Kristu Jayanti College hosts Bengaluru North University's Taekwondo Tournament and Selection Trials

Kristu Jayanti College, Autonomous, Bengaluru, in collaboration with Bengaluru North University, hosted the Taekwondo Intercollegiate Tournament and Selection Trials for both men and women, with enthusiastic participation from colleges around the university. The event not only celebrated athletic prowess, but also served as a critical step in identifying top talent for future university-level championships. The competition, organized by KJC's Centre for Physical Education and Fitness, included athletes from other universities competing for top honors and slots in the selection trials. The gathering emphasized the importance of athletics in instilling discipline, fitness, and resilience in pupils, a message shared by the dignitaries present. Fr. Dr. Lijo P. Thomas, VP, KJC, Autonomous, in his inaugural address, emphasized the importance of sports in character development and student well-being. Dr. Srikanth, Director of Physical Education at Bengaluru North University, lauded the host institution, noting that "KJC's world-class facilities and supportive environment have consistently contributed to the success of intercollegiate tournaments." The event finished with an awards ceremony, during which Fr. Joshy Mathew, Director of KJC's HR Department, presented the victors with their trophies. KJC won the overall championship, while Patel Institute of Science and Management finished second. The selection trials aimed to find top talent for future university championships while also instilling a culture of academic and athletic excellence among students.
