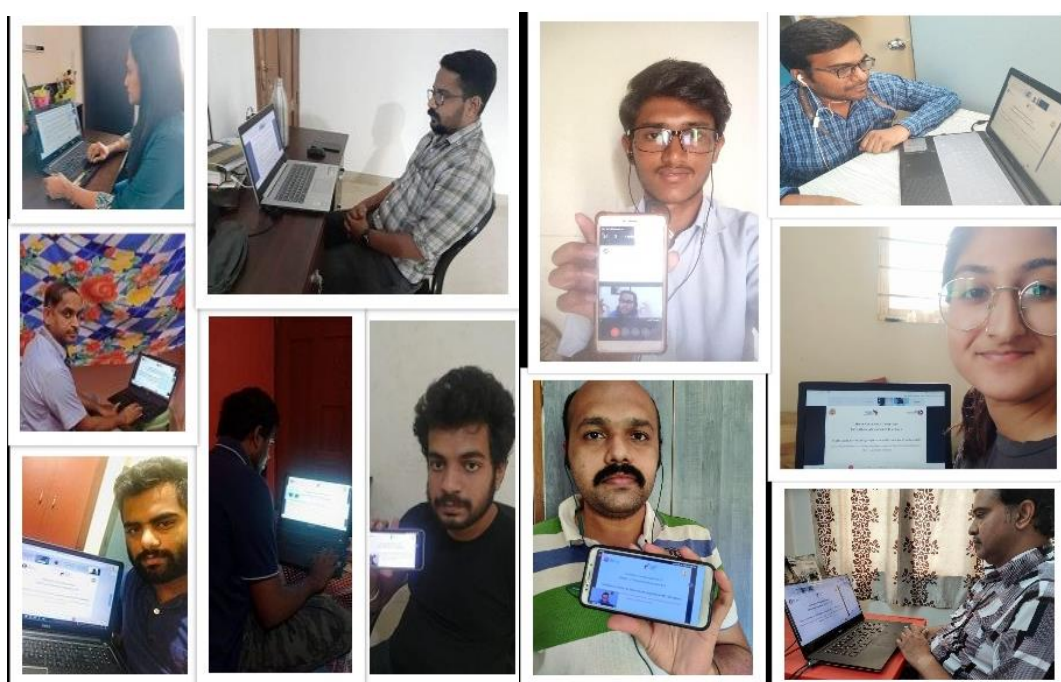

recognising, facilitating and felicitating the Intellectual Property, Innovations, and best practices in HEIs. He also shared the details about the funding assistance for Patent by MIC/AICTE on reimbursement mode. He informed us about the registration process on KAPILA portal.

Dr. Pooja Rawat, Innovation Officer, MoE Innovation Cell briefed us about the NISP Implementation and also informed us about the deadline for Faculty Nomination by HEIs which is 7th June 2021. She talked about YUKTI 2.0 and its Timelines and how it will help the Academic innovator's by providing them mentoring and funding support.

The session was one and half hours long and consisted of a lot of knowledge about IIC program and Schemes. It helped us in knowing about the IIC various programs and how can a start-up idea of an individual can be assisted by MoE in different ways. It also gave us a deep understanding about the guidelines and registration process of IIC different programs and schemes.

Learning outcome: It helped to know about the IIC various programs and how can a start-up idea of an individual can be assisted by MoE in different ways.

Institutions' Innovation Council network & progress

Network of IICs

Year	IICs
2018-19	967 IICs
2019-20	1647 IICs
2020-21	2500+ IICs

Innovation activities

IIC Version	Activities
IIC 1.0	10000+ Activities
IIC 2.0	26500+ Activities
IIC 3.0	10500+ Activities (Q1, Q2, Q3)

Activities

Category	Percentage	Count
OTHER	12%	2500
R&D AND INNOVATION	19%	46500+
STARTUP	32%	0%

IICs in HEIs Ensures:

- Round the year I&E activities in campus
- Maximizing exposure opportunity for Students and faculties to get awareness, information in I&E.
- IIC provides a platform to engage, recognize and reward for involvement in I&E activities
- IIC ensure synchronizing efforts among various departments, mobilizing resources and establish synergy and intensify I&E efforts.
- IIC helps in building in-house human resource capacity to generate, manage I&E and create impact.

KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT SESSION ON WHY IP IS IMPORTANT IN ACADEMIA?

