## Centre for Social Activities Report on World Environment Day

**Date:** 15/06/2019

**Number of Beneficiaries:** 159

**Name and details of the Chief Guest:** Rev. Fr. Josekutty P D, Principal, Kristu Jayanti College, Bangalore.

### Objective:

- To encourage students to take action and to protect the environment by planting saplings.
- To create awareness about the significance of World Environment Day.

### Brief Write-up on the Programme:

World Environment Day is observed by the United Nations for encouraging worldwide awareness and action to protect our environment. Kristu Jayanti College celebrated World Environment Day on 15<sup>th</sup> June 2019 with a tree plantation drive. Centre for Social Activities in association with National Service Scheme, Environment Club, National Cadet Corps, Kristu Jayanti Alumni Association and Government Primary School, K. Narayanapura carried out planting of tree saplings at the premises of K. Narayanapura. The event was presided over by the management, faculty and students of Kristu Jayanti College, Government Primary School, K. Narayanapura and residents.

Mrs. Hemalatha, Headmistress of Government Primary School, K. Narayanapura welcomed the gathering for the tree plantation drive. Rev. Fr. Josekutty P D, Principal, Kristu Jayanti College, delivered the presidential address. Lt. Dr. Sarvesh B, NCC officer delivered the vote of thanks. The volunteers of CSA, NCC, NSS and students of Government Primary School, K. Narayanapura spearheaded the plantation of tree saplings in the premises of the Veterinary Hospital, Government Primary School and neighborhood of K. Narayanapura. The alumni of Kristu Jayanti College were also actively involved in the drive. Under the able leadership of Prof. Manjunath S, Coordinator – Centre for Social Activities, around 100 tree saplings were planted.

## Centre for Social Activities Report on Independence Day

**Date:** 15/08/2019

**Number of Beneficiaries:** 170 Volunteers

**Name and Details of the Chief Guest:** Dr. M K Baby, Head, School of Management, Kristu Jayanti College.

### Objective:

- To instill patriotic feelings.
- To sensitize students about weaker areas of society.
- To experience the joy of serving and being with the orphans.

### Brief Write-up on the Programme:

Independence Day celebration of Kristu Jayanti College was jointly organized by the Centre for Social Activities (CSA) along with the National Cadet Corps (NCC) and National Service Scheme (NSS). The 73<sup>rd</sup> Independence Day celebration and flag hoisting reminded and paved the way for honoring the date on which the sacrifice of thousands of Indians paid off and India became Independent from the long rule of the British.

Rev. Fr. Josekutty P. D. hoisted the National Flag. The chief guest of the day Dr. M K Baby, Head, School of Management enlightened the gathering about the identity of an independent country where sovereign power of deciding our destiny rests with us, brings about a huge responsibility on our shoulders, also the great Indian leaders who sacrificed for our nation.

The programme witnessed the presence of Rev. Dr. Augustine George, Vice Principal and Rev. Fr. Emmanuel P J, Director JES, Prof. Manjunath S, CSA coordinator, Dr. Sreedhar P D, NSS, coordinator, Lt. Sarvesh, NCC, coordinator, faculty members of Kristu Jayanti College, CSA and NSS volunteers and NCC cadets.

CSA has a unique way to celebrate Independence Day by visiting orphanages. Under the guidance of faculty coordinators, CSA volunteers donated groceries, daily needs, chocolates and sweets for the children at the Home of Faith Charitable Trust. The volunteers spent their time with the children and made them feel that they all are worthy and shared their love, care and concern for those children. Everyone had a great experience.

**Feedback:**

Independence Day celebration was very nicely celebrated. We enjoyed the moment of seeing our tricolour flag being hoisted by our chief guest. Patriotism was filled within us and also, we visited the orphanage that made us realize sharing happiness is a sign of development of a nation. We care and have brotherhood among all the citizens of the country.

Angela Mariam Shibu

1<sup>st</sup> Sem BCom C

The Independence Day celebration was filled with patriotism. All the volunteers from NCC, NSS, & CSA had gathered for this programme. It was nice to see our flag hoisted to its heights by our chief guest. We really felt proud of being an Indian. The celebration reminded us of our culture, richness and values our country holds. The orphanage visit added a feather to the celebration.

Jay Prakash  
19CO1A3364  
1st SEM BCom C

It's time to pay respect to our nation. Let's think about prosperity & betterment of this nation. Celebration of Independence Day in our college was a great experience to the flag hoisting. On this day we visited the orphanage and provided them some glossaries and spend some time with them. May this tricolor flag always fly high and touch the sky.

## Centre for Social Activities Report on VANMAHOTSAV 2019

**Date:** 24/08/2019

**Number of Beneficiaries:** 200 Volunteers

### Objective:

- To provide social groups and individuals with an opportunity to be actively involved at all levels in environmental decision making.
- To develop a sense of responsibility and solidarity among students and social group.
- To succeed in making individuals and communities understand the complex nature of the natural and the built environments.

### Brief Write-up on the Programme:

#### “VRIKSHO RAKSHATHI RAKSHITHAHA!”

If you protect the plants, plants will protect you. Honouring this notion, the Centre for Social Activities of Kristu Jayanti College organised ‘Vanmahotsav’ on 24/8/2019 at K. Narayanapura. The event is organized to create awareness among students towards the importance of planting trees. Afforestation is one of the best ways to prevent global warming.

The event started at 1:30 pm, when all the volunteers and faculty members, along with the student coordinator assembled with all the necessary equipment and saplings. The students were then divided into groups of five students each, to carry on with the task. Around 150 volunteers participated in planting over 65 saplings. Volunteers joined their hands, under the able guidance of Prof. Manjunath S Gowda, CSA coordinator, along with other CSA faculty members Prof. Ajith P Mathews, Prof. Jawahar.

### Feedback:

We truly had a great experience during this event and all of us are really thankful from the bottom of our hearts to CSA and our college for providing us the opportunity and for letting us be the part of such an amazing event.

-Aditya, III BBA B, CSA Volunteer.

It was really an amazing time for everyone part of the event. We were actually helping life grow on the planet, contributing our share to the environment that was keeping us alive. This thought gave all of us a sense of belonging to nature. The more satisfying thing was, we watered the plants using recycled water. This taught us the importance of not only plants, but also all the natural resources on our planet.

- Rekha S, I BCom A, CSA Volunteer

## Centre for Social Activities Swachh Bharat Abhiyan- 2019

**Date:** 02/10/2019

**Number of Beneficiaries:** 181

### Objective:

- To create awareness about cleanliness and motivate them to practice it regularly.
- To promote environmental protection and effective use of resources.
- To promote and maintain health and sanitation practices among the students.

### Brief Write-up on the Programme:

“A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150<sup>th</sup> Birth anniversary in 2019”

- Prime Minister Shri Narendra Modi

To mark 150<sup>th</sup> Birthday of Mahatma Gandhi on 2<sup>nd</sup> October 2019, the Center for Social Activity of Kristu Jayanti College in association with BBMP, Horamavu ward organized a cleanliness drive. The programme was held between 8:30 a.m. and 11 a.m. The 130 students and 12 CSA staff coordinators rendered their service in three different venues, a government school and government hospital and the BBMP office. The volunteers enthusiastically extended their service while they walked by cleaning the way to their destination.

It is indeed a great tribute to the father of our nation. The selfless and dedicated services of the volunteers were well appreciated by the residents of the place and they were encouraged for their contribution to keep the area clean. They didn't show even the slightest hesitation to pick any trash from the road. Keeping our society clean shouldn't be a single person's or a single day's job. Let's pledge to keep our society clean and make the world a better place.

### Feedback:

Swachh Bharat Abhiyan - 2019 has proven to be one of the most committed social activities of this year's CSA programmes. It enlightens us about the need for social service.

Chaithra A  
19CO1K3400  
BCom (C)

Teamwork makes everything possible. The joint venture of all the CSA volunteers to make the immediate surroundings of K. Narayanapura clean and neat and thus creating an awareness among the people of the need for cleanliness was successful.

## Centre for Social Activities

### Report on Swachh Bharat Awareness Programme

**Date:** 30/11/2019

**No of Beneficiaries:** 3240 Govt. school students and 154 CSA volunteers participated

#### Objectives:

- To inspire the children in maintaining a garbage and plastic free India.
- To educate the children about the importance of cleanliness and sanitation through storytelling and various activities.
- To maintain a litter-free campus as well as surroundings.

#### Brief Write-up on the Programme:

Centre for Social Activities of Kristu Jayanti College in association with Good Quest Foundation, Bangalore had organised NAMMA VISION 150 as a Swachh Bharat Awareness programme on 30<sup>th</sup> November 28, 2019 at 25 government schools. The aim of the programme was to provide awareness on cleanliness to the students of government schools. The Good Quest Foundation had planned to organize this programme in 150 government schools through the volunteers of various colleges. Centre for Social Activities has accepted visits to 25 government schools in and around college for the conduction of the programme. Vision 150 was organized with the support of the Dept. of Public Instruction, Govt. of Karnataka. More than 100 CSA volunteers from the college are participating in the event on the same day, in different government nearby schools. The CSA volunteers can educate the children about the need and importance of personal hygiene and cleanliness through storytelling, poster-making, doing action songs, conducting quizzes on hygiene and sanitation and finally by engaging themselves in cleaning the school premises with the children.

**Feedback:**

The greatest exposure I can receive as a CSA volunteer is to be a part of the Namma Vision 150 Campaign. It provided us an opportunity to take at least a small step to make Gandhiji's dream of a Clean India into reality.\

Shree Teja

## Centre for Social Activities

### Report on Rural Exposure Camp –2019-20

**Date:** 16/12/2019- 19/12/2019

**Location:** Yellodu, Gudibande Taluk, Chikkaballapur District

**Number of Volunteers:** 79

**Theme:** Sustainable Development

**Objectives:**

- To execute and spread United Nation Sustainable Development Goals among students.
- To help the students to explore the world of the rural environment.
- To develop Interpersonal Skills.
- To inculcate the sense of social responsibility towards the rural society.

