ENVIRONMENT CLUB
ACADEMIC YEAR (2017-2018)

ENVIRONMENT CLUB

OBJECTIVES AND PLAN OF THE YEAR

The Environment club is a club for students to bring their ideas and interests on improving and maintaining the natural environment of the community and the campus. Environment awareness, cleaning up the environment, tree planting are some of the club's activities. Periodic meetings and planning of the programme by enthusiastic members are special features of the club.

Objectives

The objectives of the Environment Club are:

1. To raise awareness about environmental issues.
2. To instil a sense of responsibility for the environment and a personal commitment to protect and preserve the environment.
3. To educate and cultivate an appreciation and interest in the environment.
4. To find out solutions to environmental issues and put it into practice.
5. To ensure environment friendly practices in the college.

The Club will be involved in a diversity of programmes aimed at promoting environmental consciousness and protecting the environment. Members will contribute by providing creative ideas on how to initiate and organise programmes in line with the Club's objectives as well as participating in hands-on "green" activities in the college. Guest lectures with emphasis on environment protection, orientation talk, orphanage visit and national level 'Green India' essay competition.

ENVIRONMENT CLUB

Vision

Our vision is a greener Earth in which people are conscious of their environmental responsibilities and practice the principles of reduction, reuse and recycling of resources.

Mission

Our mission is to instil a sense of responsibility for the environment and a personal commitment to protect and preserve the environment among the youth. We are committed to working locally to improve the social, economic and environmental wellbeing of our community.

PLAN AND REVIEW OF ENVIRONMENT CLUB ACTIVITIES

1. Green initiatives of KJC were monitored

Students were assigned to monitor the green initiatives of the college from 2nd August, 2017 to 31st January 2018. The Environment Club students were divided into groups and each group monitored conservation of water and electricity in the respective floors assigned to them. They also laid emphasis on maintaining clean and green campus by setting themselves as examples and motivating others to do so.

2. Guest Lecture on Clean and Green India

The Environment Club of Kristu Jayanti College, organized a talk on the topic “Clean and Green India” on September 14, 2017. The talk was held as one of the many activities under the Swachhata Pakhwada programme. The speaker for the talk was Dr. Joseph K. S., Assistant Professor, Department of Life Sciences, Kristu Jayanti College.

3. Orphanage visit to Snehadeep Care Centre.

On the 15th of September 2017, the III Semester B. Sc. students of the Life Sciences Department visited Snehadeep Care Centre for the visually impaired. This orphanage visit was an initiative from the Environment club of Kristu Jayanti College as a part of Swachhata Pakhwada. The care center is situated in Cox town, Bangalore and had around 30 students present there.

4. Guest Lecture on 'Self or Sustainability?'

The speaker briefed about the essential components needed for Sustainable Development. He also gave information about the various ways and means by which his firm contributes in a positive way to the issue at hand. He stated the fact that this form of development was the need of the hour and wasn't like an unachievable goal. All that it needed was a simple step in the right direction by each individual living on this earth.

5. 5th National level Green India Essay Competition 2017 for PU/ 11th & 12th students.

The Environment Club in collaboration with the Department of Life Sciences of Kristu Jayanti College organized the 5th National Level 'GREEN INDIA' essay competition. The title for this year's competition was 'My solutions to environmental issues'. The best essay gets awarded with a cash prize of ten thousand rupees followed by prizes of seven thousand and five thousand rupees for the second and third place respectively. The essay competition was announced in the month of October 2017. The last day of submission was Dec 9, 2017. The contest received an enthusiastic response with over 78 participants from 14 schools from different parts of India. The prizes were announced on Jan 6, 2018.

REPORT ON GREEN INITIATIVES IN KRISTU JAYANTI COLLEGE

Kristu Jayanti College aims to create awareness on various environmental issues prevalent today. Environmental issues are to be solved with highest priority so that the future generations may find earth worth living. Kristu Jayanti College strives to make the students conscious of their environmental responsibilities and practice the principles of reduction, reuse and recycling of resources. We are committed to working locally to improve the social, economic and environmental wellbeing of our community which will leave us with a greener Earth. Students were assigned to monitor the green initiatives of the college from 2nd August, 2017 to 31st January 2018.

Our Initiatives- Eco Friendly measures taken by the college:

- A well-established rainwater harvest system with a storage capacity of 24 lakh liters.
- Solar energy mediated power supply with generation of 56 KW solar power in the campus.
- 80% of electric bulbs in the campus are Light Emitting Diode (LED) which has revolutionized energy-efficient lighting and energy conservation.
- All forms of paper waste from the college are recycled in association with NGOs.
- College serves as a green campus with a wide variety of plants in the college providing a pollution free atmosphere. Important medicinal plants are also well maintained in the college premises. Vegetation in the campus is identified and recorded
- To utilize the findings of Laboratory Practicals, **lab to land** programme, is practiced using Bio fertilizers formulated in the Life Sciences laboratory which are applied in the nearby farm lands to enhance the soil fertility, quality and improve productivity.

