## **SKILL ENRICHMENT PROGRAMME**

**DATE: 19.9.2020**

Soft skill enrichment programme was organised by the Department of Life Sciences to equip the students and help them improve their skills. On 19<sup>th</sup> September 2020, a skill enrichment programme was conducted on “Soft skills and Interview Etiquettes”, the resource person was Mr. Sudhir Udhayakanth, founder and CEO of Edge Academy that trains corporate professionals in soft skills and he is the founder of Ishara C2C- a soft skills company focusing on only educational institutes, teachers, counselling and smart parenting. He discussed a lot on visual presentation with regards to appearing for interviews. Due to the pandemic most interviews are conducted online so he customized the tips and tricks to be used during these interviews, as walk- in interviews are a bit rare these days.

He discussed points that will make a candidate stand out amongst other applicants. He provided us with insider information on what a company looks for in a candidate and the professionalism required. The points he made included speech and tone, physical appearance, body language and response to most frequently asked interview questions. The session was delightful and the students were thoroughly engaged as many queries were raised and they were addressed by the speaker. The seminar was light and interactive with a lot of information required for the final years.

On September 19<sup>th</sup>, 2020, the first session of the academic year was held. Dr. R Kumar, HGead, Department of Computer Science (PG) welcomed the resource person Mr.Shinto Joseph, Director – South East Asia Operations, LDRA India

Mr.Shinto Joseph started the session by introducing the role of Novelty by changing the concept of VUCA (volatility, uncertainty, complexity and ambiguity), to VUNA during this time of pandemic. The explanation of Industry 4.0 and its demand for technically skilled leaders was emphasised. He explained the traits that are common is a leader.

According to the new normal, Mr.Shinto Joseph said, the structure of an organisation has completely reversed; earlier when the head of the institution was on the top-most of the pyramid and the junior most at the bottom layer, at present, the junior most employees are at the top priority. The complete culture of leadership is based on trust on the team members/ employees, more than any other quality, since most of the work happens remote.

The types of leaders- authoritarian, democratic, and laissez-faire was explained citing many leaders of each type. The need for Long term and short term goals in any successful profession was yet another point of discussion. Final part of the presentation contained the essential skills of a leader, like, perseverance, commitment, integrity and lead by example.

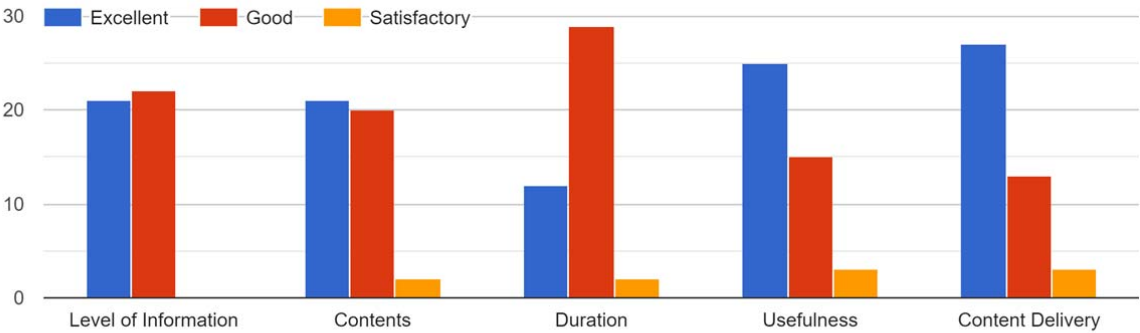

The session was followed by answering the queries of students for 30-40 minutes where he provided excellent tips for the budding professionals. He conveyed various messages like- how to deal with negative criticism, how to gain trust of team members, how to motivate the team even in times of crisis and failures and so on.

Overall the session was highly motivational and energising for the participants.

Learning outcome: The participants realised the necessity of developing leadership skills for their professional growth by rising small habits and skills right from college days

## **DEPARTMENT OF SOCIAL WORK – 2020-2021**

### **Report on Expert Talk**

**Title:** Expert Talk on the occasion of International Youth Day

**Date:** 12<sup>th</sup> August, 2021

**Number of beneficiaries:** 70 (1<sup>st</sup> and 2<sup>nd</sup> year MSW students, Kristu Jayanti College, Bengaluru)

**Resource Person:** Colonel Joby Joseph, Commanding Officer, 1MP Signal Company, NCC, Jabalpur

**Objective:** The objective of the lecture was to enlighten the social work trainees on the importance of youth as a driving force of change in the world, the various issues in regards to them and how to help oneself become a successful and thriving human being.