**Day 1 (16/12/2019)**

Centre for Social Activities conducted a rural exposure camp from 16/12/2019 to 19/12/2019 in Yellodu, Gudibande Taluk, Chikkaballapur District with a focus on the theme of Sustainable Development. A team of 79 CSA volunteers accompanied faculty coordinators executed all the activities planned effectively. The camp started with life skill training for the high school students of Yellodu Government School. 60 high school students benefited from the training. The camp was inaugurated by Sri. R.T Venugopala Reddy, Headmaster Yellodu Government High School. The inauguration function was attended by the local Panchayat leaders and faculty members of Kristu Jayanti College. The inauguration was followed by a rally on Cleanliness Awareness Programme and a socio-economic survey of the village was conducted by the CSA volunteers. Volunteers visited more than 70 houses for data collection which equipped the volunteers about the various aspects of data collection and analysis. The first day came to an end with a review session about the programmes of the first day.

**Day 2 (17/12/2019)**

The second day of the camp began with a morning walk with the intention of starting the day with a healthy activity. After the morning walk CSA volunteers engaged in shramdan in the premises where they were residing. This was followed by the volunteers providing life skills training to secondary school students. Around midday, the literary competitions were conducted for the primary and secondary school students, which involved competitions such as pick and speak, pictionary and quizzes. A total of 50 students participated in these competitions. In the evening, sports competitions were held wherein several students from the school actively participated in various sports competitions such as kabbadi, running race, frog jump, three-legged races, volleyball and throwball. By evening, Prof. Muniraju, Faculty Self-employment Training Center, Canara Bank,

Chikkaballapura addressed the gathering and provided explanation on the self-employment opportunities. The review session allowed students to express their experience of organising the various competitions.

### Day 3 (18/12/2019)

The third day started with trekking to Sri Adhi Narayana Swamy Temple and after trekking the volunteers undertook the shramdaan for extending their service for the betterment of society/village. This involved students who were walking to a nearby village and simultaneously cleaning it by weeding out the plastics. This was followed by the completion of some of the remaining sports competitions for the school students. An awareness programme on Safe and Unsafe Touch was organized in the high school by the CSA volunteers. For the villagers a Dental camp was conducted with the help of Krishnadevaraya Dental College. Sri Hanumantharayappa, Thashildar, Gudi Bande Talik Chikkaballapura District visited the primary school and addressed all the CSA volunteers. By evening Dr. Naveen Kumar, Head, Department of Agricultural Chemistry, UAS Bangalore, interacted with the farmers of Yellodu and provided information regarding soil testing and water testing. After the programme, CSA volunteers entertained the people of the village with cultural activities. Prize distribution ceremony was held and the winners and runners up of the various competitions that had been previously held were awarded. There was a campfire in the evening during which the CSA volunteers gathered and discussed the events of the day and the things they learned.

### Day 4 (19/12/2019)

The last day of the camp started with exercise for CSA volunteers. This was followed by a feedback session where the volunteers expressed their joy and satisfaction for being given the opportunity of being part of the rural camp that broadened their horizons and enlighten them about the life in rural areas. Many stated that they would never take what they were being provided by their parents for granted. Last day also students are engaged themselves in the Shramadhan. Valedictory function was held in Govt. High school. Sri R T Venyogopala Reddy, Headmaster Government High School and other teachers of the school were present. The students returned to college by 3 p.m.

The highly productive rural camp was brought to a successful completion and fulfilled its theme of sustainable development. The volunteers got ample opportunity to understand the real life struggles of economically disempowered people living in rural areas and helped to inculcate and bring to light some of the skills that the local people possessed that could help them raise their living standards and lift them out of poverty which was one of the main purposes of the rural camp to begin with.

Appreciation Letter

# ಎಲ್ಲೋಡಿನಲ್ಲಿ ಸ್ವಚ್ಛತೆ ಕುರಿತು ಜಾಗೃತಿ ಜಾಫಾ

✶ ವಿಜಯಪುರ ಜಿಲ್ಲೆಯಲ್ಲಿ

ವಿದ್ಯಾರ್ಥಿಗಳು ಹಿರಿಯರಿಗೆ ಹಾಗೂ ವಿದ್ಯೆ ಕಲಿಯದ ಗುರುಗಳಿಗೆ ಗೌರವ ನೀಡುವುದನ್ನು ದೃಢೀಕರಿಸಲು ಎಂದು ಜಿಲ್ಲಾ ಪೊಲೀಸರ ವಾಚನವಿರಾಜಿತ ಶಿವಕುಮಾರ್ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಸುಲಭ ನೀಡಿದರು.

ಎಲ್ಲೋಡು ಆರಿಸಿದಾಯಿಗ ಸ್ವಾಮಿ ಬೆಟ್ಟದ ತಪ್ಪಲಿನಲ್ಲಿ ಬೆಂಗಳೂರಿನ ಕೆ.ನಾರಾಯಣಪುರದ ಕ್ರಿಸ್ತು ಜಯಂತಿ ಕಾಲೇಜಿನ ಸಾಮಾಜಿಕ ಚಟುವಟಿಕೆಗಳ ಕೇಂದ್ರದ ವತಿಯಿಂದ ಪಾಲ್ಕು ದಿನಗಳ ಗ್ರಾಮೀಣ ಶಿಬಿರ ಉದ್ಘಾಟನೆ ಆವರು ಮಾಡಿದರು.

ಇತ್ತೀಚಿಗೆ ವಿದ್ಯಾರ್ಥಿಗಳು ಗುರು ಹಿರಿಯರನ್ನು ಗೌರವಿಸುವುದನ್ನು ಮರೆಯುತ್ತಿದ್ದಾರೆ. ಗುರು ಹಿರಿಯರನ್ನು ಗೌರವಿಸುವುದರಿಂದ ಮುಂದಿನ ದಿನಗಳಲ್ಲಿ ಉತ್ತಮ ಜೀವನ ನಡೆಸಬಹುದು. ವಿದ್ಯಾರ್ಥಿಗಳಾದ ಕಾವ್ಯ ಪತಿ ನಿಮಿಷವೂ ಸಾಧನೆ ಮಾಡುವತ್ತ ಯಶಸ್ವಿ ಮಾಡುತ್ತಿರಬೇಕು. ಆಗ ಮಾತ್ರ ಸಮಾಜದಲ್ಲಿ ಉನ್ನತ ಸ್ಥಾನಕ್ಕೇರಲು ಸಾಧ್ಯ. ಮುಖ್ಯವಾಗಿ ದೇಶದ ಅಭಿವೃದ್ಧಿ ಯುವನನೇಯ ಕೈಯಲ್ಲಿದ್ದು

ಬೆಂಗಳೂರಿನ ಕೆ.ನಾರಾಯಣಪುರದ ಕ್ರಿಸ್ತು ಜಯಂತಿ ಕಾಲೇಜಿನ ಸಾಮಾಜಿಕ ಚಟುವಟಿಕೆಗಳ ಕೇಂದ್ರದ ವಿದ್ಯಾರ್ಥಿಗಳು ಗ್ರಾಮೀಣ ಶಿಬಿರದ ಅಂಗವಾಗಿ ಎಲ್ಲೋಡು ಗ್ರಾಮದಲ್ಲಿ ಸ್ವಚ್ಛತೆ ಕುರಿತು ಜಾಗೃತಿ ಜಾಫಾ ನಡೆಸಿದರು.

ಯಾವುದೇ ದುಶ್ಚಟಗಳಿಗೆ ಬಲಿಯಾಗದೇ ದೇಶವನ್ನು ಅಭಿವೃದ್ಧಿಯತ್ತ ಕೊಂಡೊಯ್ಯಬೇಕು ಎಂದರು.

ಬೆಂಗಳೂರಿನ ಕೆ.ನಾರಾಯಣಪುರದ ಕ್ರಿಸ್ತು ಜಯಂತಿ ಕಾಲೇಜಿನ ಶಿಬಿರಾಧಿಕಾರಿ ಪ್ರೊ.ಎನ್.ಚಂದ್ರಶೇಖರ್ ಮಾತನಾಡಿ, ವಿದ್ಯಾರ್ಥಿಗಳು ತಮ್ಮ ಜೀವನದಲ್ಲಿ ಸೇವಾ ಮನೋಭಾವ ಅಳವಡಿಸಿಕೊಂಡು ಬದುಕು ನಡೆಸಿದರೆ ಉತ್ತಮ ಸಮಾಜ ನಿರ್ಮಾಣ ಸಾಧ್ಯ. ಗ್ರಾಮೀಣ ಶಿಬಿರದಲ್ಲಿ ಪಾಲ್ಗೊಂಡ ನೀವು ಕೇವಲ ಸೇವೆ ಮಾಡಿದರೆ ಸಾಲದು, ಈ ಯೋಜನೆಯ ಮೂಲ ಉದ್ದೇಶವಾದ ಶಿಷ್ಟ, ಸಹನೆ, ಶಾಂತಿ, ಸಹಭಾವಿ, ಸಂಯಮಗಳನ್ನು

ಜೀವನದ ಕೊನೆಯವರೆಗೂ ಅಳವಡಿಸಿಕೊಳ್ಳಬೇಕು ಎಂದರು.

ಶಿಬಿರದ ಅಂಗವಾಗಿ ಕಾಲೇಜಿನ ವಿದ್ಯಾರ್ಥಿಗಳ ತಂಡ ಮನೆ ಮನೆಗೆ ಭೇಟಿ ನೀಡಿ, ಸಮೀಕ್ಷೆ ನಡೆಸಿದರು. ಜತೆಗೆ ಸ್ವಚ್ಛತೆ ಕುರಿತು ಜಾಗೃತಿ ಜಾಫಾ ನಡೆಸಿದರು. ಎಲ್ಲೋಡು ಗ್ರಾಮ ಅಧ್ಯಕ್ಷ ಬ್ರಹ್ಮಾನಂದರಡ್ಡಿ, ಪಿಡಿ. ಫಣೇಂದ್ರ, ಬೆಂಗಳೂರಿನ ಕೆ.ನಾರಾಯಣಪುರದ ಕ್ರಿಸ್ತು ಜಯಂತಿ ಕಾಲೇಜಿನ ಪ್ರೊ. ಅತ್ತಿ, ಪ್ರೊ. ಮಂಜುನಾಥ್, ಜವಹಾರ್, ಮಂಜುನಾಥ್, ಕಂದಾಯ ಇಲಾಖೆ ಸಿಬ್ಬಂದಿ ಮುನಿರಾಜು, ವಿಜಯ ಮಹಕೇವ್ ಹಾಜರಿದ್ದರು.

