Time: 11:00am -1:00pm

Number of beneficiaries: 255 students from B.Com, B.B.A., B.A. & B.Sc., BCA Departments.

Name and details of the Chief Guest: Moderator, for panel discussion **Prof. Samish Dalal**, specializes in the field of negotiations, entrepreneurship and innovation. He is associated with family business for many years and has taught more than 4000 students 'Family Business' and has touched base with more than 500 Indian Family Businesses. He has done his MBA from the University of Queensland, Australia and has further enhanced his skills through two major executive educational programs in Harvard Business School and Wharton Business School. He is an Associate Professor at SP Jain and has played an important role in creating knowledge for the family business community.

Resource Panel: Mr. Huseni Bhanpurwala, Ms. Sabina Bhanpurwala, Mr. Samir Ghosh, Ms. Shalini Ghosh.

Objective: To encourage the students to move towards women entrepreneurship.

Brief Write up on the Programme: The panel discussion was started by Prof. Samish Dalal who encouraged the students with his motivational talk on entrepreneurship and then he passed on the session to Ms. Sabina. She started her career as an entrepreneur at a very early age. Ms. Sabina also motivated students like she was motivated by her family. What triggered her to start early as an entrepreneur was the words that kept ringing in her ears "the entire family knows the reason behind their words".

Ms. Shalini also shared her challenges which were people driven but now it's system driven, which made it difficult for her to match the standard.

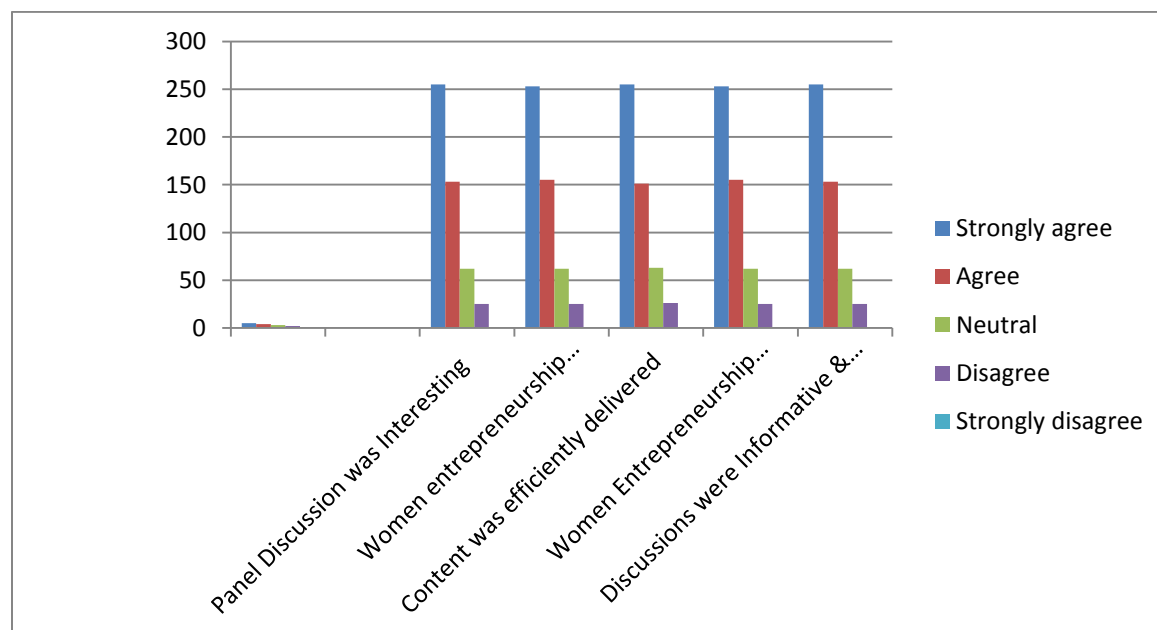

Ms. Sabina concluded the talk with a remark "Believe in Yourself". Mr. Huseni & Mr. Samir have been very supportive of their daughters and are very proud of their achievements.

Feedback: Feedback was taken in order to analyze the effectiveness of this Programme. It was found that out of 255 beneficiaries, 60% (153 students) rated the programme as an excellent event and found the information imparted to them very inspiring and beneficial. Apart from this 24% (62 students) rated the talk as very good, 10% (25 students) rated as good, and 6% (15 students) rated as satisfied.
