Jayantian Extension Services of Kristu Jayanti College (NSS, NCC, CSA, & Dept of MSW) in association with, Rotary TTK blood bank, NIMHANS blood bank, and Lions blood bank had organised a blood donation camp in college premises on 12th January 2016. Students and faculty members donated blood with great spirit and enthusiasm, where 414 units of blood were collected from the camp.

Rev. Fr. Josekutty P D, Principal, Rev. Fr. Augustine George, Vice Principal, and Rev. Fr. Lijo P Thomas, financial administrator appreciated all the students who participated in the blood donation camp.

It was a great event and received a huge response from students. The students and faculty members were informed about the prerequisites to donate blood. All those who donated blood were provided with refreshments and also awarded a certificate. The team of doctors thanked the management, principal, volunteers, and teachers for their co-operation. The event marked and strengthened the great words of '*DONATING BLOOD IS DONATING LIFE*'.

2.VAN MAHOTSAV

List of Beneficiaries: 232 (CSA-20, BCA-33, B.Com-99, BBA-50)

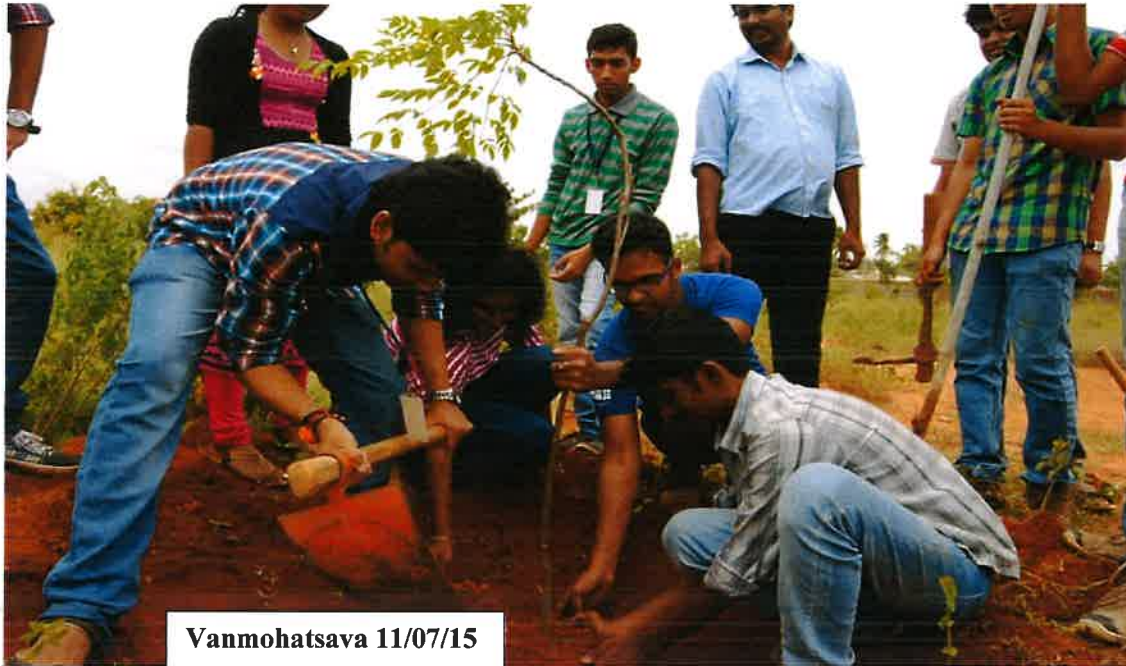

Trees are the life source of the planet; its alarming decrease has raised serious concern. To combat this issue a movement was initiated in the year 1950 by the Indian Union Minister for Agriculture, Kulapati Dr. K M Munshi.

“If a tree is saved at the cost of one’s head, it’s worth it”, said the noted activist Amrita Devi Bishoni. Centre for Social Activities celebrated Van Mahotsav on 11th July 2015 at Primary Health Centre, Bagalur. CSA volunteers assembled at 9.30 a.m and were divided into groups of five. The groups planted saplings and nourished the planted saplings, under the guidance and supervision of CSA staff coordinators Mr. Manjunath S Gowda and Mr. Ragavendra Babu. 78 volunteers actively participated.

Van Mahotsava was not only an event to plant trees and saplings, it rather turned out to be a great and splendid event, it nourished the relationship among the students to work as a team for the betterment of society and the environment.

This programme created awareness among students and emphasised the importance of growing trees.

The events are as follows:

1. **Swachh Bharath:** This was the first event that was being held in the camp, where all the CSA volunteers including the faculty coordinators cleaned the entire surrounding of the village, the villagers were also inspired by this and helped us in cleaning. This activity helped to bring about a change in the attitude of the villagers and volunteers concerning cleanliness and environmental protection. Volunteers worked hard and completed the event.
2. **Farm visit:** Organised a farm visit which helped the local villagers and the volunteers as well. They came to know the importance of planting trees and the uses of it. Our volunteers did a great job here too.

The school children actively participated in all the games conducted by the volunteers and were given prizes. It seemed to be very beneficial for the school children as they gained some knowledge about sports and participation.
4. **Survey:** this was also an important event in the camp held in the evening by our student coordinators and the volunteers. The villagers cooperated in the data collection and explained their details. This was very useful for the volunteers, as it helped them to know about the literacy rate and the problems faced by the villagers.

5. **Rangoli:** a competition for women and young girls was also conducted by our volunteers and the faculty coordinators. They actively participated in this competition, and they were rewarded with prizes later.

6.AWARENESS CAMPAIGN ON DENGUE

List of Participants: 283 Students

The awareness campaign on dengue fever and the mosquito control measures was organised by BBMP on 12th September 2015 at Banaswadi. The CSA volunteers of Kristu Jayanti College actively took part in an awareness campaign. The rally was flagged off by Mr. K J George, Home Minister, Government of Karnataka. Handbills carrying information on the symptoms of dengue fever, prevention measures, and mosquito control was distributed through the health workers and students.

The volunteers were successful in spreading awareness about the growing habitats of dengue and the possible ways of destruction. People were informed about the preventive measures and were encouraged to adopt repellent methods to fight against such viral diseases.

40 CSA volunteers were accompanied by the CSA coordinators, Mr. Manjunath S and Ms. Preethi.