## CENTRE FOR SOCIAL ACTIVITIES

### REPORT ON VIKAS KENDRA- SKILL ENHANCEMENT TRAINING

**Date:** September 2019- January 2020

**Number of Beneficiaries:** Students in Sri Sidhartha Srinivasa Higher Primary School, Government Higher Primary School Narayanapura

**Objectives:**

- To extend the resources of CSA to the society.
- To identify the educational needs of the nearby schools.
- To provide educational facilities for the holistic development of children in nearby schools.

**Brief write-up of the Programme:**

Vikas Kendra, an initiative of Centre for Social Activities under Jayantian Extension Service intends to impart skill enhancement training to the needy students in select schools near the vicinity of Kristu Jayanti College. Setting apart the traditional classroom methodology Vikas Kendra focuses on experiential learning, skill development, value education and creativeness of students through innovative learning strategies.

The programme was framed for one semester. Due to demand from schools we continued the programme in the next semester also. The select schools for this programme were Sri Sidhartha Srinivasa Higher Primary School, Government Higher Primary School Narayanapura. The classes were taken from Monday to Friday. The schedule for the classes was from 2:00 – 3:30 p.m. Spoken English, Computer Literacy, Basic Mathematics, Science, Science Modelling, Technical Education, Cultural Activities, Sports, Art and Craft were given importance in Vikas Kendra.

35 volunteers have been selected for the Vikas Kendra programme after screening tests. The selected volunteers have undergone an orientation and various training sessions. Without disturbing the regular college hours, volunteers visited the assigned schools and engaged classes. The impact of the programme is visible from the request from schools to continue the programme in the coming semesters also.

**Feedback:**

Vikas Kendra helped me to identify my skill in teaching and it provides me an opportunity to interact with school children. It helped me a lot to understand the challenges of the teaching profession.

Manjunath Ramamurthy

## CENTRE FOR SOCIAL ACTIVITIES

### REPORT ON COMMUNITY EDUCATION PROGRAMME

**Date:** December 2019 - February 2020

**Number of Beneficiaries:**

Children in the neighbouring migrant-worker community in Kothanur.

**Objectives:**

- To eradicate illiteracy from the underprivileged sections to an extent.
- To enlighten the common people through education.
- To make use of the resources for the optimum benefit of society.

**Brief write-up of the Programme:**

Kristu Jayanti College (INDIA) a member institution of the United Nations Academic Impact (UNAI) that has been chosen as the SDG Hub for Sustainable Development Goal 1: End poverty in all its forms everywhere has come up with another venture to enlighten the community through education. Centre for Social Activities of Kristu Jayanti College has started an evening study centre as part of the new initiative of CSA named Community Education Programme. With the aim to eradicate illiteracy among the migrant floating construction workers in Kothanur and empowering them to secure a better place in society, CSA volunteers after their regular working college hours provides supplementary education to children from grade 1-8 in two clusters.

The volunteers through a survey conducted among the community of migrant floating construction workers have identified the needy children and formed two clusters for providing them basic education. Most of the parents are illiterate and incapable of helping the children in their studies that affects the children's performance in school and let down their self-esteem which eventually leads to discontinuation of studies.

The programme has a framework of three months duration from December 2019- February 2020 with four slots. Each slot which involves 30 trained volunteers are handling classes. They are helping out the children to do their homework, revise the school lesson and in addition to that activities are conducted for the holistic development of children.

The initiative has a great impact which helped to retain the children in school and dropout rate has considerably reduced. Through this activity, CSA strives to uplift the underprivileged sections of the society by enlightening them through education and promoting self-confidence among the children.

**Feedback:**

The joy and satisfaction of social service is experienced from this programme. To get into society and understand their problems and limitations was a new experience to me.

## Jayantian Extension Services

CENTRE FOR SOCIAL ACTIVITIES

**BHAVISHYAJYOTHI (2019-20)**

### Objectives:

- To enhance the social responsibility of students.
- To fulfill the educational needs of school children.
- To help the students connect with the society.

### Brief Write-up on the Programme:

Center for Social Activities of Kristu Jayanti College under the banner of Bhavishyajyothi distributed educational materials like books, bags and green-boards to the students of Government Higher Primary School, Kothanur on 6<sup>th</sup> March 2020. Bhavishyajyothi is a student initiative program of Kristu Jayanti College for the underprivileged, economically backward, orphan or single parent children. It aims at quality education by providing educational materials like books, bags, uniforms and other stationary items, Medical support, computer education etc. The programme is funded by management, students, faculty members and alumni.

Rev. Fr. Emmanuel, Director, Jayantian Extension Services and Kristu Jayanti College of Law shared his schooling experience and directed students not to stop education at any circumstances. Mrs. Usharani, HM Government Higher Primary School gave additional feedback. She highlighted the increase in admissions and stability in student attendance after associating with the Center for Social Activities of Kristu Jayanti College. Prof. Manjunath S, Coordinators, Center for Social Activities, Prof. Chandrashekar N, programme coordinator and student volunteers were present on the occasion.

## Centre for Social Activities REPORT ON COVID-19 RELIEF WORK

**Date:** March –June 2020

**Number of Beneficiaries:** 2400 Families

**Objectives:**

- To help the needy people in the face of pandemic.
- To join in the fight against COVID-19.

**Brief Write-up on the Programme:**

Centre for Social Activities in collaboration with CSA alumni members become a pathfinder in the face of COVID-19 pandemic threat by reaching out to the society. Under the able guidance of Prof. Manjunath S, alumni members had conducted a research on the impact of Covid 19 in the life of daily wage workers around 6k.m. of Kristu Jayanti College. Even before the government took an initiative CSA identified the need of the people and with the help of Rotary Club and Janadhare Trust, United Way of Bengaluru and from a few philanthropists, CSA was able to mobilise the fund to help the people. Around 2400 families were provided with dry ration including rice, dal, wheat, sugar, salt, oil etc. The beneficiaries were mostly construction workers, auto-taxi drivers, hotel helpers, painters, carpenters and people who were drastically affected by the pandemic.

CSA has shown respect to the COVID-19 warriors by extending the help to medical professionals, BBMP workers and Bengaluru City Police. By providing face masks, hand sanitizer, water bottles, refreshments and dry ration to temporary medical staff, CSA stood along with the government in the fight against COVID-19. The relief work is not confined to human beings only, volunteers have fed the stray dogs and birds and helped them to survive this situation.

The impact of the programme is visible from the request of people through Bengaluru City police station to reach out to their areas also. CSA has contacted local vendors and merchants in particular areas and urged and guided them to carry over and extend the initiative in their area also.

**ENVIRONMENT CLUB - DEPARTMENT OF LIFE SCIENCES**

## **Environment Day Celebration - Planting of Saplings in Government School and Road**

**Date:** 15/06/2019

**Number of Beneficiaries:** 159

### **Name and details of the Chief Guest:**

Rev. Fr. Josekutty P D, Principal,  
Kristu Jayanti College (Autonomous), Bangalore.

### **Objective:**

To encourage students to take action and to protect the environment by planting saplings.

### **Brief Write up on the Programme:**

World Environment Day is observed by the United Nations for encouraging worldwide awareness and action to protect our environment. Kristu Jayanti College celebrated the World Environment Day on 15th June 2019 with a tree plantation drive. Environment Club OF Department of Life Science in association with Centre for Social Activities, National Service Scheme, National Cadet Corps, Kristu Jayanti Alumni Association and Government Primary School, K. Narayanapura carried out planting of tree saplings at the premises of K. Narayanapura. The event was presided by the management, faculty and students of Kristu Jayanti College, Government Primary School, K. Narayanapura and residents. Mrs. Hemalatha, Headmistress of Government Primary School, K. Narayanapura welcomed the gathering for the tree plantation drive. Rev. Fr. Josekutty PD, Principal, Kristu Jayanti College, delivered the presidential address. Lt. Dr. Sarvesh B, NCC officer delivered the vote of thanks. The volunteers of Environment Club along with the CSA, NCC, NSS and students of Government Primary School, K. Narayanapura spear headed the plantation of tree saplings in the premised of the Veterinary Hospital, Government Primary School and neighbourhood of K. Narayanapura. The alumni of Kristu Jayanti College were also actively involved in the drive. Around 100 tree saplings were planted.

### Visit to Government School of Naryanapura and Kothanur – Awareness on Conservation of Water and Energy

**Date:** 25<sup>th</sup> January 2020

**Classes Attended & Number of Beneficiaries:** VI Sem BSc. MBG and BBG - 11 students

#### **Name and Details of the Faculty in Charge:**

Dr. Hanumantappa B Nayaka  
Assistant Professor  
Kristu Jayanti College (Autonomous)  
Bengaluru -77

#### **Objective:**

To create an awareness on environment pollution among students of Government School of Narayanapura and Kothanur Village, Bangalore.

#### **Brief Write-up on the Programme:**

Most Indian cities are experiencing rapid urbanization and a majority of the India's population is expected to live in cities within a span of next two decades. The rapid development in urban India has also resulted in a tremendous increase in the number of automobiles, large-scale water pollution and noise pollution. Hence was the need to educate the future generation about how we could use sustainable alternatives for a better tomorrow.

On 25<sup>th</sup> January 2020, the Environment Club alongwith the Department of Life Sciences, visited two government schools - the Narayanapura Government Primary School and the Sri Siddhartha Sanivasa High School Kothanur. The event presided with an invocation dance by the students of the government school. The students of the Kristu Jayanti College presented presentations about air pollution, water conservation and waste management and so on. The children were also engaged with few games hosted by the students. The session ended with an interactive session where the students were taught how to make paper bags and the importance on "plastics being banned". Future strategies like use of alternative fuels and spreading awareness amongst citizens will further help reduce emissions that lead to pollution.

**Objective:**

To educate the farmers about the hazards of using chemical fertilizers and advantages of using biofertilizers and solid waste management.

