Brief write up on the programme:

17 NSS volunteers assembled in Kristu Jayanti College to offer their volunteership during the Graduation ceremony-Samavarthana 2022. They started and ended with a silent prayer and the official NSS clap. With the spirit of unity and service, everyone was deployed in a given spot to ensure that the students and parents are guided properly. This helped maintain the crowd and prevented any last minute hassles. The volunteers guided by the teachers, systematically arranged the seating to make sure everyone is properly accommodated and there are no disturbances in the crowd. The volunteers also helped the teachers arrange for everything needed from certificates to tassels. The presence of mind of the volunteers ensured that every moment in the ceremony goes by without any disturbances. The volunteers also served the refreshments to the students, teachers, parents, the admin and the support staff. This volunteership helped in maintaining the decorum and culture of the college at the final farewell of the graduating batches.

2. To educate students about the nature and surrounding cleanliness

Brief Write up on the Programme:

National Service Scheme had organized Swachh Bharat Abhiyan for the NSS Volunteers. The main purpose of this activity was to keep the surroundings of the Kristu Jayanti College and Kothanur clean and also to create awareness among the students regarding the cleanliness and its benefits. We all cleaned the surroundings and the government school so that students and children can study in a clean environment. The government students as well started to pick wrappers lying scattered there. After collecting them they threw them into the dustbins. Teachers and student coordinators encouraged the volunteers and helped to complete the task.

Outcome:

Students have clearly understood the importance of the cleanliness and a healthy relation between nature.

Academic Year 2022-2023

Awareness Program

Date : 07/11/2022
Time : 12:30 PM to 1:30 PM
Venue : Narayanapura cross, Kothanur
Number of beneficiaries : 34

Objectives:

- 1.To spread awareness on the importance of waste management.
- 2.Mobilize and educate the local community to adopt and maintain a solid waste management system.

Brief Write up on the Programme:

National Service Scheme (NSS) organized awareness program on waste management held near Narayanapura cross Kothanur. The lack of a waste management system is polluting the environment and adversely affecting the health of residents. While 60-70% of the daily unsegregated waste is biodegradable, it ends up in unsanitary piles, clogging drains, and polluting the soil and water of villages. Volunteers visited vendors in nearby stores to educate them on the importance of proper waste disposal and segregation.

Outcome:

The volunteers of NSS also learned about the importance of waste management and waste segregation and realized that it is the need of the hour to educate the others on the very issue.
