### CURRENT EVENT

International Women's Day  
Celebration

Women Empowerment Cell of our college is established to empower our women students and staff, to make them understand and react proactively to the issues pertaining to women. This cell creates a feel in them that our college campus is a haven and second home to them. In addition to discussing their issues and concerns, the cell creates awareness of rights and responsibilities. The cell helps them in finding various solutions to everyday problems. The cell functions arduously to enhance their status and thereby empower them intellectually. Guest Lectures, Seminars, Workshops and various awareness programmes are arranged under the supervision of this cell to empower women students. This cell renders its support to our women-staff also.

The objective of the cell is to help women students understand their strength and potential, to sensitize the college community on the need for respect and equal opportunity for women and to convene various sensitization programmes

The cell organizes seminar on health related issues by doctors for the general wellbeing of the students. It conducts an annual out exhibition Srujana an art exhibition where students exhibit their hobbies, talent and passion through handicrafts, which inculcate entrepreneurial attitude among young girls. The cell organizes national level conference to impart knowledge of opportunities and tools available and train the women. The cell organizes Workshop on self-defence to understand situational awareness and have a good understanding of the physical strengths, weakness and limitations of both themselves and their opponent

## Principal's Message

Rev. Fr. Josekutty P.D.

Kristu Jayanti College has etched its excellence in the field of knowledge offering holistic education to students from all strata of the society. This citadel of learning aims at moulding young women to be academically proficient, socially responsible and spiritually enlightened. Kristu Jayanti College envisages creating self-reliant women geared to cope with the challenges of the world. "STRI" - The maiden News Letters of the Women Empowerment Cell brings to limelight, the various activities of the Cell and showcases the achievements of women faculties and students in the field of teaching and research. I take this opportunity to appreciate the tireless efforts of the young vibrant, creative minds to carve a niche in the society.

## Vice Principal's Message

Rev. Fr. Augustine George

Since its inception, international Women's day has evolved into a global celebration highlighting the accomplishments of dynamic women who have tackled life with resilience. This scenario has been made possible because women have been able to realize their innate potential and the importance of education. Jawaharlal Nehru our first PM rightly stated that if you educate a boy you educate one person but if you educate a girl, you educate the entire family. I acknowledge the efforts taken by the Women Empowerment Cell and wish them success for their future endeavors.

## Art and Craft Exhibition

## SRUJANA

The Art and Craft Exhibition was inaugurated on August 2017 in Mini Audi 1 by the chief guest Rev.Fr.Sebastian Elangickal. The chief guest was accompanied by the principal and vice principal. The chief guest mentioned in his speech that it was a good sign to see students have the passion for art and craft .He commended the efforts put up by all the students who were gathered. He motivated the students to pursue their passion with the aim of deriving satisfaction out of it.

There were around 29 stalls put by the girls of the college .It was a one day exhibition cum sale which was open for all students and faculty members. Srujana 2017 turned out to be a success with the participation of 74 students. The exhibits ranged from a variety of products like handmade jewellery, kundan flowers, photo frames, tiaras etc. Students visited the stalls throughout the day and encouraged the participants by buying the products. The exhibition was encouraged and supported by all. The staff coordinators were the driving force behind the participation of every student. Winners of this exhibition were declared on the basis of creativity, talent and the amount earned by them. The exhibition ended at 4.30 pm.