**Brief Write-up on the Programme:**

The Life Sciences Department organized a Social Extension Programme on 7<sup>th</sup> March 2020. Ten students of first year M.Sc. Biotechnology and Microbiology students selected by the department were accompanied by Dr. Hanumanthapa B. Nayaka and NSS Volunteers, and the NSS Faculty in-charge Mr. Sreedhar.

A large number of the local farmers from nearby villages had gathered and farmers were educated about the hazards of using chemical fertilizers and advantages of using biofertilizers that was produced by solid wastes. Mr. Sreedhar P D engaged the audience with a story from Mahabharatha and also gave a brief introduction about the college and what was the purpose of this programme. Then he gave a brief introduction about what is biofertilizers and its importance. Later, the stage was taken over by the students who presented and explained the posters on biofertilizer. After the poster presentation, Dr. Hanumanthapa B. Nayaka explained about biofertilizers and work on them with the help of student volunteers. Free packets of biofertilizers of 1kg quantity were distributed to the farmer volunteers who wanted to try out the biofertilizer made from solid waste from the college.

The questions and doubts raised by the farmers were also answered and cleared. The Social Extension programme was very constructive and educational.

## ENVIRONMENT CLUB AND DEPARTMENT OF LIFE SCIENCES

### Technology Transfer from Lab to Field

**Date:** January – March 2020

**Classes Attended & Number of Beneficiaries:** II Sem M.Sc. Microbiology, 40 students

#### Name and Details of the Faculty in-Charge:

1. Dr. U. Sivagamasundari  
Assistant Professor  
Kristu Jayanti College (Autonomous)  
Bengaluru -77

2. Dr. Hanumantappa B Nayaka  
Assistant Professor  
Kristu Jayanti College (Autonomous)  
Bengaluru -77

#### Objectives:

- ✓ An alternative eco-friendly approach for sustainable agricultural practices through frequent use of organic and microbial biofertilizers.
- ✓ To reclamate and improve the fertility of the soil and crop productivity.

#### Report on the Programme:

Biofertilizers are substance that contains microorganism's living or latent cells. Biofertilizers increase the nutrients of host plants when applied to their seeds, plant surface or soil by colonizing the rhizosphere of the plant. Biofertilizers are more cost-effective as compared to chemical fertilizers. The microorganisms in biofertilizers restore the soil's natural nutrient cycle and build soil organic matter. One of the major advantages of such fertilizer is that it does not harm the environment or in other words it's environment-friendly.

Hence the present trial was practiced to evaluate the efficacy of biofertilizer consortium developed in the Biotechnology Research Laboratory of Kristu Jayanti College and tested in field provided by Alamba charitable trust, Gubbicross, Bangalore Rural district of Karnataka;

#### The Context:

Vegetative parameters of cultivated crops were observed healthy with minimal pests attack. Planted crops started yielding. Harvesting was done thrice

### The Practice:

Beneficial microorganisms such as *Rhizobium sp.*, was isolated from the root nodules of legumes; *Azotobacter sp.*, and phoshosphobacteria were isolated from the soil respectively. They were mass prodced, mixed in right proportions and then injected into carrier material (peat) to prepare biofertilizer consortium. Similary, vermicompost harvesred from college canteen wastes also added as a root study.

Crops tested:

1. Tomato
2. Brinjal
3. Chilli
4. Spinach

### Evidence of Success:

Since two years, the field has been in our lab to land practice, the fertility of the field (soil) was observed very good and become highly productive. Soil fertility, water porosity, nature, color and aeration of the field were observed very good.

### Photos:

## DEPARTMENT OF LIFE SCIENCES

Webinar on “Biodiversity assessment and conservation strategies for major lakes of Bengaluru”

International Day for Biological Diversity - May 22, 2020

**Date:** 22/05/2020

**Time:** 11:30 am - 1:30 pm

**Name of the Resource Person:**

Dr. N Nandini  
Professor and Chairperson  
Department of Environmental Science  
Bangalore University, Bangalore

**Platform:** Zoom

**Beneficiaries:** Teachers and students from colleges across India.

**Brief Write-up of the Programme:**

Prof. Nandini enlightened on how Bangalore, once known as Garden City has changed over the years and stressed on the necessity to have sustainable development. She explained about how lakes play a major role in our lives and that we have a moral responsibility to protect and preserve them. She showed the photographs of different lakes in Bangalore and explained how they have changed due to human encroachment. When we pollute nature it comes back to us. She took a case study of Vrishabhavathi River and Bellandur Lake and explained how pollution has drastically changed the water quality. Water pollution in turn affects fishes and causes water-borne diseases as we consume them. Heavy metal accumulation has been witnessed near construction areas and there has been a case of cross-contamination of sewage leading to diseases in lake view apartments where lake encroachment has been done.

India is one of the 12 mega biodiversities of the world. Dr. Nandini elaborated on how her group has made an eco-friendly herbal hand sanitizer using native plants like turmeric and neem. It is important to grow native trees like Pongamia Pinnata (Pongam), Tamarindus Indica (Tamarind), Azadirachta indica (Neem Tree) and Heritage trees like Banyan tree, Coconut Trees, Jack Fruit Trees, Rain Trees,

Peepal Trees. There are many number of aquatic species which could purify heavy metals in water. Growing typha plant around water bodies help in bioremediation. There many varieties of bacteria which aid in Bioremediation and Phyto-remediation. Phytoplankton Chlorella Vulgaris and Zoo plankton, Benthos have a great role to play. Insects too have a major role in maintaining the ecosystem. Odonates, butterflies, fishes, frogs, reptiles and birds are part of the natural biodiversity and have specific roles to play in the balance of the ecosystem. Dr. Nandini concluded the session by saying that if biodiversity is conserved automatically, water bodies will be purified. If we protect nature, it will protect you back.

**Webinar on “Waste Valorization: A new paradigm for sustainable environment”**

**World Environment Day - June 05, 2020**

**Date:** 05/06/2020

**Time:** 02:00 pm - 03:00 pm

**Name of the Resource Person:**

Dr. Jastin Samuel R

Asst. Professor

Lovely Professional University

Jalandhar, Punjab

**Platform:** Zoom

**Beneficiaries:** Students and Teachers from colleges in India

**Brief write-up of the Programme:**

Dr. Jastin Samuel R explained the various methods of solid management. He elaborated on the types and sources of solid and wet waste. He explored possible projects we could plan for UG and PG students, the role of government to segregate this solid waste and fundings from the Govt. body was also mentioned in his talk. Sir elaborated on emerging research ideas to develop new technology to overcome this solid waste management, plastic-free environment creation, minimization of plastic use and minimization of wet and solid waste generation which are hazards to the environment and to human beings. Dr. Jastin Samuel concluded the session by saying that if solid and wet waste management is done effectively with new technology, we can minimize waste generation so that it will benefit the environment.

## **Tree Plantation Drive**

**Date: 15th June, 2019**

**Time: 08:00am – 11:30 am.**

**No of Beneficiaries:**

<b>No of SDs</b>	<b>13</b>
<b>No of SWs</b>	<b>06</b>
<b>Total</b>	<b>19</b>

### **Objective:**

The main objective of the tree plantation day is to make cadets understand the importance of nature, improve their knowledge about their surroundings, and to create self-awareness to develop a green and clean environment.

### **Brief write-up:**

The tree plantation drive commenced with the reporting of the cadets and other student volunteers at 09:00 am at the government school near the college. The event was inaugurated by the Principal Rev. Fr. Josekutty P D and other faculty members of the school by planting a tree sapling. A small message on the importance of plants in the environment was delivered by the dignitaries to the students and fellow cadets. All the saplings were planted by the cadets and the student volunteers. It was made sure that the saplings were watered properly with utmost care. These saplings were placed in and around the school premises. The tree plantation drive was a great learning experience.

### **Feedback:**

The tree plantation was the first event of this year which took off with a great start. It was a great learning experience for the cadets. Everyone took great initiative to plant all the saplings in the right manner. Cadets were enthusiastic and in a good spirit to participate in this plantation event and they proved their abilities to the best.

## International Yoga Day

**Date: 21st June 2019**

**Time: 06:00 am**

**Venue: Manekshaw Parade Ground**

**No of Beneficiaries:**

No of SDs	09
No of SWs	06
Total	15

### Objective:

The main motive of Yoga Day is to inculcate in cadets the importance of yoga in a person's life. It helps them living a better life and to lead a healthy lifestyle. Practicing yoga ensures better concentration in the work done and to focus on the goal in their day-to-day life.

### Brief write-up:

The Yoga Day is celebrated every year by the NCC cadets. This year the cadets from different battalions and groups were gathered at Manekshaw Parade Ground. A team of yoga instructors were called upon to take initiative. The cadets were made to perform several postures of yoga, various types of breathing exercises and different asanas. While doing each exercise the instructors gave the benefits of it. Instructors advised all the cadets to make yoga a part of their daily routine.

### Feedback:

Yoga Day made cadets realize the impact of yoga on their daily lives. Cadets got to know how beneficial yoga was to their body. The whole event was conducted in an orderly manner. The cadets showed great energy level while performing yoga.

## SWACHATA PAKWADA

**Date:** 7 December 2019

**Time:** 8:30am to 12:00pm

**Venue:** Ulsoor Lake

**No. of Beneficiaries:**

No of SDs	18
No of SWs	10
Total	28

### Objective:

The main objective of the 'Swachata Pakawada' programme was to build the feel of swachata amongst the NCC cadets. It was also conducted in the order to teach them how to keep the surroundings clean.

### Brief Write Up:

The activity was conducted on 7<sup>th</sup> December 2019 at Ulsoor Lake. The reporting time was 8:30 am. The chief guest of the day was Col. LK Joshi (CO of 1 KAR girls BN). At 9:00 am all cadets had assembled and the chief guest started the programme. After the speech, cleaning started all around the Ulsoor Lake. By 12:00 pm all were gathered together again.

### Feedback:

The programme was great fun equipped with learning. Cleaning the surrounding as a group was more fun. All the cadets had a great time throughout the session. After cleaning, the surrounding looked even more beautiful and clearer.

