14th to 18th December, 2020

ABOUT COLLEGE

Kristu Jayanti College, Autonomous, Bengaluru is a higher educational institution rooted in the heritage of our country and the educational legacy of Carmelites of Mary Immaculate (CMI) the first indigenous religious congregation in India. Bodhi Niketan Trust registered in 1998, consisting of the members of St. Joseph's Province of CMI manages the college.

Kristu Jayanti College began its academic journey as an affiliated college under the Bangalore University in 1999 after approval by the Government of Karnataka. Autonomous status was accorded to the institution in 2013 by UGC, Government of Karnataka and Bangalore University. It is recognised by UGC under 2 (f) and 12 B. The college is affiliated to Bengaluru North University since the academic year 2018-2019. The journey of holistic education which commenced with 9 students, now caters to the academic and career dreams of more than 8000 students. The institution has been reaccruited with 'A' grade by National Assessment and Accreditation Council (NAAC) in 2015. There are 14 Post Graduate, 28 Undergraduate and 3 diploma programmes offered in the college. The University has recognised four research centres at the institution.

The Kristu Jayanti College of Law was started in 2017 and has expanded its mission to empower rural children through Kristu Jayanti CMI Public School at Kannamangala village in Bengaluru Rural district in 2019.

DEPARTMENT OF MANAGEMENT

The Department of Management (BBA), established in the year 2001, aspires to impart education to the students and equip them with the knowledge, skill and attitude required in the business world, providing solid foundation in a wide range of business aspects such as Accounting, Finance, Human Resource, Marketing, Business Research and Management. The Department always sets high standards to conduct activities for the benefit of the student community in various domains of management. The department constantly upgrades its processes to adopt changes in the dynamic environment and to move along with global practices.

DEPARTMENT OF COMPUTER SCIENCE-UG (STATISTICS)

The Department of Computer Science- UG (Statistics) was started in the year 1999 and provides instruction in the theory and application of statistical techniques to Undergraduate and Postgraduate students of various disciplines. The Department encourages students to indulge in projects and research activities in addition to providing a strong academic foundation.

ABOUT THE WORKSHOP

SPSS is a comprehensive and flexible statistical analysis and data management solution. The workshop is aimed to equip academicians, researchers and industry stakeholders to gain practical insight on data collection tools, statistical tools along with application of technology of data processing and statistical analysis in social science research.
