## **COVID-19 AWARENESS CAMPIAGN**

**Title:** Poster making activity

**Date:** 24/05/2021

**Intra/Inter:** Intra-collegiate event

**Number of Beneficiaries:** NA

**In house:** In house

**External:** Nil

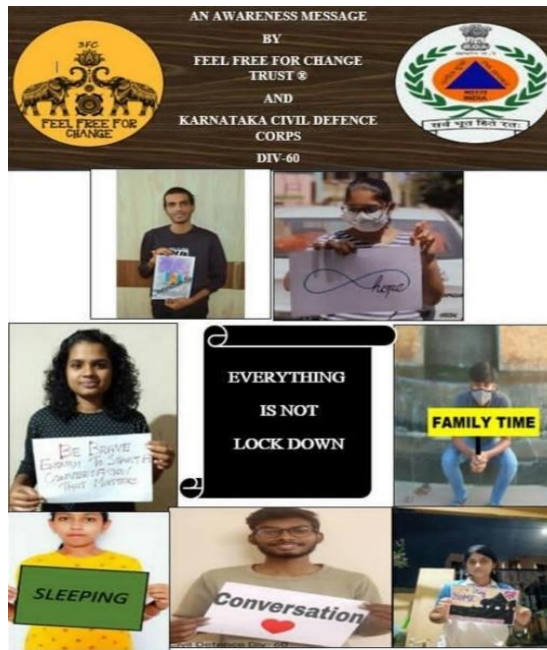

### **Objective**

The absolute goal was to assess the level of awareness and preparedness to fight against COVID-19 among the students and volunteers.

### **Overview**

On the 24th of May, the KCDC unit, in partnership with the NGO Feel Free for Change, organised a poster-making session. The major goal of the initiative was to raise public knowledge of COVID 19 through social media. Despite the obstacles posed by the lockdown, the volunteers continued to do their civic duty.

As the global threat of COVID-19 continues to grow, it is critical to improve the awareness and preparedness of the targeted society, especially the less educated ones. Educational interventions are urgently needed to reach the targeted residents beyond borders and further measures are warranted. The outcome of this activity highlighted a growing need for the adoption of innovative local strategies to improve awareness in general population related to COVID-19 and its preventative practices in order to meet its elimination goals
