## **Green Technologies for Recovery of Bioenergy from Municipal and Industrial Solid Wastes**

### **Report**

**Class and Number of Audience:** - Department of Life Sciences

**Date:** - 05/06/2021

**Resource Person:** Dr. S. V. Srinivasan

**Objective:** To commemorate World Environment day

To commemorate the World Environment day 2021, a virtual webinar on 'Green Technologies for Recovery of Bioenergy From Municipal and Industrial Solid Wastes' was organized jointly by the Department of Life Sciences and the Environment club of Kristu Jayanti College on 05. 06. 2021. Every year on 5th of June, the world celebrates World Environment Day, in order to inculcate a sense of belongingness and gratitude towards the environment that we live in. This in turn would inspire more individuals to stand with the cause of environment conservation and contribute to restore the environment. The World Environment Day through the myriad forms of campaigns organized world over in its observance offers an effective platform for inspiring positive change in the environment. It pushes individuals to think about the ways we utilize the ecosystem and gives us a chance to take action to build a greener future. This year's theme for World Environment Day was '**Ecosystem Restoration**'.

Ecosystem restoration means preventing, halting, and reversing the damage caused by human activities and finally healing our nature. The webinar hosted by the Department of Life Sciences in association with the environment club featured a topic that is very relevant to the concept of ecosystem restoration. Municipal and Industrial solid wastes contributes heavily to deterioration of various ecosystems by contaminating the natural environment. For instance, a major threat to many aquatic ecosystems is the indiscriminate practice of dumping untreated household and industrial waste in water bodies. Environment friendly, restorative and scalable solutions to the problem of waste management are of vital importance for ecosystem restoration and sustenance. Dr. S V Srinivasan, Senior Principal Scientist, Department of Environmental Engineering, CSIR-Central Leather Research Institute (CLRI), was the resource person for the webinar. Through his highly intelligible talk, he introduced biotechnology-enabled green approaches in solving the problem of accumulating municipal and industrial solid waste. While comparing the various approaches he brought out the pros and cons of each. Interesting ways of converting waste into biofuels using green approaches were also discussed.

## Food Donation Drive by National Service Scheme Volunteers

### Report

**Class and Number of Audience:** Community family members

**Date:** - 06/06/2021

**Objective:** An initiative to help homeless people with food and water

While we focus a lot on self-improvement, an important part of living a happy and fulfilling life includes being part of a close-knit community where you can share, help, and support the people you care about. It's easy to get so wrapped up in fixing your own life that you forget about helping others and while it's important to put yourself first sometimes, it's even more important to help others whenever you can. The volunteers have not forgotten what was taught to them in college, when everyone just looked out for themselves to stay indoors and keep themselves safe, there were few volunteers who took an initiative to help homeless people with food and water.

### Food Donation Drive by NSS and KCDC Volunteers

## **Professional Development Programme: Role of Higher Educational Institutions in Promoting SDGs** **Report**

**Class and Number of Audience:** 240 Faculty members

**Date:** - 23/06/2021

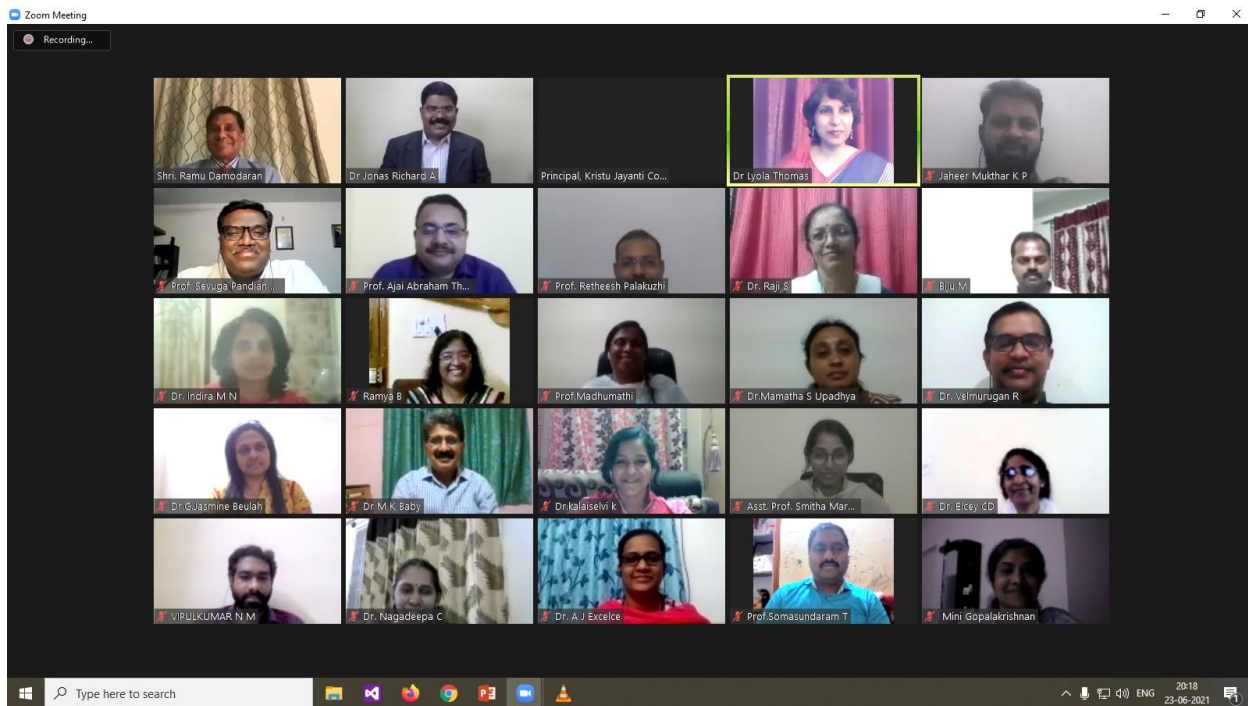

**Resource Person:** Shri. Ramu Damodaran

**Objective:** To discuss the role of higher Educational Institutions in promoting SDG's

**Venue:** Kristu Jayanti College

The Sustainable Development Goals are 17 interlinked global targets designed to be a "blueprint to achieve a better and more sustainable future for all," to change the world for the better. For the sake of future generations, we are in dire need of the sustained and concerted efforts of all the various pillars of Society. As such, The Faculty Development Cell of Kristu Jayanti College organised a Professional Development Programme to deliberate on the Role of Higher Educational Institutions in Promoting SDGs. The esteemed resource person of the day was Shri. Ramu Damodaran, which was most appropriate as Shri. Ramu Damodaran had extensive practical knowledge in implementing the SDG's, being the Deputy Director for Partnerships and Public Engagement in the United Nations Department of Public Information's Outreach Division and the former chief of the United Nations Academic Impact initiative. The Welcome address and Prelude was delivered by Fr. Emmanuel, Director of Kristu Jayanti College of Law and Director of International Relations Office.