Date: 26th April, 2021

Number of beneficiaries: 30 Students and Faculty Members

Name and Details of Resource Persons:

- Dr. Abhay Jere, Chief Innovation Officer, MoE Innovation Cell, New Delhi and
- Dr. Mohit Gambhir, Innovation Director, MoE Innovation Cell, New Delhi

Objective: To understand how Intellectual Property is important for academics, how to file IP and what are the process involved in filing IP especially in academic field.

Brief write up on the session:

A Session on “why IP is important in academia?” was conducted By MHRD Innovation Cell. The session was about how patents, trademarks and designs hold an importance in our business life. It started with Dr. Abhay Jere sharing his views on the same. He talked about how Indians are lacking behind in converting their ideas into wealth by filing them as an IP. He further stated that the theme for this year's IP day was "IP and SME (Small and Micro industries) and how this theme is very crucial and important for India as this will lead to eradication of unemployment in our country as well. He also talked about the upcoming "Kapila Initiative" launched by the Innovation Cell encourages higher educational institute students to file IPs, it also provides guidance and funding for the same.

The session continued with Dr. Mohit Gambhir sharing his views on the Kapila Initiative and adding up to what Dr. Abhay Jere mentioned earlier. Furthermore, he talked about how institutions and research centres play a key role in pushing students forward into becoming IP holders.

He mentioned numerous case studies that helped us to understand our errors and faults in the field. He made us realize how simple or complicated yet useful innovations have popped up from university research, e.g. chemotherapy, seat belts, the internet, etc. He also talked about the total license revenue generated from these IPs. The highest from these was of the anti-epileptic drug having the revenue of 1.3 Billion dollars in total. Institutes and Professors play a vital role in pushing the students forward in creating something, he mentioned how they deserve the credit as they organize such opportunities for the students. He emphasized on how India has all the resources required for it to become a better country, and for it to eradicate unemployment, all we need to do is to connect the resources into a flowing ecosystem, and that will end up in ultimately benefiting all of us. Lastly, he mentioned how the generation of IPs can be done in the institutions through teaching and research and where are we going wrong in this process.

The session was one hour long and consisted of a lot of fascinating knowledge. It helped the viewers to understand how it is not that tough to create IPs and to protect our ideas and perhaps, it is a necessity for development. It also helped us to understand how this will lead us to a better future as individuals and as a country.

Learning outcome: The participants understood why Intellectual Property is important for academics, how to file IP and what are the process involved in filing IP especially in academic field.

Number of beneficiaries: 30 Students and Faculty Members

Name and Details of Resource Persons:

- Dr. Anand Desphande, Founder Chairman and Managing Director, Persistent Systems, New Delhi
- Prof. Anil D Sahashrabudhe, Chairman, AICTE, New Delhi

Objective: To convert research into reality

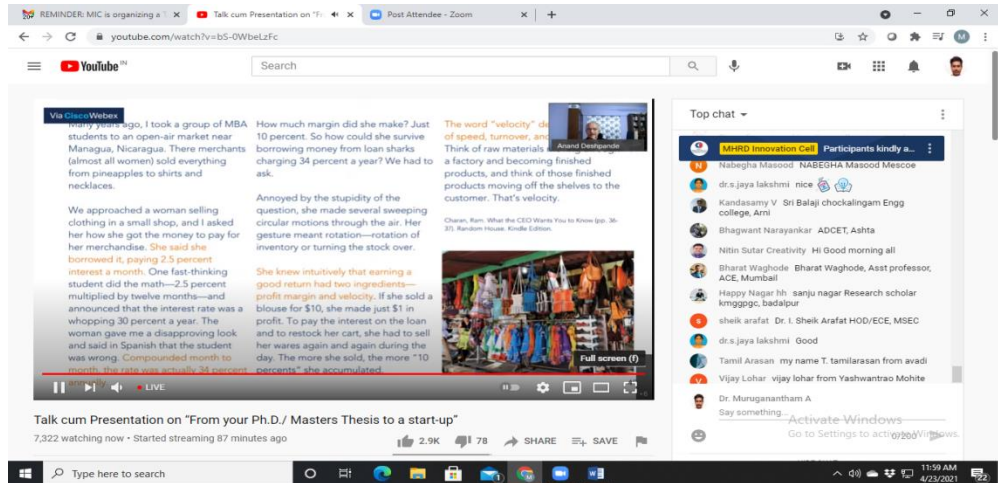

Brief write up on the session:

A Session on “PhD/Master Thesis to a Start-Up” was conducted By MHRD Innovation Cell. It dealt on topics like Idea Valuation, Team Building, Cash Generation. It gave an insight on how a PhD student can also start-up a company. Even though a PhD may be a solo project, entrepreneurship is about teamwork.

