Objective: My story - Motivational Session by Successful Innovators is a part of the quarter-1 activities of the IIC for the current academic year. The intent of the virtual webinar was to provide an opportunity to aspiring young entrepreneurs to listen to people who have already taken the entrepreneurial route successfully

Brief Report about the the Programme: Ministry of Education, Govt. of India has established its 'Innovation Cell' at All India Council for Technical Education with a purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. IIC (Institution's Innovation Councils) are set up in higher education institutions to execute the mandate of the Innovation Cell. IIC at Kristu Jayanti was established in the academic year 2018-2019. The council organizes a series of events with the aim of motivating students to innovate and transform innovations to start-ups.

As part of the quarter-1 activities of the current academic year the IIC of Kristu Jayanti College conducted a motivational session dubbed as My Story: Hear From and Entrepreneur. The resource person for the event was Mr. Nirmal George, Head of Operations, BuildNext, Ernakulam, Kerala.

During his highly motivating talk, Mr. Nirmal spoke about the mandate of his organization, the reasons behind his choice of being an entrepreneur rather than taking up a regular job, and the key skills required for someone to embark on a similar journey.