Mr. Ramu Damodaran highlighted the need for spiritual and moral value in education today to meet the challenges of the twenty-first century. He spoke in length about the UN's goals to eradicate poverty through activities that promoted enlightenment and self-awareness. He emphasized the need to use our scholarship to build an engagement keeping in mind the social needs of our immediate community and to strive for global peace in all our endeavors. He urged the audience to think local and act global in order to achieve greater heights and worldwide relevance through our efforts. On being asked how the sense of global citizenship can be fostered within classrooms, Shri Damodaran explained that higher education provided the means and opportunity to practice being responsible citizens of the world. It provides a platform for the youth to take up roles that enable them to give back to society as well. This he ensured would create a sustainable education model which can also continue to remind everybody involved to be a more active part of the society in which they live. The Session was followed by a Q and A which was both illuminating and enriching. The session ended with the Vote of Thanks by Dr. Jonas Richard, Faculty coordinator of the event and also the Coordinator, United Nations Academic Hub for SDG1, Kristu Jayanti College.

## International Youth Day Celebration 2021

### Report

**Class and Number of Audience:** - 40 Participants, Department of Social Work

**Date:** - 12/08/2021

**Resource Person:** Colonel Joby Joseph

**Objective:** A celebration International Youth day to raise awareness about the cultural and legal issues surrounding the youth

**Venue:** Virtual Platform

On the occasion of International Youth Day “Youth lead -Innovation Festival” 2021, The Department of Social Work, Kristu Jayanti College (Autonomous), Bengaluru in collaboration with United Nations Academic Hub for SDG1 organized an Expert Talk by Colonel Joby Joseph, A commanding Officer, 1MP Signal Company, NCC, Jabalpur –, on 12th August, 2021 through virtual platform.

Every year, August 12 is celebrated as the International Youth Day to raise awareness about the cultural and legal issues surrounding the youth. This day is celebrated to highlight the significance of youth as a driving force of change in the world. Dr Jonas Richard A addressed the gathering and highlighted the significance of the day and how youth can act a change maker in the society. The Guest Speaker Colonel Joby Joseph, A commanding Officer, 1MP Signal Company, NCC, Jabalpur addressed the audience with great ease. He, very beautifully mentioned that youth is an unguided missile and if not guided carefully, it can lead to destruction. Also, he highlighted the characteristics of a youth and five mantras which can make youth a successful person, leader or a role model in the society. Sir, concluded his speech with a beautiful quote by APJ Abdul Kalam.

The webinar ended with a Vote of Thanks and the event was well planned under the guidance of the faculty members of the department. It was an honor for the participants to be the part of a striking and a remarkable session which will allow the youth to be more focused, passionate and courageous to lay a strong foundation for themselves.

## **“Breaking the Cycle of Poverty: Challenges and Way Forward”**

### **Report**

**Class and Number of Audience:** - 500 Delegates from institutes of Higher Learning

**Date:** - 17/10/2021

**Resource Person:** Dr. Padmini Murthy, Dr. Amy Ansehl, Mr. Julian Slotman, Dr. Mami Katsumi

**Objective:** Virtual Online Conference on ‘End Poverty in all its forms everywhere’

**Venue:** Virtual Platform

Kristu Jayanti College is the designated United Nations Academic Impact Hub for the Sustainable Development Goal 1 - No Poverty. The college is committed to Developmental Goal 1 –‘End Poverty in All its Forms Everywhere’, and it is in its second term as SDG HUB1. On the occasion of ***The International Day for the Eradication of Poverty on 17 October 2021***, the college organized a Virtual International Conference on “Breaking the Cycle of Poverty: Challenges & Way Forward”. International Days serve as powerful tools to address global problems, increase awareness on a local and global scale which in turn helps create strategies that alleviate the issue by educating as well as inspiring the public toward action, toward activating political will and toward mobilizing resources. Thus the conference was more than a powerful tool for advocacy and the dawn of many purposeful programmes as the delegates and resource persons together formulated and strategized to tackle all forms of poverty.

Dr. Jonas Richard, Coordinator SDG1, Kristu Jayanti College, welcomed the gathering and set the stage by delivering the prelude to the conference. Mr. Robert Skinner, The honourable Chief of United Nation Academic Impact, New York, inaugurated the conference and spoke about the importance of academic institutions coming together with the UN to help the vulnerable and those caught in the vicious cycle of poverty. In his passionate speech, Mr. Omar Hernandez, Public Information Officer, UNAI SDG Hub, urged the audience to a well-thought-out and planned action. Rev. Fr. Emmanuel P.J, Director, International Relations, Jayantian Extension Services and Kristu Jayanti College of Law, delivered the presidential address. There were three technical sessions in the conference moderated by Dr. Lyola Thomas, member SDG1, Kristu Jayanti College. The first technical session was by Dr. Padmini Murthy, Professor and Global Health Director, New York Medical College, School of Health Sciences and Practice, New York; and Dr. Amy Ansehl, Associate Dean, School of Health Sciences, New York Medical College, School of Health Sciences and Practice, New York, on the topic “Addressing Poverty by Promoting Health and Well Being”. The second technical session- “The Long-Term Impact of COVID-19 on Poverty” was by Mr. Julian Slotman, Associate Economic Affairs Officer, Global Economic Monitoring Branch, Economic Analysis and Policy Division, UN/DESA. The last technical session for the day, “Reducing Poverty through Industrial Growth” was by Dr. Mami Katsumi, Education Administrator, Center for International Industry-Academia Collaboration, Nagaoka University of Technology (NUT), Japan. This was followed by a very enthusiastic question and answer session, where the resource persons clarified and elaborated on various aspects related to the queries of

the delegates. The conference ended with a vote of thanks by Dr. Sruthi Sivaraman, member SDG1, Kristu Jayanti College. This conference was a step in the right direction with more than 600 participants involved and was a beautiful example of thought and knowledge in action.

## Two-Day Campaign in Commemoration of UN Day

### Report

**Class and Number of Audience:** - 2000 villagers, Gujarat Tourism and Water for Voiceless (WFV)

**Date:** - 22/10/2021 - 23/10/2021

**Objective:** To commemorate UN Day through a two-day campaign

**Venue:** Kannamangala, Purushanahalli, and Kanaswadi

In commemoration of the United Nations Day, the Department of Media Studies (PG) of Kristu Jayanti College (Autonomous), Bengaluru, organised a two-day campaign, "Make a Difference: Be the Difference", as part of rural exposure. The campaign was conducted in Kannamangala, Purushanahalli, and Kanaswadi Governments schools with a focus on student empowerment and rural analysis. To reduce the inequalities and to measure the digital divide in the village, numerous programs were conducted by the students.

A survey was conducted to analyse the impact of Covid-19 in the village and their difficulties to encounter the pandemics. The exposure of the rural population to media platforms in a digital age for information and awareness was also analysed as part of the survey. One hundred fifty school children in the villages were empowered by conducting different curricular and extracurricular activities. The effectiveness of the vaccination drive in the villages was also measured to understand the efficiency of vaccination campaigns.

A green awareness drive at the village households was also a part of the campaign. Five hundred saplings were planted in the village in the campaign days, and 55 saplings were distributed to the children in schools to nurture for the future. Two thousand masks, sanitisers, and Covid awareness leaflets were also dispersed in the village to ensure safety during pandemics.