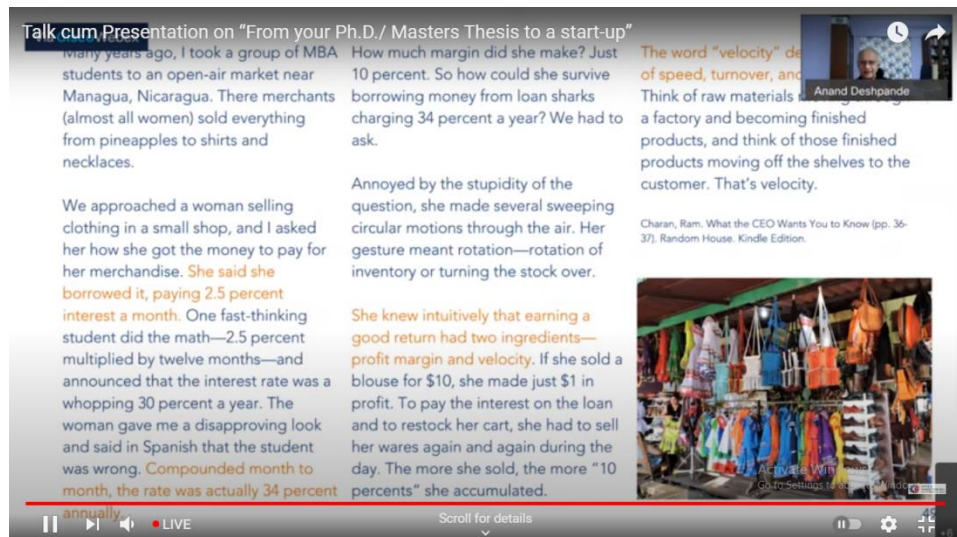

The participants felt that the session encouraged students to think out of box and start-up new companies. The session gives students confidence in start-up.

Learning outcome: Students and faculty members understood the process of how to transform from master degree to dream to start their own startup venture.

KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT INNOVATION DAY CONTEST 2020

Date: 15th October 2020 to 18th October 2020

Number of beneficiaries: 81 students and faculty members

Name and Details of Resource Persons:

- Dr. Muruganantham A, President, KJIC
- Dr. R. Velmurugan, Convenor, KJIC,
- Dr. Stephen Deepak– Innovation Ambassador, KJIC and
- Dr. D. Ravindran– Innovation Ambassador, KJIC

Objective: To search talents that has an innovative mind

Brief write up on the session:

Kristu Jayanti Incubation Centre (KJIC), Institution's Innovation Council (IIC), Kristu Jayanti College organized Innovation Day Contest 2020 from 15th to 18th October 2020, (concurrent with the grand celebration of Dr. A. P. J Abdul Kalam).

The contest was open to all the students of Kristu Jayanti College. Winners of the contest were given with certificate – “Best Innovative Idea”. The participant was informed to select one of the themes of preference, state the important problem identified in the theme and the description of an Innovative solution for the identified problem is to be submitted with a maximum of 100 words. All the submission of ideas were accepted through an online form (google form). Only one submission was allowed per participant.

Contest Themes:

Stay Safe, Go Green, E-Learning, Save Water, Food for All, Zero Waste, Empower Women, Grow Rural, Self-Reliance and Smart India.

The event was Co-ordinated by Dr. D. Ravindran, Assistant Professor, School of Management, Innovation Activity Coordinator, Kristu Jayanti Incubation Centre (KJIC), and supported by Dr. Muruganantham A, Associate Professor, Department of Computer Science (PG), President, Kristu Jayanti Incubation Centre (KJIC) with all IIC faculty members and motivated by faculty members of all the departments.

Learning Outcome:

To bring out the innovative idea from the students outcome of this contest they got the platform to showcase their talents.

KRISTU JAYANTI INCUBATION CENTRE (KJIC) REPORT

ORIENTATION CUM TRAINING ONLINE SESSION ON NISP IMPLEMENTATION

Date: 21st August 2020

Time: 3:00 PM – 5:00 PM

Number of Beneficiaries: 1

Name and details of the Resource Person: Dr. Abhay Jere, Chief Innovation Officer, Innovation Cell, MHRD, New Delhi

Objective: To provide the insight about how to frame and implement the National Innovation and Startup Policy in higher education institute.

Brief write up on the session:

The session started by Dr. Abhay Jere briefing about what is national innovation startup policy and how to implement in higher education institution, formation of committee and members of the committee to be part of the institute level startup policy.

