ABOUT THE COLLEGE

Kristu Jayanti College, founded in 1999, is run by "BODHI NIKETAN TRUST", formed by the members of St. Joseph Province of the Carmelites of Mary Immaculate (CMI). The college is affiliated to Bangalore University and is reaccredited with highest grade 'A' by NAAC in the Second Cycle of Accreditation. The college is recognized by UGC under the category 2(f) & 12(B). The college was accorded autonomous status from 2013 by the University Grants Commission, Government of Karnataka & the Bangalore University. For its contribution in the field of education, Kristu Jayanti College was recently given the Heroes of Bengaluru award. In the India Today - MDRA survey 2018 the college is ranked 5th Best BCA, 13th Best MSW, 15th Best BBA, 16th Best Commerce, 18th Best Arts and 26th Best Science College in India. The College also ranked 2nd Best in BCA & MSW, 3rd best in Commerce, 4th Best in Arts & BBA and 5th best in Science among the colleges in Bengaluru. The institution strives to fulfill its mission to provide educational opportunities to all aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment. Kristu Jayanti College is ranked eighth and rated with 4 out of 5 stars from the South-West / SWRO Zone in the recently announced list of Institutions Innovation Council (IIC) for the IIC Calendar Year 2018 -19 under MHRD Innovation Cell, Government of India.

DEPARTMENT OF ECONOMICS

Department of Economics offers B.A. (with Economics as one of the triple majors) and Masters in Economics. M.A. in Economics is an intensive two years (4 semesters) full time on-campus programme designed to provide to the students a sound theoretical background in the principles of economics and equip them with analytical tools and techniques for understanding & solving social and economic issues with multi-dimensional economic research. The Department imparts effective training in the theoretical aspect & analytical aspects of the subject as well as enables the students to understand the tools of empirical analysis. The Department offers innovative curriculum which contains teaching and evaluation methodology and it ensures that the students are well trained and equipped with the latest knowledge and skills to cope with new emerging challenges.

ABOUT THE WORKSHOP

The programme is arranged with the objective of imparting knowledge of the basic concepts of Econometrics along with its application in research focusing mainly on the use of secondary data. The programme includes introduction and application of econometric tools applicable in Time series and Panel Data; Discussion on related and relevant research papers and secondary data source Introduction to Linear and Non- Linear Regression Analysis, Simple and Multiple Linear regression, Problems of Autocorrelation, Heteroscedasticity and Multi collinearity in Multiple Linear regression, Dummy Dependent Variable Regression- Logit Models, Co-integration, Causality, Time series analysis: stationarity of time- series, AR and ARIMA models, Modeling Volatility using Heteroscedasticity models. Keep in mind that the cosmic application of econometric research tools in Economics, Commerce and Management is incalculably helpful for various interdisciplinary and multidimensional economic forecasting and predictions.