The lecture began with invoking the blessings of God Almighty with an Invocation Song by Ms. Nimisha Mathew (social work trainee). **Ms. Tanya Vats** (social work trainee) welcomed the resource person, the various faculty members of the department as well as all those participating in the lecture. **Dr. Jonas Richard A**, Head, Department of Social Work, delivered the introductory remark, highlighting the importance and significance of the day and how the youth of any country are not only the future but also the change makers of it. **Ms. Ruchika Suraj** (social work trainee) then introduced the resource person of the session.

**Colonel Joby Joseph** began the session by giving a beautiful example of American track athlete, Allyson Felix, who through her determination and passion decided that no one should be able to dictate her choices and stood up for herself and for what is right. She believed that she shouldn't be paid less because she would be having a baby, and thus caused the company to change its policies regarding the same.

Sir then went on to highlight some of the major qualities of the youth, which includes energy and enthusiasm; passion towards something or some goal and that we as youth should take advantage and make use of that passion; aspiring, competitive and innovative; among others. Sir also emphasized on how to navigate through these times of indecisiveness and sometimes tough times, by not giving up, by believing that we have the capacity and capabilities to fight back and stand strong.

Sir also spoke about 5 mantras that he believes helps to make the youth a successful human being, mastering some eternal virtues such as hardwork, truthfulness, perseverance, courage, etc.; Go for your passion; strive to becoming the best in your field; be unselfish to contribute to the society; be a role model for others.

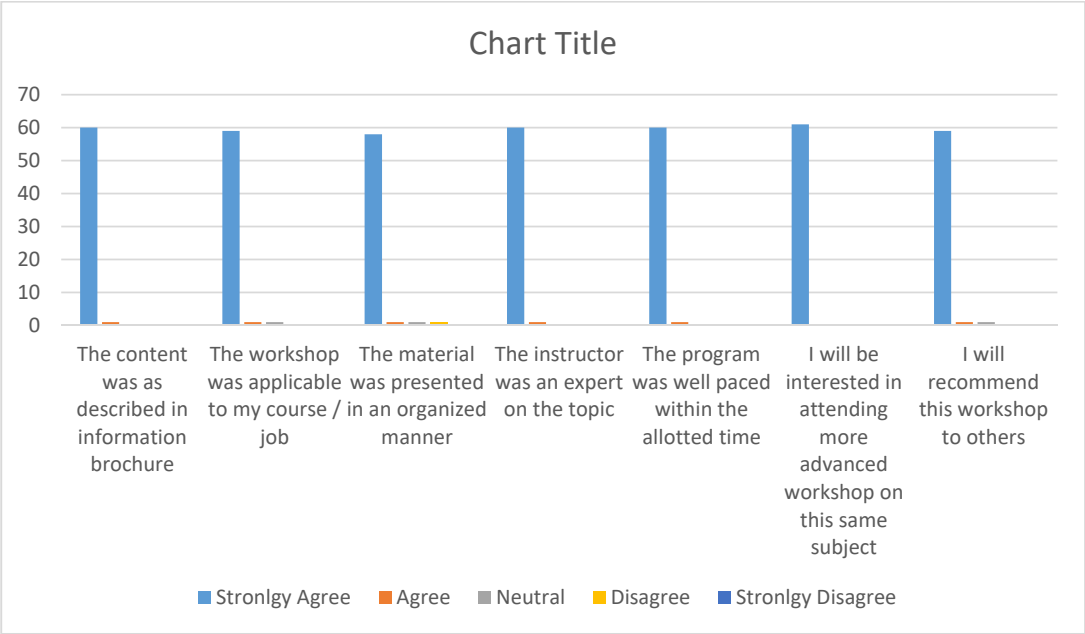

The seminar was formally concluded with a vote of thanks by **Ms. Ruchika Suraj** (social work trainee).

**Outcome:** The trainees were grateful for having such an inspiring and confidence inducing session. This talk by Colonel Joby Joseph will for sure continue to be with the participants for a long time and help them to be courageous, confident and passionate about what they do and to become more successful in all their endeavors.

**Feedback:** The Social Work trainees are thankful to the Department of Social Work for conducting an expert talk that would help them to become more confident and help them in their future.

The whole concept was made clearer through case studies that explained the entire process.