The campaign was conducted in partnership with Gujarat Tourism and WFV (Water for Voiceless). The media students were able to initiate development programs in the village successfully. A variety of programs, including cultural and experimental design, were organised for children to engage with the mainstream. Dr Juby Thomas, Faculty of Media Studies (PG), and Prof. Retheesh Palakkuzhyil, from the Department of Tourism, coordinated the two-day campaign.

## **Women and Poverty (Economic Violence) in connection with The International Day for Elimination of Violence against Women**

### **Report**

**Class and Number of Audience:** - 206 Participants

**Date:** - 25/11/2021

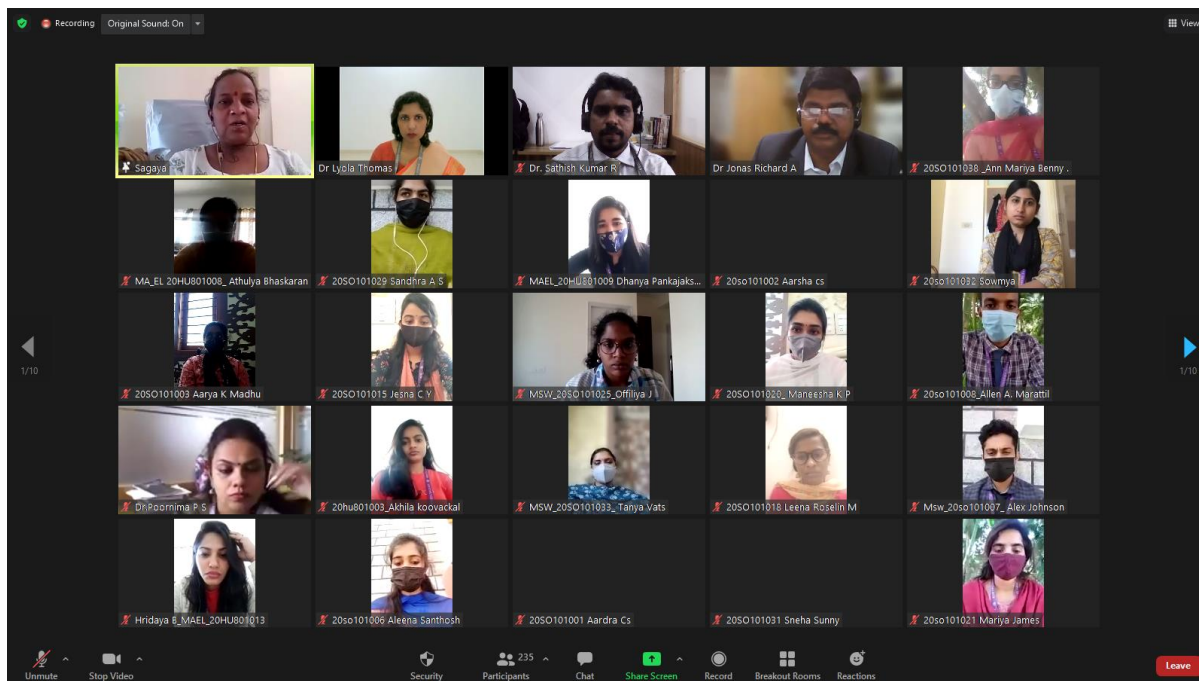

**Resource Person:** Mrs Sagaya Shanthy

**Objective:** To increase awareness about the elimination of violence against women

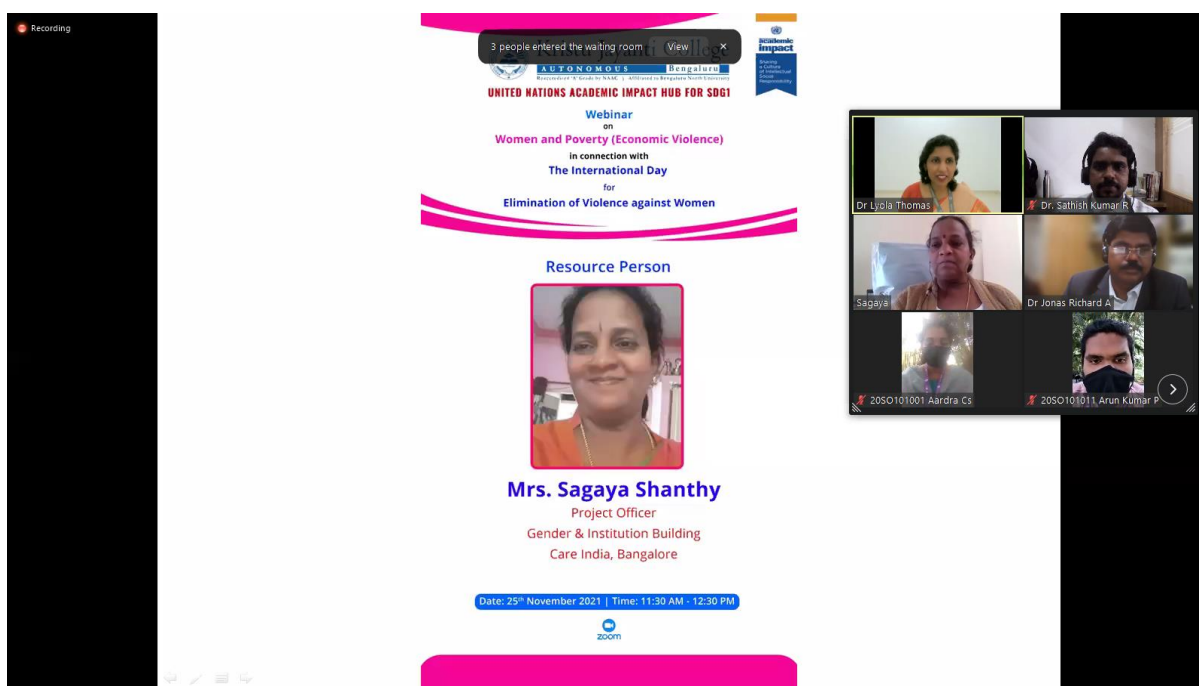

**Venue:** Virtual Platform

25 November, 2021 was declared as a day of significance by the UN who marked the day as The International Day for Elimination of Violence against Women. To increase the awareness about this day Kristu Jayanti College which is the - United Nations Academic Impact Hub for SDG 1 conducted a Webinar on Women and Poverty (Economic Violence). Dr Jonas Richard, Coordinator UN SDG HUB -1 set the stage for the webinar with his prelude mentioning that Nearly 1 in 3 women have been abused in their lifetime. In times of crises, the numbers rise, as seen during the COVID-19 pandemic and recent humanitarian crises, conflicts and climate disasters. While pervasive, gender-based violence is not inevitable. It can and must be prevented. Stopping this violence starts with adopting comprehensive and inclusive approaches that tackle the root causes, transform harmful social norms, and empower women and girls.