Kristu Jayanti College

AUTONOMOUS Bengaluru

Reaccredited 'A' Grade by NAAC | Affiliated to Bangalore University

REPORT OF GUEST LECTURE ON “CLEAN AND GREEN INDIA”, AS PART OF SWACCHATA PAKHWADA ORGANIZED BY ENVIRONMENT CLUB

The Environment Club of Kristu Jayanti College, organised a talk on the topic "Clean and Green India" on September 14, 2017. The talk was held as one of the many activities under the 'Swacchata Pakhwada' programme. The speaker for the talk was Dr. Joseph K. S., Assistant Professor, Department of Life Sciences, Kristu Jayanti College.

The session began by the introduction of the speaker by Dr. Sivagama Sundari, Assistant Professor, Department of Life Sciences, Kristu Jayanti College. The introductory session was followed by the talk delivered by the speaker.

In the talk, Dr. Joseph briefed the students about the three main components on which the 'Swacchata Pakwada' was based; Swachh Bharat Abhiyan, Green India Campaign and the Clean Ganga Project. Under each of these main topics he explained the Mission objective, concept and the goal of each project. He explained ways in which these programmes are the need of the hour, going by the current scenario of the amount of pollution and other environmental issues that have been plaguing us in the past few years.

He also explained to the students their role as an individual and citizen of India in helping this cause. He stated the fact that this responsibility towards the programmes should start from themselves; a responsibility that begins with them and begins first in each ones surroundings. He concluded by saying that the students could take one small step that would lead to a giant leap in the success of this programme. The session ended with the vote of thanks, which was proposed by the Environment Club Coordinator, Mr. Pradeep P.

Dr. Joseph delivering the talk

REPORT OF VISIT TO SNEHADEEP

(SOCIAL OUTREACH PROGRAM) ORGANIZED BY ENVIRONMENT CLUB AS PART OF SWACHHATA PAKHWADA

On the afternoon of 15th September 2017, the third semester students of the Life Sciences department, as an initiative from the Environment club of Kristu Jayanti College, visited Snehadeep Care Centre for the visually impaired for Social Outreach Program as a part of Swachhata Pakhwada. The care center is situated in Cox town, Bangalore and had around 30 students present there. At the outset, the students were greeted by Mr. Yogesh, the coordinator of the care shelter, who gave them insights about the place and its establishment and how the students residing there were touching the skies of success in their own unique way. Students were then taken to the computer lab where they were explained how technology was made easy for the visually impaired students through various innovative methods. Students were then given samples of braille script. Some of the students also got their name written in braille script.

A few students also interacted with the residents and realised that they lived a life much more adventurous than their own. There were many residents who had participated and even won national level competitions in areas of sports and public speaking. There was a boy who had competed against the Asian Chess champion. The day ended with an interactive session of the game of 'anthakshari' and the students went back realizing that there is nothing that should stop them from achieving their goals.

Orphanage visit to **SNEHADEEP CARE CENTRE**

REPORT ON GUEST LECTURE ON SUSTAINABLE DEVELOPMENT**

Title: 'Self or Sustainability?'

Date: 21st September, 2017

Classes Attended: B. Sc., M. Sc. (BT & MB), BBA, B. Com

Number of beneficiaries: 230 students

Name and details of the Resource Person: Mr. Satyaprakash Varanashi, Consulting architect at Satya consultants Bangalore.

Objective: To emphasize on the need for sustainable development and conserve the natural resources in the environment.

Brief Write up on the Programme:

The speaker briefed about the essential components needed for Sustainable Development. He also gave information about the various ways and means by which his firm contributes in a positive way to the issue at hand. He stated the fact that this form of development was the need of the hour and wasn't like an unachievable goal. All that it needed was a simple step in the right direction by each individual living on this earth.

The talk was then followed by an interactive session with the audience, wherein the students questioned the speaker about their doubts related to this topic. Mr. Satyaprakash further enlightened the students about all of the various possibilities that were in store for them, to work towards fulfillment of the sustainable development. He concluded by showing pictures of the various houses and buildings that he had designed and how these structures are quite an efficient choice for the same.

Feedback: Students were benefited by this lecture as it enabled them to understand the importance of sustainable management.

Guest lecture on sustainable development

Introduction of Resource person

5 th NATIONAL LEVEL GREEN INDIA ESSAY COMPETITION 2017

REPORT

The world is a constantly changing sphere of time and space. Advancements are made with immense vigour in order to attain technological milestones and most of these steps to progress are made at the cost of the environment. The need for awareness of the same is imperative, so is the need to come up with effective solutions.

