

Kristu Jayanti College

AUTONOMOUS **Bengaluru**

Reaccredited 'A' Grade by NAAC | Affiliated to Bangalore University

Internal Quality Assurance Cell (IQAC)

Workshop on
MANAGEMENT OF CHANGE FOR
PROGRESSIVE SECONDARY EDUCATION

May 04 - 06, 2017

Kristu Jayanti College is an incarnation of the educational dreams of Saint Kuriakose Elias Chavara (1805 – 1871), the founder of the religious congregation, Carmelites of Mary Immaculate (CMI). He envisioned the sunrise of a renewed humanity through the integral development of mind, body and spirit. The motto of the college, Light and Prosperity, aims at this synthesis and the harmony of the spiritual and the physical, the mind and the body. The curriculum and the co - curricular activities are the basic structures acting as spring board to step into mystery of human life and beyond.

Kristu Jayanti College is an Autonomous College under Bangalore University and is reaccredited by NAAC with 'A' Grade in October 2015. Housed in spacious campus, the college incorporated a traditional academic setting with refreshing environment, beautiful scenery and moderate climate; it provides an atmosphere which is conducive for effective training and learning programmes.

ABOUT THE PROGRAMME

Globalization and concurrent demands on educational delivery and services are a hallmark of the 21st Century, apart from the need for innovative technology adoption. Many political, economic, technical and technological changes that are taking place in the country, call for appropriate and timely changes at all levels of Education. While considerable efforts are evident to reform education in general and Secondary Education in particular, institutions are unable to keep pace with the changing times. In this dynamic world, change is imperative and institutions must go an extra mile to reposition, renew, reorganize and systematically adapt to the changing times. There are several challenges that confront the Management, as well as other stakeholders of secondary education institutions, and many a times there is resistance to change on the part of the teachers and even administrators.

This Workshop is specially designed to appraise the participants with the nuances of the changes as expected, and to give a clear insight into the need-based mechanisms which they need to adopt to be successful in their specific tasks.

The broad objectives of the Workshop are :

- To understand the Learners' attitudes and capabilities and assist them to accomplish their goals
- To provide a knowhow of strategies to manage the classroom and institution effectively, and to the satisfaction of the stakeholders.
- To improve the teaching-learning environment by integrating technology.

RESOURCE PANEL

Dr. Mariamma A. Varghese, Former Vice-Chancellor, SNDT University, Mumbai

Prof. Mariamma A. Varghese is the Former Vice-Chancellor of SNDT Women's University, Mumbai.