## Environment Day Celebration

{In collaboration with CSA, NCC, Environmental Club, Alumni Association and K. Narayanapura Government school}

**Date:** 15 June 2019

**Place:** K. Narayanapura veterinary hospital

**Objective:** To create awareness about saving environment and to plant more than 100 saplings

**No of participants:** 30

**Theme:** Environment Protection

### Brief Write-up on the programme:

The event started at around 7:30 am, where all the volunteers assembled at the entrance of Kristu Jayanti College. The students were guided from the college towards K. Narayanapura veterinary hospital. The event began at 7:45 am with the inauguration, proceeding which Rev. Fr. Josekutty P D, the Principal of Kristu Jayanti College along with Mrs. Hemalata, the Head Mistress of K. Narayanapura government school initiated the planting of the first sapling together.

Rev. Fr. Josekutty P.D addressed the gathering by thanking Mrs. Hemalata for her support in creating a green environment, he also motivated the students to plant more saplings. Mrs. Hemalata mentioned her sincere thanks to Kristu Jayanti College management, staff and students for their contribution towards a better environment.

Lt. Sarvesh, Head of the Department of Kannada, Kristu Jayanti College stated his sincere thanks to the management of Kristu Jayanti College and to the headmistress for taking her valuable time and supporting an environmental cause. The volunteers were provided refreshments after the completion of the activity.

#### Narcotics Rally – Conducted by Indian Narcotics Department

**Date:** 26<sup>th</sup> June 2019

**Place:** Reva University to BSF Yelahanka

**Timings:** 8 a.m.

**Participants:** CRPF, CISF, NCB, NSS, NCC (30 NSS volunteers)

**Theme:** Health for Justice and Justice for Health

**Chief Guest:** G N Chinnappa (Bangalore City Civil Court 303)

#### **Brief Write-up of the Activity:**

The rally was conducted to create an awareness among the youth with regards to consumption of drugs, the rally commenced from Reva University entrance and ended at BSF grounds (Yelahanka) which was around 8 km. The rally was headed by army officials and the local police.

Posters and banners were put up for the public regarding the consumption of drugs and the effects of the drugs over the long run of a person's life, and about the ways through which you can get away with harmful drugs. The rally was informative to the public.

The valedictory was done on the BSF grounds where the chief guest stated that many youths are being exploited by drugs which is in turn accelerating the crime rates, he also stated that the youngsters are the major addicts of drugs, they take extreme measures to consume drugs and the young generation is exposed to all the nasty things; most of the drug dealers in the city are youngsters, in order to control this proper education should be given to the younger generation, and awareness rallies like this should be conducted more. He requested the students to refrain from indulging in drug abuse, and advised the students to create awareness to stop drug abuse.

**Campaign on Creating Awareness about Dengue**

**Date:** 17<sup>th</sup> August 2019

**Place:** K. Narayanpura, Geddalahalli, Kothanur

**Timings:** 2:00 p.m. – 4:00 p.m.

**Participants:** 245 NSS Student Volunteers

**No of Beneficiaries:** 105 houses

**Objective of the programme:**

To create awareness about dengue infection and also to educate them about the measures to prevent it.

**Brief Write-up on the programme:**

A large number of people have been affected by dengue. However, most of them are not aware of the seriousness of the infection and the various symptoms of dengue. The NSS unit of Kristu Jayanti College organised a dengue awareness campaign in the nearby places of Narayanpura. Two hundred and forty-five students participated in this awareness campaign. The students were divided into various groups and were sent to the nearby places. The students showcased the various posters that they had created for the dengue awareness, posters were created in a way that even the illiterate people would understand it easily.

The students interacted with the local public near the construction places as those were the places prone to intense infections. Few measures to safeguard oneself from dengue was explained by the students to the public. Informative points were shared to the public for the welfare of the society.

### **Initiative by the NSS unit -Repairing Potholes**

**Date:** 17<sup>th</sup> August 2019

**Place:** K. Narayanapura Cross

**Time:** 2 pm - 4 pm

**Theme:** Environment Protection

**Objective:**

An initiative taken by the NSS unit to resolve the public issue

**No of Students:** 30

**Brief Write-up on the programme:**

The roads in and around K. Narayanapura was being the talk of the town for all the bad issues, and the NSS unit decided to take the required steps to repair the roads for an easier and safer transportation. A group of students headed by the faculty members took the initiative to repair the roads, the pot holes were closed which helped the people to travel in ease. The initiative was appreciated in the Indian Express newspaper with the title "Students turn pothole warriors, do BBMP's job".

### Creating Litter-free campus, Environment & Repairing Potholes

**Date:** 24<sup>th</sup> August 2019

**Time:** 2 pm to 4 pm

**Venue:** College Campus and Neighbourhood around K. Narayanapura

**No of participants:** 431

**Theme:** Environment Protection

#### Objective:

To create litter-free campus and environment and fix the potholes on the road.

#### Brief Write-up of the programme:

Two activities were carried out during this week. In Connection with Swachh Bharat Abhiyan, NSS unit took an initiative in creating a litter free campus and environment. The second activity was the repairing of potholes. The NSS team was divided into three groups. One team ensured that the campus was litter free, the second team focused on making the surrounding free of litters and third team repaired the potholes on the roads towards K. Narayanapura. The students effectively contributed towards the various targeted activities thereby exhibiting their responsibility towards the societal requirements and a clean atmosphere.

## **National Service Scheme - Rural Community Development & Field Practice**

**Academic Year 2019-20**

**Date:** 14<sup>th</sup> September, 2019

**Place:** V. Nagenahalli

**Timings:** 10:00 pm – 2:00 pm

**Participants:** 30 NSS Student Volunteers

**No. of Beneficiaries:** 150 houses

**Theme:** Community Development

### **Objective of the Programme:**

- To observe the village and recognize their problems.
- To study village using participatory Rural Appraisal Method for Rural Community Development.
- To share study information to the community people.

### **Brief Write-up on the programme:**

The programme commenced with an orientation session on Rural Community Development & Importance of Field work to the students. The students were given an explanation about the basic concepts of PRA which included Watch, Listen, Learn, Establishing rapport, Map and Facilitation.

The students were given exposure to Participatory Rural Appraisal practice which would enable the students understand the rural condition and make them understand Rural Community Development. The students were grouped into 4 teams and assigned to do a study the community people and their status. The students were asked to do the assignments in the following areas:

1. **Transact walk** – Observation of the resources and facilities, which are available in the village.
2. **Social mapping** – Drawing the village map with road, street lights, houses etc. in the center of the village with people participation.
3. **Problem tree** – Observation of the village – Discussion of Core Problem of the village & its causes and effects.
4. **Case study** – Case study about one household's income, lifestyle and everything about the family.

## National Service Scheme - Visit to old age home

Academic Year 2019-20

**Date:** 02/10/2019

**Place:** Holy Cross Institute and Mercy Home

**Timings:** 10:30 am to 12:00 pm

**Participants:** 15 NSS Student Volunteers

**No of Beneficiaries:** 40 old-aged people

**Theme:** Meeting the societal needs

### Objective of the programme:

To inculcate the sense of social responsibility and belongingness among the students.

### Brief Write-up on the programme:

As a part of the social activity, our NSS volunteers visited an old-age home where they spent time with the senior citizens. Students interacted with them individually and understood about the lives of the elderly people. Many of the students even got attached to them. They were a bunch of amazing people. They gave a lot of life advices. The sister who took care of them spoke to our volunteers and also narrated about the situation of the old people. The sisters take very good care of the old people there. After meeting all these people, our students promised that they will take good care of their parents during their difficult and elderly phase. We also promised them that we would go there another one day with food and lot of entertainment. Through this visit we were able to analyse the importance of love and care that is to be shown to everybody.

### Awareness Session on Waste Disposal

**Date:** 02/10/2019

**Place:** Cratis Hospital

**Timings:** 10:30 am to 12:00 pm

**Participants:** 15 NSS Student Volunteers

**No of Beneficiaries:** 15 NSS Student Volunteers

**Theme:** Waste Management

#### Objective of the programme:

To know how the medical wastes are segregated and disposed.

#### Brief Write-up on the programme:

As a part of social activity, our NSS volunteers visited the nearby Cratis Hospital to learn about the disposal of toxic medical waste from the hospital and to create awareness about the same. The following were the queries that were addressed to the staff of the hospital:

**Question:** How is the toxic waste from this hospital disposed? What are the methods used?

**Answer:** There are different coloured covers that are used to dispose different kinds of wastes; red, blue, yellow and white. Different wastes like cotton, syringes, etc. will be disposed in different covers. The BBMP takes all the general type of wastes like plastic, paper, etc. The medical department of the government takes all the medical waste from the hospital.

**Question:** How often is the waste collected from the hospital?

**Answer:** The authorities collect the waste every day. This usually happens at around 8 in the morning. Through this interaction the students got a complete understanding about the medical waste segregation and disposal happening in Cratis Hospital.

## National Service Scheme - Visit to NGO

Academic Year 2019-20

**Date:** 02/10/2019

**Place:** Preethi Nivas Trust

**Timings:** 10:30 am to 1:00pm

**Participants:** 30 NSS Student Volunteers

**No of Beneficiaries:** 25 inmates

**Theme:** Meeting societal needs

### Objective of the programme:

To visit the old age home and understanding about how people feel when they are rejected by their own relatives.

### Brief Write-up on the Programme:

The journey commenced at 10:30 a.m. and went on till 1:00 p.m. Almost 30 volunteers actively participated in the programme and made the time happier for the inmates of Preethi Nivas.

The old age home has 25 inmates. One thing that was common was all were rejected by their family. Our NSS volunteers spend their time with the members in the home by involving them in various activities like singing, dancing, conducting games etc. we also made a contribution of Rs.1900 to the home to meet their medical needs.

## **Plastic free Life Campaign**

**Date:**04/10/2019

**Place:** K. Narayanapura Cross

**Timings:** 12:00 pm -1:30 pm

**Participants:** 30 NSS Student Volunteers

**Theme:** Cleanliness drive

**No of Beneficiaries:** 150 houses

### **Objective of the programme:**

- To create awareness among people on the hazards of single use of plastic and to motivate them towards the use of fabric (cotton or jute) bags.
- To create a plastic free environment.

