Classes Attended: 350 CSA Volunteers

No. of Beneficiaries: People Residing Near N Nagenahalli & CSA Volunteers

Name and Details of the Chief Guest: Mr. Lokesh, Nagenahalli Village Head

Objective:

- To provide social groups and individuals with an opportunity to be actively involved at all levels in environmental decision making
- To develop a sense of responsibility and solidarity among students and social group
- The main aim of this program was to make individuals and communities understand the complex nature of the natural and the built environments

Brief Write Up on the Programme:

The Centre for Social Activities of Kristu Jayanti College organised “Van-Mohotsava” on 9th July 2016 at Nagenahalli Lake Belt. Around 250 CSA volunteers and 100 NCC cadets along with staff coordinators planted 85 saplings around the lake. Mr. Lokesh, Nagenahalli Village Head, appreciated the students for taking up such a noble initiative. The event created enthusiasm among the students towards preservation of forest and planting of trees, as “trees mean water, water means bread, and bread is life”. This program would gift a green environment to the coming future.

Centre for Social Activities REPORT ON DENGUE AWARENESS 2016

Date: 23/07/2016

Classes Attended: 270 CSA Volunteers

No. of Beneficiaries: Approximately 850 (those living around Hedge Nagar)

Objective:

- To Examine and explain the growing significance of dengue and dengue hemorrhagic fever in public health
- To focus on effective prevention and risk reduction strategies
- To emphasize the practical application measures to control dengue

Brief Write Up on the Programme:

An awareness campaign on dengue fever and mosquito control measures was organized by the Centre for Social Activities of Kristu Jayanti College in association with the Primary Health Centre, K Narayanapura, on 23rd July 2016 at Hegde Nagar.

CSA volunteers gathered near Hegde Nagar at around 2.00 PM and were divided into 15 groups. Mr. Amarnath, representative from the PHC, K Narayanapura, explained about the Aedis Mosquito and showed the "Larva" which emerges from the egg of the Aedis Mosquito. The campaign was led by staff coordinators Mr. Manjunath S, Mr. Chandrashekar, Mr. Ragavendra Babu and Dr. AJ Excelce.

Around 270 CSA volunteers covered 825 households. The volunteers were successful in spreading awareness about the growing habitats of dengue around. People were informed about the preventive measures and were encouraged to adopt repellent methods to fight against such viral diseases. A survey was also done to check whether larva was found in tanks. This campaign will help to instill the values of civic sense and societal commitment among students.

REPORT ON VISIT TO HOME OF HOPE – 2016

Date: 15/8/1016

Classes Attended: 150 CSA Volunteers

No. of Beneficiaries: Inmates of Home of Hope (around 300)

Objective:

- To create awareness among the students about the neighborhood
- To sensitize students to social work
- To sensitize students to the predicaments and problems of aged people
- To become aware of the joy of serving and being with the aged

Brief Write Up on the Programme:

On the occasion of the 70th Independence Day, volunteers of the Centre for Social Activities visited Home of Hope to invoke a true sense of community participation and service. At 8.30 am, the National Flag was hoisted with the accompaniment of the National Anthem. Volunteers performed cultural activities, conducted games and served breakfast to the inmates of Home. Members of the CSA actively interacted with the inmates and donated groceries like sugar, dhal and eatables worth Rs. 11000. There were about 150 volunteers along with the faculty coordinators Mr. Manjunath S, Mrs. Preethi and Dr. AJ Excelce.

The experience was, without a shadow of a doubt, one of the most rewarding and fulfilling we had. It was an afternoon spent between fun and games and getting to know the children. We felt glad that we could do something to make them smile. This indeed was a great experience. By the end of the visit, we had learned most of their names and they had learned ours.

Date: 05/10/2016

Classes Attended: 130 CSA Volunteers

No. of Beneficiaries: All CSA Volunteers

Objective:

- To help the students to acquire knowledge about social issues
- To make the students aware and responsive towards the social issues
- To develop a sense of responsibility and solidarity among the students

Brief Write Up on the Programme:

“Jagruth” is Hindi word which means “Awakening”. The Centre for social Activities is awakening the students through presentation and discussion on various social issues. Usually, the CSA conducts Jagruth Programme twice in a year.

“Successful people have a social responsibility to make the world a better place and not just take from it.” To make the world a better place, our CSA volunteers expose the students to different social issues. On 20th September, a team of 5 final year CSA volunteers discussed various social issues like Human Trafficking, Solid Waste Management and Organ Trading. It was a thought provoking presentation. The students discussed the issue with real-life examples. The students explained well about NGOs’ contribution towards the problems. The audience asked many questions, and they shared a few suggestions also. It was an interactive presentation by the senior CSA volunteers. A large number of students participated in this event, and it was very successful

YOUTH WEEK 2017 REPORT ON MEDICAL CAMP

Title: Medical Camp

Date: 18/03/2017

Beneficiaries: Byalahalli Villagers

Objective:

- To identify people with cataract and provide them with surgical treatment for sight restoration
- To screen people for refractive error problems
- To screen for other major causes of vision impairment and to provide treatment for minor ailments
- To make eye care community oriented

Brief Write up on the Programme:

On the camp day, a team of doctors, refractionists, lab technicians and assistants proceed to the camp spot. Patients identified with cataracts were transported to hospital. The prime purpose of conducting eye camps is to provide high volume, high quality and low cost eye care service to the rural population of the target area, through mobile camp approach that is accessible, affordable and appropriate. Cataract, being a leading cause of blindness, the focus of our camps is to identify and treat people with cataracts. The service also includes providing correction for refractive errors, treating diseases like ulcers, and referring patients requiring institutional diagnosis and treatment to the base hospital (patients with Glaucoma, Retinopathy, etc.).

