This taught the volunteers the value of discipline, timeliness and helping.

### **Brief write up on the programme:**

17 UBA volunteers assembled in Kristu Jayanti College to offer their volunteership during the Graduation ceremony- Samavarthana 2022. They started and ended with a silent prayer and the official UBA clap. With the spirit of unity and service, everyone was deployed in a given spot to ensure that the students and parents are guided properly. This helped maintain the crowd and prevented any last minute hassles. The volunteers guided by the teachers, systematically arranged the seating to make sure everyone is properly accommodated and there are no disturbances in the crowd. The volunteers also helped the teachers arrange for everything needed from certificates to tassels. The presence of mind of the volunteers ensured that every moment in the ceremony goes by without any disturbances. The volunteers also served the refreshments to the students, teachers, parents, the admin and the support staff. This volunteership helped in maintaining the decorum and culture of the college at the final farewell of the graduating batches.

## **Brief Write up on the Programme:**

Jayantian Extension Services (JES) – UNNAT BHARAT ABHIYAN (UBA), hosted a cleanliness drive, 'Swachh Bharat Abhiyan' on 6 October 2022 near the college campus and K Narayanapura area. Student volunteers formed into small groups to complete the task. The mission aims to progress towards target 6.2 of the Sustainable Development Goals Number 6, established by the United Nations in 2015.

The clean campus drive reminded the volunteers the importance of maintaining a clean environment, and most of the volunteers also learnt valuable lessons they obtained from participating in the activities. The volunteers shared their insights and pledged to disseminate information about the significance of maintaining a clean environment beyond the campus.

## **Outcome:**

We as volunteers understand that cleanliness is important to each and every person and we got an opportunity to educate people to keep our society clean.
