## About the Seminar

Women's equality and empowerment is one of the Sustainable Development Goals, but also integral to all dimensions of inclusive and sustainable development of any society, state or country. Education is not a privilege but a fundamental right. Education as means of empowerment of women can bring about a positive attitudinal change. It is therefore, crucial for the socioeconomic and political progress of India. The Constitution of India empowers the state to adopt affirmative measures for prompting ways and means to empower women. Education is the basic right of everyone and therefore while providing education facilities, there shall not be discrimination among sexes. To further the cause of higher education of women and provide a platform of positive deliberations Mother Teresa women's University in collaboration with Kristu Jayanti College organizes a One Day National Level Seminar on "EDUCATIONAL UPLIFTMENT OF WOMEN: VISION 2030". This seminar will provide a great opportunity for engaging policy makers and partners on scaling up and mainstreaming models that have accelerated girls and women's Education with the following objectives.

- To focus the latest issues and challenges of women in Education, Defining Vision 2030
- To address issues of gender parity in education
- To seek prospects for lifelong learning for girls and women
- To deliberate on New Educational policy and its benefits for women in India
