

Course in basic life support

The Hindu Bureau
BENGALURU

Kristu Jayanti College in collaboration with Bangalore Baptist Hospital on Friday, launched a certificate course in Basic Life Support. The programme, titled the "15k CPR Training Initiative," aims to equip 15,000 students and staff with life-saving skills." Principal Augustine George, in his presidential address, highlighted the significance of this initiative in fostering responsible and well-informed citizens. Dr. Spurgeon, Director (CEO) of BBH, in his inaugural address said, "Together we can do anything" urging community engagement and awareness of life-saving skills.