The speaker for the day was Mrs Sagaya Shanthy, Head, Women's Unit, Indian Social Institute, Bangalore and an eminent social activist. She highlighted the fact that 1975-85 was declared as the International Decade for Women by the UN. But more than 700 million or 10% of world's population still struggle under the crippling weight of poverty where their basic needs are not fulfilled. Poverty increases violence. Mrs Shanthy spoke at length on Women and Poverty and added that females being the most side-lined in the social constructs, were more prone to exploitation including trafficking. During the times of pandemic, the statistics for violence against women in the home environment doubled. In many parts of the world women are still denied basic socio-political and economic rights. Unconstrained physical mobility and physical security is a matter of concern with respect to many women around the globe. Many women struggle against a sense of unconscious discrimination which is prevalent and inbuilt in the culture and society they belong to. Mrs Shanthy spoke passionately to the listening youth about bringing about a change in these existing stereotypes, and how adopting the SDGs would play a part in challenging these outdated beliefs. She concluded with the thought that Equality and prioritising the strategic needs of the female gender can be a viable solution and a positive way forward.

## **International Conference: Ecosystems in the Poetics of Experience**

### **Report**

**Class and Number of Audience:** - 250 Participants

**Date:** - 22/04/2022 - 23/04/2022

**Resource Person:** Dr. Alfred Gathorne Hardy

**Objective:** Marking International Mother Earth Day through an International Conference

**Venue:** Virtual Platform

On the occasion of International Mother Earth Day on April 22, 2022, the Department of English (PG), Kristu Jayanti College (Autonomous), Bengaluru, conducted an International Conference titled, 'Ecosystems in the Poetics of Experiences' elucidating the significance of this conference due to accelerating climate change.

Chief Guest, Dr. Alfred Gathorne Hardy, Interdisciplinary Lecturer in Sustainable Resource, University of Edinburgh, shared an anthropomorphic story about bumblebee species, emphasizing the conditions of climate change. He also stressed the importance of Humanities in imparting awareness about the conservation of ecosystems.

The Keynote Speaker, Dr. Lee F Ball, Chief Sustainability Officer, Appalachian State University, USA, spoke about his experience of introducing sustainability as part of the academic curriculum at Appalachian State University. He concluded with some intriguing insights into conserving the environment, such as forest bathing.

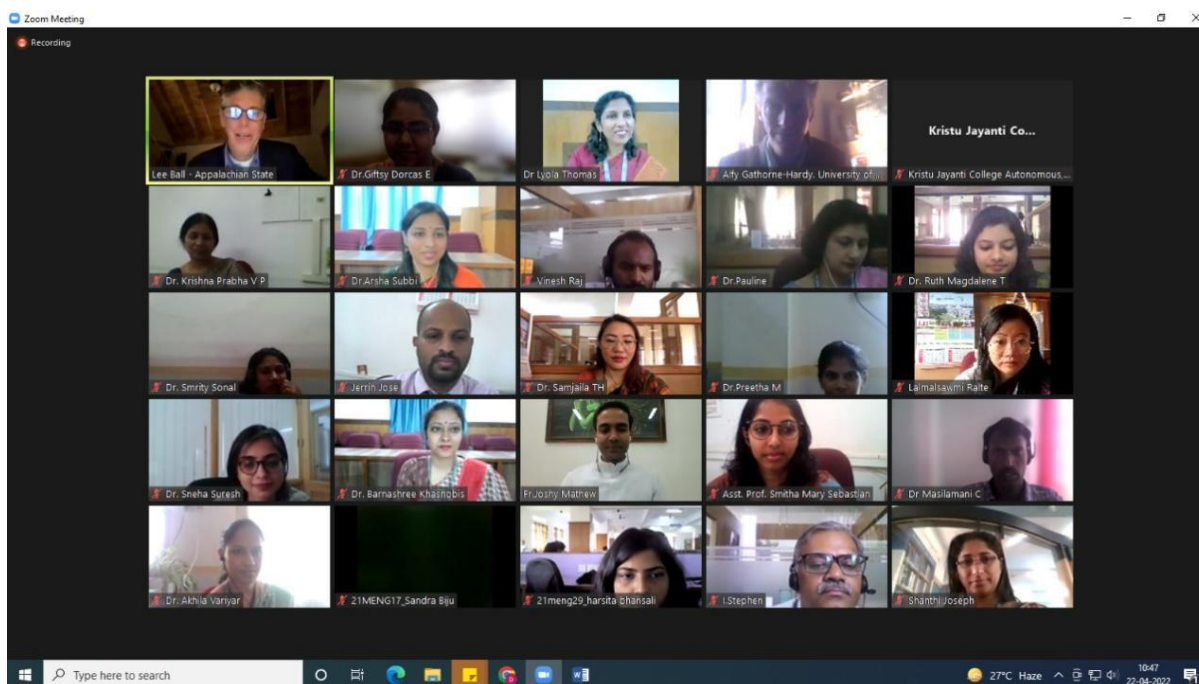

In the Plenary Session I, Dr. Danilo C. Diotay, AMA International University, Bahrain, advocated green technology to mitigate the detrimental effects of human activity and elaborated on the ESD for 2030 by the UN. In the Plenary Session II, Lina Vincent, Celebrity Art Curator, Goa, engaged the participants with a visual presentation of various artworks to stress the importance of art in creating ecological awareness, enumerating how artists are creating sustainable products and artworks using waste materials.

In the Panel Discussion titled, 'Earth Perspectives for a Better Tomorrow', four panel members exchanged their ideas and intriguing experiences. Mr. Leo Saldanha, the Founder – Trustee of the Environment Support Group, was the session's moderator. The esteemed panel members were Dr. R. Vasudeva, Professor in Forest Biology at the College of Forestry; Mr. Thorsten Skillgen, faculty from Germany; Francis Xavier, Agricultural Ecologist and Chandni Doulatramani, an independent journalist pursuing masters from the University of London.

## **Sustainable Development Goals and their Interconnectedness to Human Life**

### **Report**

**Class and Number of Audience:** - Department of Media Studies

**Date:** -25/10/2022

**Venue:** Amity Institute of Phytochemistry and Phytomedicine

Padmaja Jayaraman, IInd year MA JMC student of the Department of Media Studies (PG), Kristu Jayanti College, (Autonomous) won the second place award in the “Sustainable Development Goals and their Interconnectedness to Human Life” conducted by Amity Institute of Phytochemistry and Phytomedicine, Amity University Uttar Pradesh, Noida on the eve of Amity Human Value Quarter 2022 (25th April 2022).

## **SDG ACTION RESEARCH PROJECTS,**

### **KRISTU JAYANTI COLLEGE, UNAI HUB FOR SDG 1**

Kristu Jayanti College Autonomous, a UNAI Hub for SDG 1 in continuation of our mission to eradicate poverty carried out 7 Participatory Action Research Projects in the year 2022. The research projects were documented and published as a book edited by Dr Jonas Richard, titled **SDG ACTION RESEARCH: EVIDENCES FROM THE FIELD** by Infinite Learning Solutions, Bangalore.

