**Rev.Fr. Josekutty P.D.**, Principal

Advisors  
**Rev. Fr. Augustine George**  
**Rev. Fr. Lijo Thomas**  
**Rev. Fr. Som Zacharia**  
**Rev. Fr. Emmanuel P.J.**

Conference Directors  
**Dr. Calistus Jude A.L.**  
Dean, Faculty of Sciences  
**Dr. Elcey C.D.**  
Head, Department of Life Sciences.

Conference Convener  
**Dr. Challaraj Emmanuel, E.S.**

Organizing Committee  
**Dr. S.Vijayanand**  
**Dr. Shalini Prabhu**  
**Dr. M.Sonia Angeline**  
**Dr. Sridhar**  
**Ms. Apoorva Udayasankar**  
**Ms. Smrity Rekha Mahanta**

Student Coordinators  
**Ms. Evelyn Maria Francis**

## National Seminar on "Tropical Infectious Diseases" (NASTID)

9th March 2016

### Call for Papers

Original research papers relating to the broad theme "Tropical Infectious Diseases" and also from the following sub themes are invited Oral / Poster Presentation.

- Pathogen Biology
- Host – Pathogen interactions
- Diagnostic Modalities
- Vaccines
- Epidemiology
- Novel Epidemiological Concepts and Methods
- Molecular and Genetic methods in Epidemiology
- Case Studies
- Drug discovery

### Guidelines for preparation and submission of research papers.

- A soft copy and a hard copy of the abstract not exceeding 500 words or a page shall be submitted.
- Specification of the abstract: A4 size, MS word 2003 format Times New Roman font with a heading font size 14, text font size 12 and a line spacing of 1.5
- The abstract should include the Title, author's name, and affiliation, mailing address, contact number and E-mail ID.
- Size of the Poster 3.3 x 2 feet
- Completed Registration forms should reach the Convener-NASTID at the below-mentioned address on or before 2<sup>nd</sup> March, 2016.

**Kristu Jayanti College**

**AUTONOMOUS** Bengaluru

Reaccredited 'A' Grade by NAAC | Affiliated to Bangalore University

Department of Life Sciences

Organizes

National Seminar on

**TROPICAL INFECTIOUS DISEASES  
(NASTID)**

9<sup>th</sup> March 2016

**Kristu Jayanti College**, founded in 1999, is run by the members of St. Joseph Province of the **Carmelites of Mary Immaculate (CMI)**. The college is an autonomous institution affiliated to Bangalore University and is re-accredited with the highest grade 'A' by NAAC. The college is recognized by the UGC under sections 2(f) & 12(B). In India Today - Nielsen survey (2015), the college is ranked 16th Best Commerce College, 22nd Best Science College & 24th Best Arts College in India and 3rd, 4th & 5th best Commerce, Arts & Science college in Bangalore. With 14 undergraduate programmes, 11 postgraduate programmes, 3 postgraduate diploma programmes and centres for research, a healthy environment is provided in the campus for the acquisition, promotion and dissemination of knowledge. The institution strives to fulfill its mission to provide educational opportunities to all aspiring youth to excel in life by nurturing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment.

**Department of Life Sciences**

The Department of Life Sciences was started in the year 2002, with the aim of providing comprehensive knowledge to aspiring students in the field of Life Sciences. The Department offers B.Sc. programme in Biotechnology, Microbiology, Biochemistry and Genetics. M.Sc. programmes are offered in Biotechnology and Microbiology. The status of Research Centre in Biotechnology was granted to the Department by Bangalore University. With the commitment of the faculty members to educational excellence, well equipped high tech laboratory and research laboratories the Department strives to serve the students in

enhancing their scientific temperament and enable them to acquire scholarly knowledge in various emerging fields of Life Sciences.

**National Seminar on**

**“Tropical Infectious Diseases”**

The Seminar will present cutting edge research on medically important tropical infectious diseases that are most prevalent in India. The conference aims to gather the vast scientific expertise in infectious diseases within India with the purpose of discussing basic and field-based research. The intent is to foster and boost multidisciplinary research with translational implications for tropical infectious diseases.

The Conference will include sessions that focus on important tropical infectious diseases, such as malaria, tuberculosis, typhoid, gastro enteric and other common bacterial infections, viral diseases such as dengue and chikungunya, but not limited to these. The conference aims at various challenges and opportunities of the prevalent diseases. This conference will be an ignition for community undertaking to eradicate the spread of deadly diseases. An important goal of the Conference is to attract and encourage junior scientists and graduate students from across the country to present their work and exchange ideas with leading experts in the field. The conference will have dedicated networking sessions with eminent scientists to attract and motivate young students into science and research.
