

CENTRE FOR RESEARCH

SHODH PRAVARTAN

COLLABORATIVE COMMUNITY PROJECT (CCP)

Guidelines for the Academic Year 2021 - 22

Kristu Jayanti College, Autonomous, Bengaluru endeavours to spread the spirit of research and innovation among the academic fraternity. The Centre for Research is the executive wing to promote research in the institute which directly benefits the community. In keeping with its spirit, the college has instituted **Shodh Pravartan - Collaborative Community Project (CCP)**. Shodh Pravartan in Sanskrit means 'Research Promotion' in simple terms.

The Centre for Research invites Research Proposals to undertake Collaborative Community Projects (CCP)

1. Objectives

- To promote community development / societal development.
- To address social problems and concerns.
- To foster empowerment of women and marginalised sections of the community.
- To identify pathways for social transformation.

2. Criteria for Approval of Collaborative Community Projects (CCP) Proposals for Grant

The broad objective of the CCP is to study and explore the social issues which have direct and indirect impact on society and nation. The specific objectives include identification of social issues, interpretation of current social events and prediction future social challenges.

Following are the specific selection criteria for approval of Project Proposals:

- Need and research relevance of the topic
- Clarity of objectives and knowledge of the methodology

Kristu Jayanti College

AUTONOMOUS

Bengaluru