#### **PROJECT 1: ACTION RESEARCH ON MINIMIZING OPEN DEFECATION PRACTICE AMONG MIGRANTS**

The students of Kristu Jayanti College from the Department of Social Work conducted an SDG Action Research Project to stop the practice of open defecation among the migrant populations in Kothanur. The team identified a 17-family migrant settlement in a slum in Kothanur. The students compiled the socio-demographic background data of the migrants through a baseline survey that covered their work profile, food habits, hygienic practices, awareness of COVID-19 and their vaccination status. The survey helped identify the fact that the slum residents' urgently needed restrooms. This would further help combat them falling prey to the 3<sup>rd</sup> wave of the pandemic by good hygienic practices. The students with the help of the faculty members of the Social Work Department targeted this need by conducting several fundraising drives. They raised enough money to finance 2 mobile toilets for the community. The mobile toilets were installed much to the joy of the women in the slum who were the worst affected because of the lack of restrooms. The women members of the community expressed their thankfulness to the researchers for meeting this basic need of a restroom facility. Following the installation, the researchers returned to the community once a week to check in on the maintenance of the facilities. The researchers were glad to note that there was a positive behavioural change among the community members. The toilets helped them adopt better practices in sanitation and had a positive impact on their health practices caused by a drastic change in their prior behaviour of open defecation. The researchers further conducted an awareness workshop to educate the community members of the importance of personal hygiene and its importance in the face of the third wave of the pandemic. The Department of Social work at Kristu Jayanti College remains committed to the welfare of the community, and the SDG Action Research on reducing open defecation by the migrant community was successful because of their guidance and the efforts of the student team members who belonged to Project 1 of the SDG Action

## Research

Project.

Inauguration of the Toilets

**PROJECT 2: SDG ACTION RESEARCH ON THE PSYCHOSOCIAL ENHANCEMENT OF CHILDREN IN FOSTER CARE**

A team of students of Kristu Jayanti College conducted an Action Research on The Psycho-social Enhancement of Children in Foster Care Homes. The research gathered valuable data on the socio-demographic profile of foster children in Bengaluru to increase their awareness of the importance of good emotional health and psycho-social skills. A Needs Assessment was conducted by the Social Work students to learn about the condition of the foster children. A foster home in Bangalore was identified as the pilot subject of the study. The researchers in an effort to gain an in-depth knowledge of the circumstances and psycho-social problems of the foster children and the effects of the Covid-19 outbreak on the resources available in these families, conducted focus group discussions with the children. The subject of "how to behave in front of people, either in a formal or informal setting and learning to manage their emotions were the main topics of the conversation. Since some of the young girls were going through a time in their lives where psychological shifts were cropping up it was determined that a workshop focusing on this topic would be a great help. In the workshop groups of 7-8 children participated in group sessions and interactions with the researchers. Six such sessions were held with the goal of fostering relationships and developing good emotional health. Peer-to-peer feedback was also incorporated for the benefit of the workshop participants. Apart from the psycho-social interventions the Department of Social Work the researchers were also involved in resource mobilisation that were customized to the requirements of the particular foster family. At the end of SDG Project 2 an intensive and interactive feedback session by the researchers revealed positive changes in the children's behaviour. They were thus able to draw the conclusion that their intervention in the community was immensely constructive with long lasting benefits.

During a session

Children at the orphanage

### **PROJECT 3: ACTION RESEARCH ON ECONOMIC EMPOWERMENT OF A TRANSGENDER COMMUNITY**

A team of researchers from Kristu Jayanti College conducted a research with the aim of providing economic empowerment to a specific transgender community. It was decided that financial sustainability was the primary need to enable them to live with self-esteem and independence. Hence the researchers began to raise money through a variety of fundraising drives. The researchers successfully raised Rs 36,000 and purchased 5 brand-new sewing machines. This was followed up with training sessions that were conducted to enhance their skills and also understand the importance of good financial skills. The training focused on leadership skills, financial literacy and digital marketing. The researchers arranged for training sessions on how to use sewing machines and thus upgrade their entrepreneurial skills. They were also provided with seed money to launch their tailoring businesses. The students of Kristu Jayanti College endeavored to help the transgenders gain their self-esteem and dignity by maintaining and regaining control over their finances and other resources.

After the training session

#### **PROJECT 4: ACTION RESEARCH ON LIVELIHOOD PROMOTION OF THE WOMEN OF THE WASTE PICKERS COMMUNITY**

This Action Research project aimed to address the needs of the women of the waste pickers community in the neighbourhood of the College. A survey was conducted to understand their living conditions, socio-demographic profile and identify the challenges and needs of the women in the Waste pickers community.

The students of the Department of Social work identified GRACE a non-governmental organization located at Horamavu, Bangalore to conduct their Action Research. Their main strategy was conducting concentrated group conversations to understand the real plight of the target group. The students of Kristu Jayanti College interacted with many trash collectors at different spots to gain an understanding of their work and personal lives. The students also travelled with them to gain a better understanding of their work, family situations and living arrangements. Focused group discussions were conducted to identify the perceptions of women in adapting to this particular livelihood, the economic burden on families, psychological problems of women, and their hope to building a different lifestyle for the upcoming generation. The students created a fund-raising flyer which they distributed, receiving positive and negative reactions and financial contributions from the Public. The researchers were able to raise Rs. 23,000 with which two sewing machines, several reels of thread, tailoring scissors, measurement tape, tailoring chalks and a collection of reusable fabric for practise fitting were purchased. The women of the

waste pickers' community were able to benefit from the supplies given by the students and were able to hone and refine their tailoring skills.

The students of the Department of Social Work at Kristu Jayanti College were able to witness firsthand the value of education for the next generation and how it might affect the lives of the children in their effort to break the cycle of poverty.

At the GRACE Center

## **PROJECT 5: SDG ACTION RESEARCH ON THE HEALTH AND HYGIENE PRACTICES OF A MIGRANT COMMUNITY**

A few of the students of the Department of Social work took the initiative to hold a COVID -19 Awareness Program and distribute COVID -19 prevention kits to the residents of the BDS Nagar Slum especially to the men and women who were employed in Kothanur in the neighborhood of Kristu Jayanti College. In collaboration with the Department of Social Work at Kristu Jayanti College in Autonomous Bangalore, the awareness event was held for around 80 residents of the slum, including men, women, and children. The students through their interaction with the community members learned about the community's struggles caused by lack of restrooms, especially the hardships faced by the elderly, expectant mothers and young girls who found open defecation embarrassing and distressing. The students soon managed to install a mobile toilet for the community. The students also conducted sessions and awareness on proper menstrual hygiene for the women of the community. The students of Kristu Jayanti College also completed a post-analysis survey and were delighted to notice the improvements in the community's sanitary conditions. The community members were really pleased

with the social work trainee's involvement and support and expressed the same to the researchers.

COVID -19 Awareness Program

## **PROJECT 6: ACTION RESEARCH ON ENSURING CHILD SAFETY AND NUTRITIONAL NEEDS OF THE CHILDREN OF MIGRANT LABOURS**

The students of the Department of Social Work at Kristu Jayanti College initiated this research with the goal of creating an awareness of child safety, mobilizing resources for the migrant workers for nutritional supplements, and providing supplementary nutrition to the children.