Learning Outcome:

Learned about how to evaluate the progress and impact of policy by setting up Key Performance Indicators (KPIs) for the Innovation cum Startup policy implementation at HEI level

Photos

The screenshot displays a YouTube video player for a session titled "Session 2: Innovation and Start up Policy Implementation Strategy and Progress Monitoring at HEI level". The video is part of the "NISP Training Session 2: Policy Implementation Strategy and Progress Monitoring" series. The main content area shows a presentation slide with the heading "Topics to be Covered:" and a list of bullet points: "What are the methods for the Innovation & Startup policy implementation?", "How to establish a framework for the policy implementation at HEI level?", "How to evaluate the progress and impact of policy by setting up KPIs?", and "Task Sheet: To do list for Implementation". The video player interface includes a top chat replay section with various user comments and a bottom taskbar showing open files like "participants_91810...csv" and "breakout_room_te...csv".

The screenshot displays a YouTube video player interface. The main video content is a presentation slide titled "Strategic Measures at the University/ Institute Level". The slide features a blue header with the text "Via Cisco Webex" and "the methods for Innovation & Startup policy implementation". Below the header is a blue box with the title "Strategic Measures at the University/ Institute Level". The main body of the slide contains a pyramid diagram with four levels, each in a white box with an orange border. The levels, from top to bottom, are: "Formulation of the institute's innovation and start up policy and action plan in spirit of NISP", "Development of an Entrepreneurial and Financial Strategy for the institute", "Local ecosystem development along with Institution's innovation ecosystem", and "International partnerships including exchange programs, internships". The video player shows a progress bar at 27:43 / 1:45:40. Below the video, the title "NISP Training Session 2: Policy Implementation Strategy and Progress Monitoring" is visible, along with 1,856 views and the text "Streamed live on Aug 21, 2020". The right sidebar shows a "Top chat replay" with messages from users like Balaji Vidyapeeth, Rev. lion arun singh jha, Kunal Bhavsar, Murugan Karunanthi, Podaralla Nandakumar, MITACE Entrepreneurial Development Foundation, sahaya selvi, Raviraj P, Manish Arora, Nanda NPS, ravi2klins, and swati ringe.

ARIIA 2020 AWARD CEREMONY

Date: 18th August 2020

Time: 11:00 A.M. – 12:30 P.M.

Number of Beneficiaries: 6 faculty members

Name and details of the Resource Person: Dr. Venkaiah Naidu, Honorable Vice President of India

Objective: ARIIA aims at setting direction for institutions for future development for making them globally competitive and in forefront of innovation.

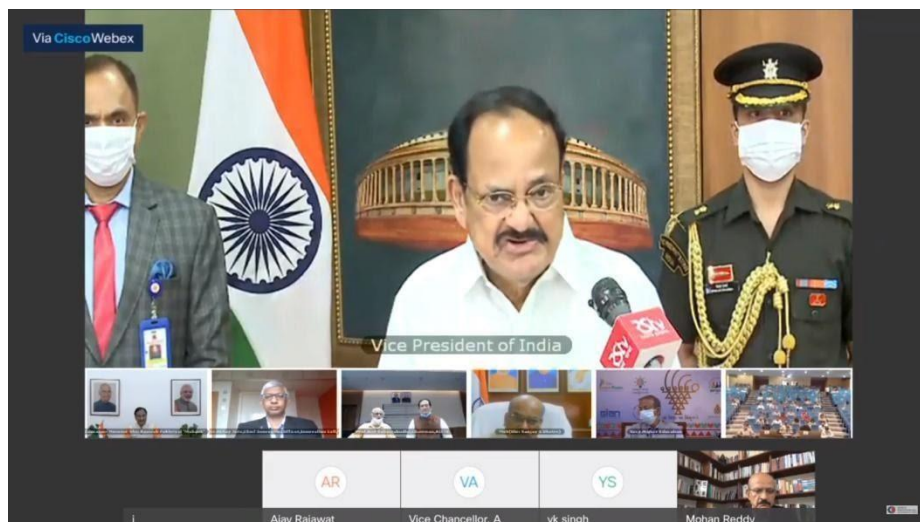

Brief write up on the session:

Ministry of Education, Govt. of India has initiated 'Atal Ranking of Institutions on Innovation Achievements (ARIIA)' to systematically rank education institutions and universities primarily on innovation related indicators. ARIIA considers all major indicators which are commonly used globally to rank most innovative education institutions/ universities in the world. The award ceremony welcome address and details of the event given by Prof. Anil Sahasrabudhe, Chairman, AICTE and then our Honorable vice president announced the ARIIA results of top ranked institutions in the country.
