

## WHAT'S UP, CAMPUS?

TUESDAY 3 APRIL 2018

**ANALYA JOSE,**

**Kristu Jayanti College**

**What will you miss the most:**

My UG days have come to an end. Each day, I used to wake up to a 7 o'clock alarm thinking about how to deal with my lectures, assignments, keeping up my attendance and now I realise, I no longer have to rush to college and be there by 9 sharp. This makes me both happy and sad. I am going to miss my friends, the college fests, emceeing and working late.

**What is your most favourite memory:**

Being called a 'first year' by a junior in my final year. I think that's because of my height and my childish behaviour.

**Your favourite place in the college:**

The stage, where I was given the chance to anchor for many events. Also, the amphitheatre right by the ATM, where you can see the entire college hustling and bustling.