The K. Narayanpura slum, in the neighbourhood of the College was the site of a survey conducted by students of Kristu Jayanti College, using a quantitative technique in the form of a questionnaire. Understanding the economic situation of migrant workers, their health and hygiene, and the safety of migrant children were the key goals of this study. The research was conducted with the aim of understanding and analysing the correlation between health and sanitary conditions prevalent among the migrant community. As the migrant workers' economic situation was unstable, there was a lack of access to nourishing food. The students mobilised around 20,000 rupees through crowd funding and distributed nutritious kits and sanitary supplies to the 22 migrant families. Young girls in the community learned to use sanitary napkins instead of cloth. Child safety lessons that equips children with age-appropriate knowledge, abilities, and self-esteem were also conducted so they may actively participate in their own security. The sessions taught children that nobody has the right to touch them inappropriately because their body is solely theirs. The researchers were able to witness better health conditions and hygiene practices among the children of migrant labourers after this action project.

## **PROJECT 7: ACTION RESEARCH ON “HEALTH AND SAFETY AMONG MIGRANT CONSTRUCTION WORKERS”**

The students of the Department of Social Work at Kristu Jayanti College implemented this research with the goal of identifying the challenges faced by migrant construction workers during the pandemic, especially the health and environmental conditions of the migrant construction workers, and creating awareness of various health and safety benefits. To better understand the circumstances of migrant workers and the effects of the COVID-19 epidemic on health and safety conditions, the students visited four construction sites in Bangalore. The researchers interacted with all types of construction workers and labourers at several construction sites to observe their work styles and lifestyles. The students were successful in raising Rs. 15,600 to help the community. According to their analysis, the majority of migrant workers were uneducated or had discontinued schooling due to financial difficulties, family obligations or immediate employment possibilities. According to an analysis of the causes of migration, the employees came from various parts of the nation either in pursuit of a job or were compelled to migrate to meet their basic needs.

The students of Kristu Jayanti College sought to provide basic healthcare by getting the elderly parents of the migrant construction workers vaccinated through their association with the Project Manager at the neighboring Government run Primary Health Centre. Essential needs of the migrant labourers, such as blankets, bed sheets, clothing and food, were also provided.

## REPORT ON NATIONAL LEVEL SEMINAR

**Intra collegiate**

UNSDG GOAL 3

Good Health and Well-being

**Department:** Department of Psychology

**Title:** Malnourishment - its impact on mental health among girl children

**Date:** 27th August 2022, 10am -12pm

**Venue:** Online - Kristu Jayanti College (Autonomous), Bengaluru

**Number of Beneficiaries:** 364

**Resource Persons:** Prof . L.N. Suman

### **Brief Write-up:**

The Department of Psychology organized a National Level Seminar on 27/8/2022 online mode from 10am -12pm. Resource person for the session was Prof. L.N. Suman , (i) Consultant, Adult Psychiatry Unit 2 ,(ii) Consultant, Trauma Recovery Clinic, NCWB, (iii) Chairperson, Internal Complaints Committee, NIMHANS , on Malnourishment and its impact on mental health among girl children

Inaugural address was given by Dr Molly Joy in which important statistics associated with malnourishment was discussed. Objective of the national level seminar was to create awareness among mental health professionals and budding professionals in the gray area of malnourishment covered in the information shared by Professor Suman. The session was thought provoking and she delivered the seminar with great expertise on the subject matter. She talked about malnourishment as a global challenge in detail. She explained how malnourishment can impact the mental health of girls. She talked about various factors, causes and symptoms. She talked about how culture and patriarchy can also be one of the factors influencing malnourishment among girl children. She gave an in depth note on the mental health of girl children who suffer from malnourishment. She talked about what we can do as a society to improve this condition, what role the government and legal bodies can play in eradicating malnourishment.

The main focus of this program is in line with the UNSDG GOAL 3 of Good Health and Well-being which emphasises on creating awareness about the importance of mental health. The program proved to be a medium to create awareness among young girl children on the need to have mental health for well-being.

## **GALAXIA- Science Exhibition**

**Department:** Computer Science (UG)

**Program name:** GALAXIA

**Date:** 29/09/2022

**Time:** 9.30AM

UNSDG GOAL 4  
Quality Education

**Venue:** M1 Auditorium, 1<sup>st</sup> floor Main Block, Kristu Jayanti College (Autonomous), Bengaluru

**Chief Guest:** Souma Kumar Paul, Member of technical staff, VMware-QA, Bengaluru

The computer science exhibition was conducted on 29<sup>th</sup> September 2022, Thursday. The exhibition started by 9:30 A.M. The chief guest for the day was Mr. Souma Kumar Paul, Member of technical staff, VMware-QA, Bengaluru.

The exhibition was conducted as a part of community engagement by department of computer science. Nearly 525 students from 5 different schools nearby Hennur attended the exhibition. Additionally, the exhibition was open for the children of migrant workers in nearby areas of Hennur, Bengaluru. About 35 children of migrant workers attended the exhibition. The aim of the exhibition was to give an inspiration and exposure to the school children and migrant workers children about science and technology. As per the feedback from the children and the teachers who attended the exhibition, it was really very beneficial in terms of giving insight into the areas of science and technology. Overall the programme was very successfully conducted.

The thrust of this program was based on the UNSDG GOAL 4 of Quality Education which reiterates the need for quality education for all. The program provided a platform for the less privileged children to get an exposure to scientific study.

### **Name of schools attended the exhibition along with number of students:**

1. Don Bosco High School – 33 students
2. Prestige group of institutions – 150
3. Prestige school, Arkawathi Layout – 210
4. St. Theresa Boys school – 50
5. Bishop Sergeant High School – 50
6. Migrant worker children- 35

## **Brief Report:**

The department of social work in collaboration with the Department of Economics organized a one-day National Seminar on Womenomics. The seminar was divided into three sessions namely the inaugural, the first session on Women entrepreneurship and economic development, and the second session on design thinking in entrepreneurship.

## **Inaugural Session:**

The inaugural began with the Department choir being invited to lead the gathering into prayer. This was later immediately followed by the welcome address and the prelude delivered by **Dr. Jonas Richard A**, Head, Department of Social Work. He highlighted the importance of the title of the seminar, he also spoke about the statistics of women's representation within the college as well as in the country to highlight just how necessary the idea of women-centered economic development is.

Following this **Fr. Dr. Augustine George**, Principal, of Kristujayanti College,(Autonomous) gave the presidential address, where he spoke about how important it is to not just empower women, but also educate and encourage them simultaneously in order to ensure their successful development. He highlighted the significance of the topic and its relationship to Sustainable Development Goals.

Later **Ms. Rosanne Fernandes** (Social Work Trainee) introduced the chief guest, **Ms. Rupa Rani**. She addressed the gathering on the current situation of the women workforce in India. She also spent some time sharing her own success stories and spoke about how courage and determination is very much necessary to achieve great things. Do not pay heed to the taunts and humiliation is yet another thing she touched and stressed in her inaugural address.

