**BUILDING MULTIDISCIPLINARY AND
TRANSDISCIPLINARY CAPABILITIES
IN HIGHER EDUCATION**

April 5 & 6, 2024

About the Conference

Building multidisciplinary and transdisciplinary capabilities in higher education is a pivotal endeavor that redefines the landscape of learning. This transformative approach breaks down traditional silos, encouraging students and scholars to explore a multitude of subjects and collaborate across disciplines. It nurtures a holistic perspective, fosters problem-solving skills and adaptability which are crucial for the complexities of the modern world. Multidisciplinary education involves integrating knowledge from various fields, allowing learners to draw connections between seemingly unrelated subjects. Transdisciplinary education goes a step further, transcending discipline boundaries to address complex, real-world issues that demand a collective effort. By embracing these methodologies, higher education institutions can equip students with broader skill sets, encouraging creativity, critical thinking, and innovation. It would fosters a deeper understanding of interconnected global challenges, ultimately preparing graduates to be well-rounded, socially conscious, and adaptable individuals capable of making a meaningful impact on society. Considering this educational paradigm shift which is essential for shaping the future of knowledge and addressing the multifaceted issues of Kristu Jayanti College, Autonomous, Bengaluru organizes a National Conference on "Building Multidisciplinary and Transdisciplinary Capabilities in Higher Education" on April 5 and 6, 2024 .

Objectives of the Conference

- i. To foster multidisciplinary and transdisciplinary curriculum design in higher education.
- ii. To promote academia-industry collaboration for leveraging multidisciplinary and trans-disciplinary learning approaches for 21 model century learners.
- iii. To evolve an integrated of multidisciplinary and transdisciplinary educational methods in fulfillment of Sustainable Development Goals
- iv. To promote multidisciplinary and transdisciplinary research in higher education
- v. To foster technology integrated multidisciplinary competencies in higher education

About College

Kristu Jayanti College, founded in 1999, is managed by "Bodhi Niketan Trust", formed by the members of St. Joseph Province of the Carmelites of Mary Immaculate (CMI). The College is affiliated to Bengaluru North University and is reaccredited with grade 'A++' in December 2021 by NAAC in the third cycle of accreditation. The College is recognized by UGC under the category 2(f) & 12(B). The College has been accorded Autonomous Status since 2013 by University Grants Commission, Government of Karnataka & Bangalore University.

The institution is devoted to its mission of providing educational pathways for all aspiring young individuals, empowering them to excel in life by fostering academic excellence, values, civic responsibility, environmental awareness, and global competencies within a dynamic environment. Kristu Jayanti College has achieved recognition for its excellence, by being ranked among the top 150 colleges in the nation according to the National Institutional Ranking Framework (NIRF) by the Ministry of Education, Government of India, in 2023.

With a student body exceeding 12,000, the college provides an array of educational opportunities, including 33 undergraduate, 17 postgraduate, 4 research programmes, and 3 postgraduate diploma programmes. The college has diligently incorporated Outcome-Based Education principles into its curriculum design, teaching and evaluation processes since 2018.

The IQAC strategically oversees and manages Quality Assurance (QA) and Quality Enhancement (QE) activities at the college, orchestrating 14 successful initiatives in the previous academic year. Notably, the Institutional Quality Process was meticulously studied and documented, in the book "Quality Management System in Higher Education" by NAAC in 2020. This book has gained wide recognition and serves as a valuable reference for higher education institutions throughout India.