### **Brief Write up-on the programme:**

Plastic Pollution is a huge environment and health issues as it harms us in more than one way such as it clogs drains, causes visual pollution and proves fatal for stray animals. So, with “BEAT PLASTIC POLLUTION”, the theme for World Environment Day 2018, United Nations (UN) is encouraging worldwide awareness and action for the protection of our environment from plastic pollution. The students prepared various posters showcasing different issues pertaining to plastic usage. Utilising these posters, our NSS volunteers addressed the public pointing out the hazards about plastic usage. They also emphasized the use of cotton or jute bags. The programme was of great help to the public.

## **Campaign on Promoting the usage of Jute bags for Waste Disposal**

**Date:** 09/10/2019

**Place:**

Kristu Jayanti CMI School, Kannamangala, Prushanahalli, Nagenahalli, Genjanahalli, Vadagere, Badhrapura

**Timings:** 8:30 am to 4:30 pm

**Participants:** 27 NSS Student Volunteers

**No of Beneficiaries:** 850 families

**Theme:** Waste Management

**Objective of the Programme:**

- To create awareness among people on the hazards of single use of plastic and to motivate them towards the use of fabric (cotton or jute) bags.
- To create an awareness on plastic-free environment.
- To distribute the jute bags for more than 850 families.

**Brief Write-up on the programme:**

NSS volunteers started from our College and reached Kristu Jayanti CMI School at Kannamangala. NSS volunteers were divided into three different groups and these groups approached different villages around Kannamangala in order to spread awareness on how to stop the usage of plastic covers. In connection with the above-mentioned objective, our volunteers distributed jute bags to the village and encouraged them to use those bags for waste disposal. This programme benefitted about 850 families.

We also conducted social mapping where the volunteers figured out the various resources available to the village residents and also made it available for the villagers to have a glance at it. Apart from these activities, our students have also prepared a case depicting the demographic factors of the villagers. This activity was of great help to the beneficiaries as well as the students as they got to understand how people are living happily without the interference of technology.

### Cleanliness and Waste Disposal Drive

**Date:** 07/12/2019

**Place:** K. Narayanapura Cross, V. Nagenahalli

**Timings:** 2:00 pm – 4:00 pm

**Participants:** 108 NSS Student Volunteers

**Theme:** Waste Management

#### Objective of the Programme:

- To remove the wastes and bushes from the drainage.
- To clear the dry waste lying along the streets.

#### Brief Write-up on the programme:

The NSS volunteers were divided into different groups and they were directed to different places. One set of students cleared the dry wastes around the college campus, and one more group removed all the wastes and bushes from the drainage areas. This initiative was to create awareness to the society in keeping their surroundings clean. It made a great impact since the volunteers made this activity more meaningful through their efforts and dedication which was also published in the newspaper.

#### **Objective of the programme:**

Based on the survey of households and school students and with the preliminary discussion the objectives of the work to be carried out by Kristu Jayanti College Autonomous in this village were defined as:

1. To effectively participate in the holistic development of Kannamangala village by educating them with various activities of bank such as online banking facilities.
2. To support the residents of Kannamangala village by providing the necessary information and by further helping them in implementing them in their real-life scenarios.

#### **Brief Write-up on the programme:**

Giving awareness about e-banking and educating about the online services provided by the banks to the residents of Kannamangala was major theme was 49 NSS volunteers of Kristu Jayanti College. In order to do the same, they prepared various posters showcasing the usage of online banking services and by showing live demonstration on how to transact online. NSS volunteers even prepared questionnaire pertaining to know knowledge prevailing among the residents of the Kannamangala village.

Academic year 2019-2020

### Assessment and Training on Nutrition for Adolescent Girls

**Date:** 24/01/2020

**Place:** Purushanahalli

**Timings:** 08:30 AM – 04:30 PM

**Participants:** 35 NSS Student Volunteers

**Theme:** Health and Hygiene

**No. of Beneficiaries:** 25 girls and 30 houses in village

**Objective of the programme:**

To organize a screening camp on assessing health status and nutrition needs and provide training on the adolescent girls.

**Brief write up on the programme:**

Adolescent girls, 10 -19 years aged constitute to one sixth of the world's population. In India, National Youth Policy defines adolescents as 13 –19 years. Few studies reveal that the prevalence of thinness was 14% for younger girls and 6% for older girls. 60% of girls in the age group of 15 – 19 are found to have anaemia. Health of the adolescent is very important which will have adverse effect on maternal mortality ratio and crude birth rate.

The NSS volunteers from three groups joined together for the screening camp activity which took place in Purushanahalli village. The volunteers along with three faculty co-ordinators, Dr Rubavel Manohar, Dr Margret Mary and Mrs. Soumya S departed to the village by 08:40 a.m. First, the volunteers were taken to Shri Siddaganga Government High School, Purushanahalli Doddaballapura Taluk, Bangalore Rural District. The headmaster of the school granted permission to conduct the camp. The NSS volunteers approached the adolescent girls present at the school for a training session on values of healthy eating habits and nutritional values of foods and the right intake of required meal on right time. And interactive activities were conducted so the adolescences feel comfortable and active during the training session. The training session on nutritional foods was also conducted to the adolescent age grouped boys at the school. Later the BMI ratio of each adolescent girl were found by

taking the height and weight of each person. The results were recorded on a register for future assessment and analysis plans. Post lunch the volunteers went to each house in Purushanahalli to give the villagers awareness on present health issues and the measures that needs to be tackled with health problems that may arise due to certain conditions in context to different age group of people. The volunteers reached back to Kristu Jayanti college by 04:30 p.m.

Academic Year 2019-20

### Organic Farming Plan and Hygiene Development Plan

**Date:** 27/01/2020

**Place:** Ambalagere Village

**Timings:** 09:00 am – 3:30pm

**Theme:** Awareness Drive

**Participants:** 18 NSS Student Volunteers

**No. of Beneficiaries:** 180 houses

#### Objectives of the programme:

- To create awareness among people on the organic farming and hygiene.
- Motivate them to maintain hygiene for a healthy life.
- To effectively participate in giving organic farming plan and awareness of hygiene in Ambalagere village by preparing an integrated development plan for the village by using local resources and eco-friendly sustainable technologies to improve the people's standard of living.
- To create a healthy world with the help of organic farming.

#### Brief Write-up on the programme:

To achieve the objectives of the hygienic awareness plan and organic farming the team of Kristu Jayanti College NSS & UBA will be following the below steps:

- Doing a survey and rally on hygienic awareness and organic farming. A rally was organized where we had communicated with the people in the village.

- Conducting village survey by using the Unnat Bharat Abhiyan 'Village survey' Questionnaire.
- Data analysis of the village survey completed and based on the results and problems identified through the survey, the team developed 'Organic Farming Awareness Plan' and 'Hygienic Development plan'.
- Organized the meeting with various people and students who has the Organic Farming Experience and has come with the farmer background.
- As per the information that has been collected, there is no proper medical attention in the respective. If so, there is an emergency people should travel at least 1km.
- A lot of villagers have a lack of knowledge relating to sanitary issues.
- The main point of view of this activity is giving and providing a proper knowledge about hygienic issues.
- The profession that Ambalagere residence are most relating to catering. So Kristu Jayanti Students wanted to help them to provide cleanliness.
- On 27<sup>th</sup> Jan all the NSS volunteers left their regular activity in college and started a new journey towards contributing to society.
- As mentioned before Ambalagere Village was the place where we conducted our activity.
- For a more reliable solution we had prepare a questioner regarding hygiene and organic farming.
- There are minimum 150-175 houses. We were able to collect 70-80 reponses.
- After collecting the response, it was clearly seen that 90% of houses have their own toilet.
- And those toilets were also maintained properly.
- But one thing that was clearly seen is, government has not helped any of the respective villagers for constructing the toilet.
- All the toilet was self-funded.
- The village condition in term of self-hygiene is good but outside i.e. village surrounding is not good. The sewage system is very bad. The only drawback is this.

## NATIONAL SERVICE SCHEME

**Academic year 2019-2020**

### **A Survey related to Health and Hygiene**

**Date:** 29/01/2020

**Place:** Purushanahalli

**Timings:** 09:00 AM – 04:30 PM

**Participants:** 32 NSS Student Volunteers

**No. of Beneficiaries:** 28 school children of age group 4-10 yrs, 70 women and 40 houses

**Theme:** Health and Hygiene

#### **Objective of the programme:**

- To demonstrate skills, knowledge and behavior enabling children to grow up in caring homes and communities, including schools that are free from violence, abuse and exploitation.
- To educate the women about the menstrual hygiene
- To create awareness about the health hazards associated with the use of tobacco.

#### **Brief Write-up on the Programme:**

The practice of open defecation, poor personal health and hygiene practices and lack of proper treatment of solid and liquid wastes has a detrimental impact on public health, child mortality, gender equity, environment and economy in rural areas of the state. It is estimated that that 88% of the total disease burden in rural areas is due to a lack of clean water, poor health and hygiene practices, improper solid and liquid waste management. While reviewing the statistics pertaining to these issues, the following facts were identified.

The findings of the second round of the Global Adult Tobacco Survey 2016-17 for Karnataka revealed that 22.8% of adults in Karnataka about (1.2 crores) which means nearly one in three men and one in ten women, are currently using tobacco in some form. There should be a need to educate and make them aware about the environmental pollution and health hazards associated with the use of tobacco.

Menstruation and menstrual practices still face many social, cultural, and religious restrictions which are a big barrier in the path of menstrual hygiene management. In many parts of the country especially in rural areas girls are not prepared and aware about menstruation so they face many difficulties and challenges at home, schools, and work places. Inaccurate or incomplete knowledge about menstruation is a great hindrance in the path of personal and menstrual hygiene management. So, awareness should be created to emphasize the use of reusable sanitary products or the natural

sanitary products made from materials like banana fibre, bamboo fibre, sea sponges, water hyacinth, and so on.

Crimes against children include physical and emotional abuse, neglect and exploitation, such as through child pornography or sex trafficking of minors. The children are vulnerable to different kinds of crimes like kidnapping, murder, rape or assault to the modesty of girl child, etc.