The inaugural program came to an end with the vote of thanks delivered by **Dr. K. Vinodha Devi**, Head, of the Department of Economics, and finally, the Jayantian anthem sung by the department choir.

## **Session one - Women Entrepreneurs and Economic Development**

The program was initiated with **Ms. Gifty Merin Jacob** (Social Work Trainee) welcoming and introducing the resource person **Ms. Harini Reddy** who would be conducting the session on women entrepreneurship and economic development. Ma'am throughout her presentation highlighted the importance of having a passion and interest to do and achieve One Stream and goal. She also shares with the gathering several tips and suggestions to stay focused on their goals.

As an entrepreneur with no family background in the arena of entrepreneurship, she described the initial struggles and hardships she faced. To her, one of her most challenging hurdles was the pandemic. However, she did not let that hold her back unsuccessfully and stood up again with even more determination, which led her to open several more outlets of her restaurant. The main message she highlighted was to always have a passion and to have a strong support system throughout.

The session ended after a short while spent attending to certain questions b from the audience, with the vote of thanks delivered by **Ms. Aleena Biju** (Social Work Trainee).

## **Session 2 - Design Thinking in Entrepreneurship**

The session on design thinking in entrepreneurship began with **Ms. Aditi Parsai** (Social Work Trainee) welcoming and introducing the resource person **Ms. Divya R Tedimeti**. While in the previous session it was more about passion, this session was more about authenticity and knowing oneself, and being creative. M.s Divya stated that each person has the potential to achieve greater things; it is just a matter of realization on the part of the person for them to achieve great things.

She also spent a considerable amount of time explaining the beginning of her career with VOXCOACH and related it to design thinking. Spending at least a few minutes reflecting, she said, would help us achieve great things in life, it would make us feel more in touch or sync with our inner self and subconscious.

**AUTONOMOUS**

**Bengaluru**

Reaccredited A++ Grade by NAAC | Affiliated to Bengaluru North University

She also conducted a short vocal exercise for the gathering and once again reminded the gathering of the importance of reflecting. The session ended with a vote of thanks delivered by **Ms. Kanchan Kumari** (Social Work Trainee), thereby ending the entire national seminar.

The seminar was well coordinated with the efforts of the faculty members of the Department of Economics and Social Work.

The seminar was enlightening as it aligned with the UNSDG GOAL 8 Decent Work and Economic Growth. The discussions held on the topic Womenomics threw more light on the possibilities and opportunities for growth through interdisciplinary action plans.

**Outcome:** Enabled students to witness the journey of women entrepreneurs in a country like India, which is primarily a male-dominated country, and how practical concepts like Womenomics could help redefine this reality to a major level in the long run.

**UNITED NATIONS ACADEMIC IMPACT HUB FOR SDG-1  
OBSERVATION OF INTERNATIONAL DAY FOR THE ERADICATION OF  
POVERTY  
REPORT OF SESSION ON PRINCIPLES OF AGROECOLOGY**

**Title: Principles of Agroecology**

**Date: 17/10/2022**

**Time: 4:30 PM**

**Number of beneficiaries: 160**

**Program type: In-house lecture session (Virtual)**

**External Resource Person: 1**

UNSDG GOAL 1

No Poverty

**Resource Persons with details:**

1. Dr. Annie Fanatico, Professor, Department of Sustainable Development, Appalachian State University, USA.

**Brief write up:**

International Day for the Eradication of Poverty is observed every year on October 17 globally. It is a day to raise awareness about the global issue of poverty and how it is a violation of human rights and human dignity. On the occasion of the 35th anniversary of the World Day to Overcome Extreme Poverty and the 30th anniversary of the International Day for the Eradication of Poverty, this year, the UN honors people living with poverty and their daily courage and raises awareness on why global cooperation is necessary to eradicate poverty.

As a part of United Nations Academic Impact Hub for SDG-1, Kristu Jayanti College (Autonomous) observed International Day for the Eradication of Poverty by conducting an expert lecture session on Principles of Agroecology. The resource person for the day was Dr. Annie Fanatico, Professor, Department of Sustainable Development, Appalachian State University, USA.

The expert lecture started with an introductory note from Dr. Loyola Thomas followed by prayer song by the college choir. The gathering was welcomed by Dr. Jonas Richard A. The presidential address was delivered by Rev. Fr. Dr. Emmanuel P.J. The importance of observing International

day for eradication of poverty and the role of education and academicians were emphasized during the presidential note given by Rev.Fr.Dr. Immanuel P.J. There were about 435 participants attending the lecture session through Zoom platform.

The expert lecture session was taken over by the resource person after the presidential address. The session emphasized more on creation and usage of agricultural lands that can provide eco-benefits, concept of agroecology, benefits of agroecology and contribution of agroecology to the social equity, social change and finally social transformation locally, regionally, nationally and globally. The session also had detailing on root causes of poverty and hunger due to climate change, biodiversity loss, pandemic and social injustice.

The session ended with focus on social dimensions that can eradicate poverty through various ways. The vote of thanks was proposed by Dr. Sruthi Sivaraman and the expert lecture session was a great success.

## **UNITED NATIONS ACADEMIC IMPACT HUB FOR SDG-1**

### **OBSERVATION OF UNITED NATIONS DAY**

#### **REPORT ON EQUIZ**

**Title: EQUIZ**

**Date: 24/10/2022**

**Number of beneficiaries: 292**

All 17 UNSDG GOALS

#### **Brief write up:**

The United Nations Academic Impact Hub for SDG-1, Kristu Jayanti College (Autonomous) observed United Nations Day on 24 October 2022 by organizing an EQUIZ for undergraduate and postgraduate students. United Nations Day, on 24 October, marks the anniversary of the entry into force in 1945 of the UN Charter. On 31 October 1947, the UN General Assembly, by resolution (168 ((II))), declared that the Day would be devoted to raising awareness of the goals and achievements of the Organization and gaining support for its work. In 1971, the Assembly recommended that UN Day be observed as a public holiday by all Member States (resolution 2782 (XXVI)). With the ratification of this founding document by the majority of its signatories, including the five permanent members of the Security Council, the United Nations officially came into being.

The EQUIZ was conducted with the aid of a Google Form. The questions for the quiz were taken by the faculty members. The topics were based on status of poverty in India taken by Dr Rakhi , Status of poverty around the globe questions taken by Dr Sruthi and United Nations and SDG impact questions taken by Dr Lyola Thomas. The total marks for the quiz was 30. The Google Form link was shared with the students on 24<sup>th</sup> October. Students from the different deaneries of Humanities, Commerce and Management and Life participated enthusiastically in the quiz. Overall 292 students participated in the quiz.

## Photos:

Screenshots of the Google Form

The screenshot shows a Google Form titled "United Nations Day E-Quiz" with a header banner for "United Nations Day 24 OCT". The form is for the email "giftsy@kristujayanti.com" and includes a "Switch account" link. A note states, "Your email will be recorded when you submit this form." Below this, a "DETAILS" section contains four required text input fields: "Name", "Reg. No.", "Class (eg. III BA English Hons./ II MSW)", and "Department". At the bottom, there are "Back" and "Next" buttons, a progress bar indicating "Page 2 of 3", and a "Clear form" link.

