Organizes

International Conference on Current Trends in Advanced Computing (ICCTAC 2023)

19th & 20th APRIL, 2023

About the College

Kristu Jayanti College, founded in 1999, is managed by "BODHI NIKETAN TRUST", formed by the members of St. Joseph Province of the Carmelites of Mary Immaculate (CMI). The College is affiliated to Bengaluru North University and is reaccredited with grade 'A++' in 2021 by NAAC in the Third Cycle of Accreditation. The College is recognized by UGC under the category 2(f) & 12(B). The College has been accorded Autonomous Status since 2013 by the University Grants Commission, Government of Karnataka & the Bangalore University.

About the Department

The Department offers Master's Degree in Computer Application (MCA), M.Sc (Computer Science), and M.Sc., (Data Science) with the intent to produce competitive computer professionals in tune with advanced technical concepts. The Department strives to impart substantial knowledge in problem-solving techniques, competencies for employability and integrity by inculcating ethical values. The desire to pursue continued professional development by seeking out knowledge and experience is achieved by conducting sessions beyond the classrooms. The department is rated as one of the Top 10 Promising MCA Colleges in India by Higher Education Review Magazine.

ICCTAC 2023 – Call for Papers

The International Conference on Current Trends in Advanced Computing (ICCTAC) will provide an excellent forum for sharing knowledge and results in theory, methodology, and applications of recent trends in Information Technology. The aim of the conference is to provide a platform for researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field of Computer Science.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works, and industrial experiences that describe significant advances in the following areas, but not limited to Data Science, Machine learning, Human-Computer Interaction, Artificial intelligence, Mobile Computing, Parallel Computing, Cloud Computing, Data Mining, Text Mining, Web Mining, Image Processing, Artificial Intelligence, Big data Analytics, Internet of Things, Embedded Systems, Bio-inspired computing, Networks, Data Security and Software Engineering.

Important Dates

Paper Submission: **7th March, 2023**

Paper Review: **25th March, 2023**

Final Camera: **7th April, 2023**
