

RESEARCH CENTRE IN MANAGEMENT

Centre for Research:

Kristu Jayanti College, through its educational philosophy actively promotes and balances teaching and research among the students and teachers. The Centre for Research is an active body that works to foster a research culture by encouraging high quality research among students and teachers by organizing seminars, conferences, expert lectures and collaborative learning with research experts and research institutions of national and international repute.

The Centre encourages researchers to explore novelty in their respective fields and also actively convert their findings into patentable outputs for use in society. The researchers at Kristu Jayanti College through the Centre apply for and pursue projects granted at the State, National and International levels.

Research Ethics

The purpose of academic research is to create new knowledge and push the boundaries of each discipline towards novelty and innovation. The institution upholds the academic integrity in all areas of research pursued by the learning community and through the Centre for research promotes Ethics, Propriety and Integrity in all forms of teaching, learning and research. The Centre guides researchers and follows a zero tolerance policy towards any acts of deviance away from the ethical policy set for researchers.

Research Promotion Policy Statement:

Aspiring towards global competency by creating a conducive physical and intellectual environment to infuse a culture of research that contribute towards transformation of the society.

Research Centre in Management

The Doctoral Program (Ph. D.) in Management offered by Bengaluru North University, balances solid grounding in the fundamentals of the discipline with the flexibility to combine and create new knowledge that is derived from a doctoral student's research interest. Doctoral students are expected to pursue academically rigorous coursework and work independently

on a research topic that develops and leads to the completion of a doctoral dissertation. Doctoral students are encouraged to develop original ideas, collaborate on research projects and present their work at major national and international conferences.

The College has full-fledged research centre to inculcate research capabilities among students, research scholars and teaching fraternity. Faculties are encouraged to take up government and non-government funded projects sponsored by agencies like ICSSR, UGC. Centre ensures timely completion of the projects in compliance with policies of sponsoring agency. Whenever required, the guidance on scientific and other procedures is extended to project directors. On periodic basis, the Centre organizes FDPs, workshops, seminars, and conferences of national/international repute to discuss issues and exchange innovative ideas on specific topic. The Centre is committed to build research integrity and extend need-specific training programs through state-of-art facilities of the institution.

A number of research papers have been published in national and international research journals and some of the research papers have appeared in journals with high impact factor. The college library has more than 30,000 commerce related books, 200 journals and 45000 + online journals and books for the purpose of carrying out the research. The department strongly believes that it will produce quality researchers in commerce and quality research work.