### Student Panel Discussion-

#### “The Climate Crisis: Need for Global Action”

UNSDG GOAL 13  
Climate Action

A session aimed at understanding the seriousness of climate change and spreading the awareness of the same.

**Date:** 07.11.2022

**Number of beneficiaries:** 54

#### Objective:

- To boost interest in research by discussing in-depth about the level of climate change occurring every day, its effects and causes and the need for global attention.

#### Brief Write up on the Program

“We are the first generation to feel the effect of climate change and the last generation who can do something about it.” — Barack Obama.

On the 7<sup>th</sup> of November 2022, the Department of English organized Student Panel Discussion on The Climate Crisis, Need for Global Action for the students of MA English Literature. The action was assertive and absorbed well by the minds of students and it assured the environment studies that they learned in past.

The students gathered in Audi 02, Admin block, began at 11:15 am and was attended by PG Students of both first years and second years of MA English Literature and Faculty members of the Department of English, Dr. Krishna Prabha, Dr. Brighton A Rose, and Dr. S.A. Sovya Shephyr. The event began with the prayer song sung by the Department choir. Ms. Sunidhi S Jugale of 2<sup>nd</sup> MA English was the MC of event. The welcome address was delivered by Ms. Sandra of 2<sup>nd</sup> MA English. For the panel discussion, students from 1<sup>st</sup> and 2<sup>nd</sup> MA were asked to present their concerns towards the climate change and putting forth their areas of issues that left a mark on their minds regarding the same. The student panelists were Mr. Anmol Dave of 1<sup>st</sup> MA, Ms. Tenzen

Yengchi of 1<sup>st</sup> MA, Ms. Sudha Toppo of 2<sup>nd</sup> MA, Ms. Ishoriya Thonaujam of 2<sup>nd</sup> MA, and Ms. Bhoomika of 1<sup>st</sup> MA who spoke on “Climate Change and Biodiversity along with causes and solution”, “Effect of Climate Change on Tibetan Plateau”, “Effects of climate change on animals”, “Climate Change and Indigenous People” and “Impact of Veganism on climate change” respectively. Some of the key highlights they mentioned and emphasized on were very impactful and worth of audience’s attention that ultimately gave rise to people getting more aware of the deterioration happening due to the climate change. Some of them are regarding the factors that causes climate change and the possible solutions that keep the climate change under control, the animals who hit the IUCN Red List signalling towards their extinction due to change in climate, rising temperature and invasive species, role of indigenous people in conserving the climate, connection of veganism with Green House Gasses and how veganism can play the utmost important role in changing the climate. The enthusiastic event was followed by a series of questions and answers and interaction between Dr. Krishna Prabha and the student panelists led to the success of the event.

Finally, The Vote of Thanks was given by Ms. Francin of 1<sup>st</sup> MA English Literature. The program ended with College Anthem and a photo session was held to celebrate the successful accomplishment of the event that served the very basis of the event that was igniting the light of concern and awareness among the students.

The challenging panel discussion enrolled the students’ mind with challenging questions and mindful facts of climate change.

This programme was based on UNSDG 13 Climate Action, where the students came together and discussed the threats of climate change and its remedial measures.

## DEPARTMENT OF MEDIA STUDIES (PG)

### REPORT– Rural Exposure

#### TITLE: Making the invisible visible

**Date:** 17/11/2022 to 18/11/2022

**Classes Attended:** III Semester MA JMC

**Number of beneficiaries:** 13 Participants

UNSGD GOAL 6

Clean Water and Sanitation

**Name and details of the Resource Person:** Dr. Juby Thomas, Coordinator, Department of Media Studies (PG), Kristu Jayanti College Autonomous, K. Narayanpura, Bengaluru.

Mr. Vishnu Achutha Menon, Assistant Professor, Department of Media Studies (PG), Kristu Jayanti College Autonomous, K. Narayanpura, Bengaluru.

#### Rural Exposure-Making the invisible visible

The Department of Media Studies PG, Kristu Jayanti College UNAI Hub for SDG-1 in association with the center for service learning and the Department of Media Studies (PG) organized a 2-days campaign on 'Clean Water and Sanitation in Kaiwara Village, Chintamani Taluk of Chikballapur District in Karnataka on 17 & 18 November 2022, providing an opportunity for the students to gain hands-on experience and practical skills while being exposed to rural areas.

The commemoration of **SDG -6** took place as the students carried out a Two-day Clean Water and Sanitation Campaign with the purpose of 'Making the invisible visible. 13 students were accompanied by 2 faculty members who together explored various areas of the Kaiwara village. A Two-day itinerary was planned out which was executed once the Jayantians reached the Sri Yogi Narayana Mutt, where their food and accommodation were taken care of.

The first day started with an interaction with the PRO of the Mutt Mr. T L Anand, who gave a detailed historical significance of Kaiwara and the mutt that we were staying at. After the interaction, the Jayantians visited the Government High School, Kaiwara. Here the batch of only 13 students was divided into three groups where each group was assigned a particular topic and

# Kristu Jayanti College

**AUTONOMOUS**

**Bengaluru**

Reaccredited A++ Grade by NAAC | Affiliated to Bengaluru North University

activity to carry out. Keeping the campaign and purpose of the visit, the students carried out an awareness campaign on clean water, hygiene, and sanitation which included a skit. While one team performed the skit while the other two teams engaged the students with sustainable art and craft activity and exercises on English grammar. Soon after this, the students went into different village areas based on their teams and interacted with the villagers while carrying out a survey that was required for their field of study.

The second day was concentrated on visiting places of significance which included a trek up the Kaiwara Hill, NarasimhaSwamy Temple, Antargange Hills, and Caves, and not forget the visit to the College of Sericulture, Chintamani. Two professors of the College were allotted as guides who walked the students through the whole process of how silk is harvested and made into silk sarees. From the plantations to worms forming the cocoons, to the weaving of the silk in the machines was all shown step by step. Through this, the students acquired knowledge on the types of silkworms and the type of silk they produce, and much more. One of the most interesting parts of this tour was seeing how every single thing was made use of- for instance, dry cocoons were made into beautiful crafts such as the Ganesha idol, flowers, jewelry, etc.

This trip was not only informative but it also proved to be a much-needed break from the monotonous routine that the students had. It gave them a chance to engage in learning outside their classroom. The survey they carried out impacted their research and analytical skills. Such trips become a part of the core memory that the Jayantians would carry along even after their college life.

**WebURL:** <https://kristujayanti.edu.in/academics/College-Arts-Science-Commerce/Faculty-Humanities/journalism/Other-Activities.php>

**Feedback:** It's an excellent programme to understand the rural life. It helped me to develop a knowledge related to clean water and sanitation. We collected the information regarding agricultural and water problem in the summer. We interacted and created awareness on clean water and environment. I acquired knowledge on the types of silkworms and the type of silk they produce, and much more. It gave us an opportunity to connect in learning outside the classroom.