A CSA alumni group of 6 were also present on that day, who donated a television to the Byalahalli Government School.

Beneficiaries: 35 – 40 Houses

No of Students Participated: 15

Objective: To create awareness among the public about the segregation of waste

The B.PAC organized a waste segregation campaign in Ramamurthy Nagar (NRI Layout, Pooja Layout, and Kanaka Nagar). The NSS Program officer Dr. Shreedhar PD and a few NSS volunteers were also involved in this campaign. Many volunteers from the nearby localities showed their interest to know how to segregate the waste. This programme explained to them how to segregate waste into dry, wet and sanitary. They also educated the people about the negatives of using plastic; A PowerPoint presentation was showed to present what kind of plastics is banned and what can be used in place of plastics. The main objective behind this programme was to create awareness among the public about the segregation of waste so that it would be easy for the BBMP to sort out the recyclable waste.

Objective: To inculcate a sense of responsiveness and belongingness in the minds of the students towards serving the needs of our society.

A part of the government school building in K Narayanpura was demolished for reconstruction. KJC NSS volunteers took this opportunity to clear the bricks in and around the construction area. The slushy puddles inside the school were covered with mud. Prof. Nayaz Pasha, Prof. Prathap and Prof. Priya accompanied the students. The main objective of the programme was to inculcate a sense of responsiveness and belongingness in the minds of the students towards serving the needs of our society. This initiative was undertaken to ensure safe education to the young children.

INDEPENDENCE DAY CELEBRATION – VISIT TO INFANT JESUS CHILDREN'S HOME

VENUE: Infant Jesus Children Home

DATE: 15/08/2016

No. of Beneficiaries: 150 Children

No. of Students Participated: 51

Objective: To pay tribute to the freedom fighters and to nourish the young children by offering them their needs and wants.

In order to pay tribute to all the freedom fighters and also as a part of Independence Day celebration, the NSS unit decided to visit Infant Jesus Children's Home. NSS Program Officer Dr. Shreedhar PD along with NSS volunteers visited this Home in Kothanur. The students spent their time with the children there and also with the sisters who take care of the young kids.

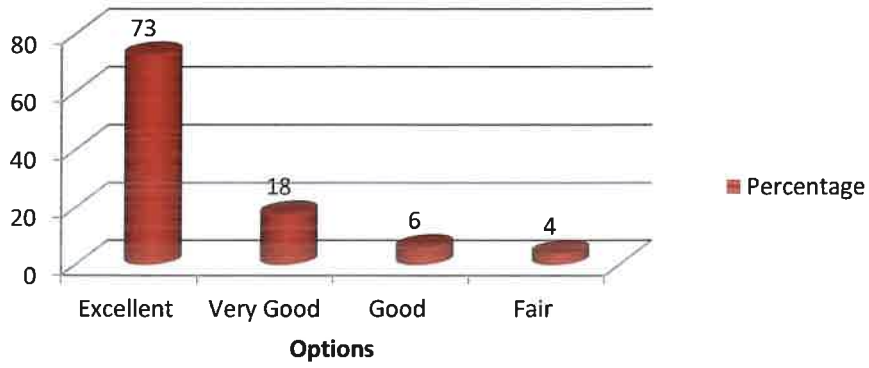

A huge donation of Rs. 22,000 was collected from the college and lots of medicines, food items and grocery were purchased and distributed to Infant Jesus Home and Home of Hope (Old age home). This contribution was of great help to them because this is the only source by which they can meet the basic necessities of the children.

DENGUE AWARENESS CAMPAIGN

Venue: K Narayanapura, Geddalahalli, Nagenahalli, Kothanur and Byrathi

Date: 27/08/2016

No. of Beneficiaries: 100 houses

No. of Students Participated: 42

Objective: To create awareness about dengue, its causes, symptoms and remedies

The NSS unit of Kristu Jayanti College organized Dengue Awareness Campaign. The students were accompanied by the following staff coordinators: Dr. Shreedhar PD, Prof. Prathap and Prof. Kalyani.

This awareness program was conducted in the neighbouring villages which include Narayanapura and Geddalahalli. The NSS volunteers took this opportunity to create awareness among the public about dengue and the Aedis Mosquito which causes dengue. The students also showed them the "Larva" which emerges from the egg of Aedis Mosquito.

Students visited each house, especially in slum areas, and created consciousness among a lot of people who were unaware of the factors causing dengue, its severe effects and how to tackle these situations in an easy, simplified manner, so that they could remain safe. The students also requested the people not to leave the water to get accumulated near their residences.

The campaign covered around 100 houses in the neighbouring villages. This effort was highly appreciated by the public.