The Environment Club in collaboration with the Department of Life Sciences of Kristu Jayanti College organized the 5 th National Level 'GREEN INDIA 'essay competition. The title for this year's competition was 'My solutions to environmental issues'. The best essay gets awarded with a cash prize of ten thousand rupees followed by prizes of seven thousand and five thousand rupees for the second and third place respectively. The essay competition was announced in the month of October 2017. The last day of submission was Dec 9, 2017. The contest received an enthusiastic response with over 78 participants from 14 schools from different parts of India. The prizes were announced on Jan 6, 2017. The felicitation ceremony took place during the inaugural function of the National conference on "Genetics for human welfare" on Jan 22, 2018.

The competition gave the upcoming generation a platform to express their concern for the future. The participants displayed their awareness of the current situation as well as the future implications if things weren't changed. These young minds also brought to notice small yet significant ways to reduce our carbon footprint on this planet, by bringing a small change in our everyday lives. Who could have ever given a serious thought how much waste is generated when people throw waste out of their windows when travelling by a bus. A small innovation of installing a dustbin in all public buses would bring about so much positive impact.

Similarly back at each of our homes unclean water from the water purifiers are never really put to use. Water so collected if reused can be such a relief on the water sources. The act of planting bee-friendly draught tolerant and native species of vegetation instead of lawn grass was also proposed. This slight change in gardening trends can contribute immensely towards conservation of local biodiversity as well as add more diversity to one's garden. An alternative where people try to suffice their needs with locally made products so as to reduce the environmental as well as financial cost of transportation can also be implemented. This change might slightly change our day to day lives but might be a boon for the future generations.

A suggestion was made towards the government wherein permission for the construction of factories and industries is granted only if they are sufficiently far away from human settlements

to prevent any more Bhopal gas tragedies. Nelson Mandela rightly said “Education is the most powerful weapon you can use to change the world.” Following this teaching, the need to properly educate people that the biggest threat to humanity is the threat our lifestyle is causing to nature was implied. Even though the efforts have already been taken, they clearly don’t serve the needs as people still have completely understood the threat. Joining our hands in making the world a healthier place to live in step by step, will change the face of the future.

5th National level green India essay competition

Topic:

‘MY SOLUTIONS TO ENVIRONMENTAL ISSUES’

Sl No.	Student Name	Institution
1	Rohith R	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
2	Aishwarya Hari	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
3	Kannan Ratish	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
4	Sanjana Nair	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
5	Pallavi Radhakrishnan	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
6	Serah Mathew Vinod Panicker	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
7	Mohd. Arham Ibrahim Rasheed	Christ Nagar Int. School Vellayambalam, Trivandrum district, 695003, Kerala.
8	Nivedita Tiwari	Bharath Matha Composite PU College, Mysuru, 571104, Karnataka.
9	Anjali Rajendran	Chavara Public School, Pala, 686575, Kerala.
10	Shwetha Sasindran	Chavara Public School, Pala, 686575, Kerala.
11	Niha Headly	Chavara Public School, Pala, 686575, Kerala.
12	Tansia Saboo	Lakshimpat Singhanian Academy, Kolkata, 700027, West Bengal
13	Nehan Jaleel	Ideal Public School, Kadalundi Nagaram, 673314, Kerala.
14	Supraja K	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
15	Megha Jaju	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
16	Chinmayi Gatakala	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
17	Sreekriti M Taggarse	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
18	Kakarla Siddharth	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
19	Shraddha Bhaganagre	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096,

		Telangana.
20	Anusruthi Mallela	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
21	Nidhi Manoj	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
22	Milind Chakraborty	Bharathiya Vidya Bhavan's Public School, Hyderabad,500096, Telangana.
23	Tushar Sharma	St. Anselm's Senior Secondary School, Jaipur, 302020, Rajasthan.
24	Sneha Sunny	St. Anselm's Senior Secondary School, Jaipur, 302020, Rajasthan.
25	Partesh Singh Ramana	The Lawrence School, Solan district, 173202, Himachal Pradesh.
26	Udayvir Singh Grewal	The Lawrence School, Solan district, 173202, Himachal Pradesh.
27	Keshav Kumar	The Lawrence School, Solan district, 173202, Himachal Pradesh.
28	Aswath R	St. Shantal English Medium School, Thiruvananthapuram, 695013, Kerala.
29	Minaksi Mallick	St. Thomas Central School, Thiruvananthapuram, 695043, Kerala.
30	Stuti Khanna	St. Mary's Senior Secondary School, Bijnor, 246701, Uttar Pradesh.
31	Setu Saket Sukesh	M E S Kishora Kendra PU College, Bengaluru, 560003, Karnataka.
32	Vajjrashri. A	M E S Kishora Kendra PU College, Bengaluru, 560003, Karnataka.
33	Lincy Catherine Sanny	Narayana PU College, Bengaluru, 560043, Karnataka
34	Pooja V C	Narayana PU College, Bengaluru, 560043, Karnataka
35	Syed Arsalan Ahmed	Narayana PU College, Bengaluru, 560043, Karnataka
