

IN BRIEF

**Literature festival**

Azim Premji Foundation held *Kathavana*, a three-day literature festival at three different government schools in

Bengaluru. The festival was an effort to take children's literature to classrooms and school libraries. Activities at the festival included oral storytelling, reading, poetry writing, meet-the-illustrator, cartoon and puppetry sessions.

**Exhibition**

"Innovations in the field of IoT (Internet of Things) should be able to help the farming sector. Robotics and artificial intelligence should be embedded in the

technology efficiently for smart farming and ensuring protection of crops," said N.R. Shetty, Chancellor, Central University of Karnataka, inaugurating the state level project exhibition, Yuktha-2019 at Nitte Meenakshi Institute of Technology, Yelahanka, Bengaluru.

**Talk**

"Justice hurried is justice buried," said Madabhushi Sridhar Acharyulu, Former Central Information Commissioner, Govt. of India at the 39th

*Vicharmanthan* organised by Kristu Jayanti College, Bengaluru. He was speaking on the topic: 'RTI as a human right'.