There comes the necessity for child and family social services, health and education and communities, schools to demonstrate skills, knowledge and behaviour enabling children to grow up in caring homes and communities, including schools that are free from violence, abuse and exploitation. The NSS unit of our college have taken an initiative of addressing these societal issues in Purushanahalli Village.

Our NSS student volunteers of three groups prepared posters and skit addressing these issues. Our student volunteers along with three faculty co-ordinators, Prof.Kalyani, Prof. Gladys Agnes, Prof.Santhosh visited our UBA adopted village Purushanahalli, Doddaballapura Taluk, Bangalore Rural District in order to accomplish our task. The students were divided into three groups.

One group visited Hiriya Prathamika Patashale (government school) and addressed the children from 4 to 10 years age about the right touch. Our students narrated the children in detail about the following matters

- About the good touch and bad touch
- Ways to encounter it
- Skit relating to this
- Exhibited posters for better results.

Second group of students visited all women in that village and enquired about their menstrual hygiene. A survey was conducted and about 70 respondents were covered. Generally pointing out that about 40 % of the respondents use sanitary pads and about 60% of the women use clothes. It was also found that they lack in this hygiene. It finally suggested that a medical camp or some awareness campaigns addressing these issues are required in order to show a sustainable development.

Third group of students carrying posters visited each house with an objective of enlighten the members of the village about the ill effects of using tobacco. Our students covered about 40 houses. But we were surprised to know that about 99.9 % of the people in the village don't consume tobacco.

In short, about three activities were carried out, of which two turned to be a great success.

### **Plastic Waste Management**

**Date:** 03/02/2020

**Place:** AMBALAGERE

**Timings:** 10:30am -1:30 pm

**Participants:** 39 NSS Student Volunteers

**No. of Beneficiaries:** 100 Houses

**Theme:** Waste Management

#### **Objective of the Programme:**

- To create a socio-technical model for taking plastic waste management from informal to formal economy.
- To create a plastic free environment.

#### **Brief Write-up on the Programme:**

- Plastic waste management is a pressing issue in India, especially with the unceasing growth of consumerism throughout the nation. Interestingly, almost 60 per cent of the total plastic waste generated in India gets recycled while the remaining escapes into the environment. However, most of this plastic is down-cycled. At this juncture, India needs robust and stringent waste management tools to substantially improve the situation. Plastic Pollution is a huge environmental and health issues as it harms us in more than one way such as it clogs drains, causes visual pollution and proves fatal for stray animals.
- In this regard, NSS volunteers briefed the villagers about the plastic reuse and explained them about the harms that the nature will face if the plastic usage increases. The students were divided in two groups. One visited the primary schools and created an awareness among the school children and another group visited the households and gave more input on the segregation and reuse of plastic.

### One Student – One Tree

**Date:** 14<sup>th</sup> August 2019 – Till March 2020

**Classes Attended:** MCA & MSc students & Faculty

**Number of Beneficiaries:** 46

#### Objective:

To instill the importance of planting trees and taking care of them.

#### Brief Write-up on the Programme:

As part of the plantation drive initiated by AICTE, "One Student, One Tree" Computer Science (PG) department organised a Plantation Drive near K. Narayanapura, Kothanur, on 14.08.19. 40 students and 6 faculty members participated and 50 tree saplings were planted. The saplings were watered by our department students on a regular basis and ensured that they are not withered or dried out. The students of every class took turns to water the saplings weekly twice.

#### Plastic Waste Free Home

**Date:** 2<sup>nd</sup> October 2019

**Classes Attended:** All MCA & MSc students & Faculty

**Number of Beneficiaries:** 185

**Objective:**

To urge the students for the reduction in the usage of plastic at home and also for safe disposal of plastic waste to reduce the harmful effects.

**Brief Write-up on the Programme:**

All the students and the faculty members of the department consciously reduced the usage of plastic at their individual homes. The students also collected plastic waste from the neighbours and the locality and deposited at the BBMP plastic collection centre in Hennur. The students of our department, collected the plastic waste, properly disposed the same to the respective collection centres and made their home and their living space as "PLASTIC WASTE FREE".

## ENVIRONMENT CLUB

### Sapling Plantation

#### Title: Jayantian way of Nurture Nature Birthday Celebration

**Beneficiaries:** Students and Faculty of Kristu Jayanti College (Autonomous), Bengaluru

#### Brief Write-up of the Programme:

The Environment Club of the college aims to educate the Jayantians by thinking beyond classroom lectures on environmental conservation and puts on maximum effort to educate the future generation as practicing individuals. Towards a greener, oxygen rich environment, an initiative by Environment Club “Jayantian way of Nurture Nature Birthday Celebration” was started in September 2020. The idea was well received and has been actively adopted by students and faculties of the college where students and teachers plant a sapling on their birthday in their home gardens or balconies or the vicinity. The photos are sent to the concerned faculty coordinators which are posted on the social media platforms of the college. This encouraged many more students and faculties to follow this idea of nurturing the nature. Jayantians in Bengaluru and others parts of India have been enthusiastically participating in this miniature effort in conservation of our greenery.

### Online Practical Workshop and Webinar on “Home Composting”

**World Waste Management Day, September 2020**

**Date:** 26/09/2020

**Time:** 10:30 am- 11:40 am

**Name of the Resource Person:**

Mr. Vasuki Iyengar  
Founder of Soil and Health Solutions,  
Bangalore, Karnataka

**Platform:** ZOOM

**Total no. of Participants:** 210

**Beneficiaries:** Life Science Students and Faculty of Kristu Jayanti College

**Brief write up of the Programme:**

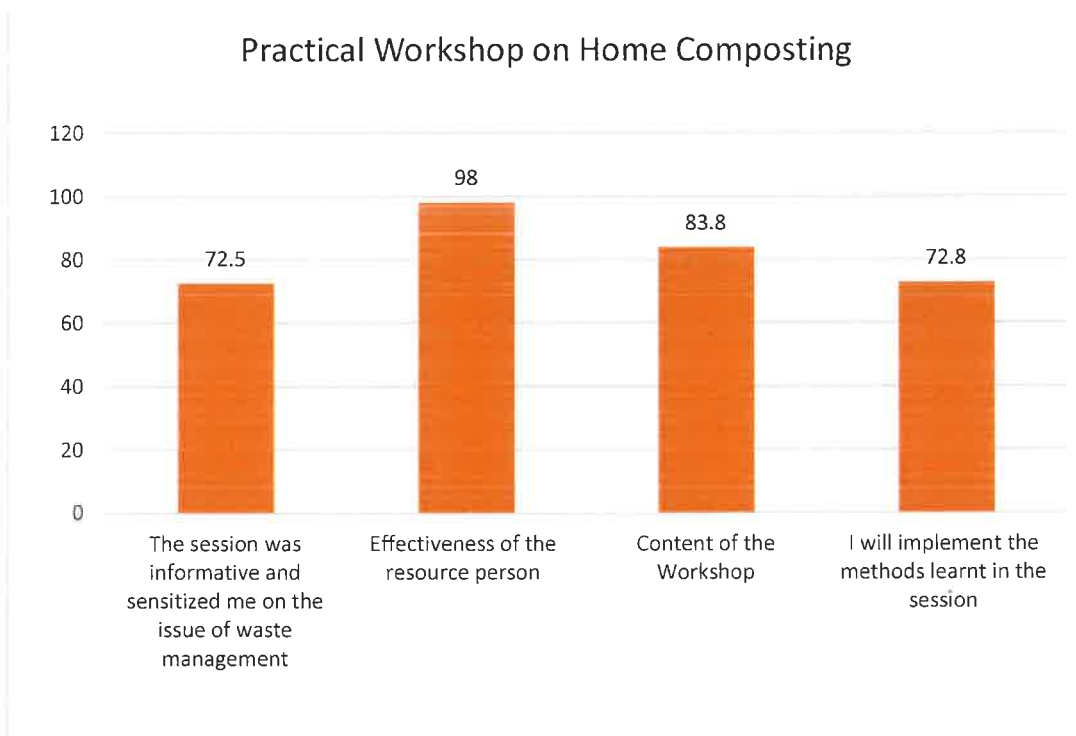

The online event was held on Zoom platform and the meeting was started at 10:15 am on Saturday, 26 September. The session was attended by Kristu Jayanti faculty and students. The event began with a silent prayer at 10:30 a.m. The welcome note was followed by the inaugural address by Rev. Fr. Emmanuel P.J., Director, Kristu Jayanti College of Law, Faculty, Director, Jayantian Extension Services & Jayantian Alumni Association. The resource person of the day Mr. Vasuki Iyengar was welcomed and introduced. The session began officially at 10:40 a.m.

Mr. Vasuki Iyengar explained the need to need to manage garbage and how it is related to soil health to human health. He demonstrated various useful practices that will help in reducing the impact we have on waste accumulation in our environment. He highlighted the need to refuse, reduce and reuse single-use plastic materials including disposable utensils, bags, containers etc. He explained the process of waste segregation which is widely practice in Bangalore and showed how the wet waste can be used in creating compost at home. He explained different composting methods including zero cost option and minimal cost option. He demonstrated garden composting methods and DIY composting. He highlighted the need to switch to using bio-enzymes as natural cleaners instead of chemical ones.

The session ended at 11:40 with the vote of thanks delivered by Dr. Sangeetha Menon, Asst. Prof. Dept. of Life Science and Ms. Priya Josson, Asst. Prof. Dept. of Life Science. The students were encouraged to take this activity up as a project or assignment which could be included as part of internal assessment.

### Poster Designing Competition Report

**Title: Conserve Energy Today, Produce Energy Tomorrow**

**Energy Efficiency Day, October 2020**

**22<sup>nd</sup> to 29<sup>th</sup> October 2020**

**Faculty Coordinators:** Ms. Varly Luthra and Dr. Sangeetha Menon,  
Faculty, Kristu Jayanti College (Autonomous), Bengaluru

**Total no. of Participants:** 30

**Beneficiaries:** Students of Kristu Jayanti College (Autonomous), Bengaluru

#### **Brief Write-up of the Programme:**

Energy efficiency refers to a method of reducing energy consumption by using less energy to attain the same amount of useful output. To highlight the importance of efficient use of energy and its conservation for a brighter future, the Environment Club organized a Poster Designing Competition on the theme “Conserve Energy Today, Produce Energy Tomorrow” in commemoration of Energy Efficiency Day between 22<sup>nd</sup> to 29<sup>th</sup> October 2020. The main objective of the event was to enhance students' knowledge of their creative streak to express their ideas using the colours of imagination. Students had to make handmade posters with a tagline based on the theme of the competition. Total of thirty entries were received for the poster competition. The posters were promoted through twitter handle of the college by the students and likes, shares and comments were encouraged for the posters. The likes, shares and comments were calculated for points and five best posters were selected and announced on KJC Twitter account on 5<sup>th</sup> Nov 2020. This activity kept the students engaged by exploring and encouraging creativity among the students. It also gave students a platform to showcase their skills and inspired them to think and work creatively to promote artistic excellence. The creativity & innovative ideas to resolve the particular issue were artistically presented and captured through posters. The artistic endeavor of the students was highly praised. Winners & participants were awarded with certificates.

### **Title: "Grow Your Own Garden" Intra-collegiate Competition**

### **Sustainability Day and Soil Day**

**11<sup>th</sup> November to 10<sup>th</sup> December 2020**

Plants support a whole world of creatures in the soil, that in return feed and protect the plants. This diverse community of living organisms keeps the soil healthy and fertile. Because of natural calamities and destructive acts by humans, the biodiversity is depleting. It is therefore imperative to adopt sustainable methods to preserve and replenish the nature.

The Environment Club of Kristu Jayanti college, organized an Intra-Collegiate Event "Grow Your Own Garden" for the students of the college in commemoration of Sustainability Day and Soil Day from 11<sup>th</sup> November to 10<sup>th</sup> December 2020. The duration of the event was for four weeks where the students were required to grow their own herbal garden starting from a young seedling/ seed.

The completion was very challenging as the activity had to be monitored through the four weeks taking care to nourish the young plants and periodically take pictures and record their growth pattern.

There were about 10 participants from all programs of study. It was quiet pleasant to see more number of male students participate in the contest.

The students had displayed their innovative ideas and techniques of growing plants in a sustainable and eco friendly manner.

## Report of activities under UNAI Hub for Sustainability Development Goal 1- Poverty (2018-20)

### 1. No-Poverty programmes in Indian villages

6 February 2019 - Kristu Jayanti College (India), a member institution of the United Nations Academic Impact (UNAI) that has been chosen as the **SDG Hub for Sustainable Development Goal 1: End poverty in all its forms everywhere**, launched action-oriented programmes on campus and in neighboring villages, focusing on the theme *Samruddha Vishwa* (No Poverty).

Activities were carried out during the *Kristu Jayanti College National Social Service Annual Special Camp* at Doddamaralavadi village from 16 to 22 November 2018 with the intention of ending poverty, including: 1) English literacy programmes for the students in government schools and junior college 2) Computer literacy programmes in government schools and junior college 3) A rally in the neighbourhood villages of Doddamaralavadi that spread the message of *No Poverty* and promoted education.

Later in December, the *Rural exposure Camp* was organized by the Centre for Social Activities (CSA) in Purushanahalli village, Doddaballapura Taluk, under the theme of promoting education to eradicate poverty. Life Skills Training was conducted for 40 high school students of Siddaganga School in the village by CSA volunteers. The students expressed that they benefited from learning about the ten life skills during the training, namely self-awareness, empathy, critical thinking, creative thinking, decision making, problem solving, effective communication, interpersonal relationship, coping with stress, and coping with emotion.

A state-level consultation was also organized by the Department of Social Work on the UN Sustainable Development Goal 1: No Poverty, with the participation of Mr. Vetri Selvan John K, Program Manager, World Vision India, Bengaluru and Ms. Sashmeeta Mulmi, Director, Strategic Engagement, International Justice Mission, Bengaluru.

## 2. Sensitizing the communities to end poverty

One year ago United Nations Academic Impact announced the inauguration of the UNAI SDG Hubs, UNAI member institutions selected as exemplars for their innovative scholarship and engagement related to the [Sustainable Development Goals \(SDGs\)](#) who serve as resources for best practices for the UNAI network, currently composed of over 1,400 universities and colleges in more than 130 countries.

On the anniversary of the program launch, we're taking this opportunity to check in with some of the hub schools to highlight their scholarship and activities over the past twelve months and look ahead to future initiatives. The first school profiled in our anniversary series is Kristu Jayanti College (India), UNAI hub for [SDG 1: No Poverty](#).

One of the core values of Kristu Jayanti College is dignity. The institution believes that dignity of the human person is the foundation for empowerment and socio-economic transformation. Efforts are taken to uplift the dignity of socially disadvantaged, marginalized and underprivileged people through education and service. All academic activities strive to promote the dignity of the individual, gender sensitization, empowerment of women and social transformation.

The institution is working to end poverty in all forms by providing equity, access, and quality in higher education. The students are actively involved in various initiatives to ensure social protection for all susceptible groups which is critical to reduce poverty. Capacity building and diverse career opportunities help students build the confidence to contribute to the uplift of their families and communities and lead lives of service. The extension services of the institution create avenues of learning and understanding of modern world issues such as social exclusion, vulnerabilities, disasters, diseases and other phenomena which contribute to poverty and exclusion. Jayantian Extension services has organized 136 programs to address social issues and empower economically disadvantaged communities. The college was selected as one of the partnering institutes for the Unnat Bharat Abhiyan [UBA 2.0] program to help build the architecture of an inclusive India, and the institution was recognized for systematically fostering the culture of innovation among students and faculty members.

Some of the significant service learning programmes organized by the institution towards an inclusive, prosperous and sustainable society in 2019 include:

- Bhavishyajyothi, an education support program initiated for economically disadvantaged children in primary schools;
- The student volunteers organized a weeklong camp at Doddamaralavadi village with the theme *Eradication of Poverty and Promotion of World Prosperity*. Rural Exposure Camps were organized at Purushanahalli, Kesaragere, Malur, Byalahalli, Vaddarahalli, Ambalagere, Gullapura, Yelachagere, and Badrapura villages and provided life skills training, awareness raising about government poverty alleviation schemes, e-banking, environment friendly agricultural practices and career guidance to rural youth;

- Twenty-two health awareness and cleanliness campaigns were organized at seven villages of North Bangalore to help reduce the incidents of dengue, chikungunya and other infectious diseases;
- Essential supplies, generic medicine, reading materials, clothes and groceries were provided to 36 institutions assisting orphans, teens, persons with disabilities, the elderly, and those living with HIV in the community;
- Weekly English and computer literacy programs were conducted at four rural schools; and
- Students organized campaigns at 30 construction sites of North Bangalore to orient more than 300 construction workers on the importance of hygienic practices for their well-being.

The impact study conducted by the institution revealed an increase in enrollment, decline in the school dropout rates and improvement in academic progression among rural children. The awareness and orientation programmes conducted by the institution have shown improvement in youth strengthening family business, seeking gainful employment and taking up entrepreneurial ventures. The families have reported better yield due to the adoption of organic farming and are now able seek remedies from government agencies for any type of agricultural issues.

### **Conscientious effort on the protection of the environment and sustainability**

The institution believes in and promotes sustainable development that fulfills the needs of the present without compromising the ability of future generations to meet their needs. The institution molds environmentally literate, competent and dedicated global ambassadors of sustainability in all aspects of life. The institution offers 32 environment-related courses that nurture individuals who are committed to the conservation of the environment, and it encourages research on environment and sustainability concerns such as deforestation, pollution, diminishing natural resources, catastrophic climate change, species loss, vanishing water bodies, over-population and malnutrition. Twenty-six research articles were published in 2019.

India is a land with great demographic dividend. It is the duty of higher educational institutions to harness the potential of Indian Youth. Kristu Jayanti College, Bengaluru foresees a better tomorrow in collaborating with the United Nations' mission of creating future leaders ready to face the challenges of the contemporary world.

### 3. Initiative of Enlightening the Underprivileged Section

Transforming the Lives: Kristu Jayanti Student's Initiative of Enlightening the Underprivileged Section.

Kristu Jayanti College (Autonomous) (INDIA) a member institution of the United Nations Academic Impact (UNAI) that has been chosen as the SDG Hub for Sustainable Development Goal 1: End poverty in all its forms everywhere has come up with another

venture to enlighten the community through education. Centre for Social Activities of Kristu Jayanti College (Autonomous) has started an evening study centre as part of the new initiative of CSA named Community Education Programme. With the aim to eradicate illiteracy among the migrant floating construction workers in Kothanur and empowering them to secure a better place in society, CSA volunteers after their regular working college hours provide supplementary education to children from grade 1-8 in two clusters.

The volunteers through a survey conducted among the community of migrant floating construction workers have identified the needy children and formed two clusters for providing them basic education. Most of the parents are illiterate and incapable of helping the children in their studies that affect the children's performance in school and let down their self-esteem which eventually leads to discontinuation of studies.

The programme has a framework of three months duration from December 2019- February 2020 with four slots. Each slot 30 trained volunteers are handling classes. They are helping out the children to do their homework, revise the school lesson and in addition to that activities are conducted for the holistic development of children.

The initiative has a great impact which helped to retain the children in school and the dropout rate has considerably reduced. Through this activity, CSA strives to uplift the underprivileged sections of the society by enlightening them through education and promoting self- confidence among the children.

#### **4. State Level Consultation on UN-SDG-1 on Urban Poverty- A Challenge to Building Sustainable and Resilient Cities**

The Department of Social Work of Kristu Jayanti College in collaboration with World Vision India and International Justice Mission organised a State Level Consultation on UN-SDG-1(No Poverty) on 31st October 2018 as part of the celebration of World Cities Day-2018. The consultation discussed the Sustainable Development Goals, laid down by the United Nations to achieve a better and more sustainable future for all. Heads from various schools of social work, Senior faculty members, NGO Directors, Youth representing different communities and students from various colleges were present during the programme.

Mr. Vetri Selvan John K, Program Manager, World Vision India delivered the keynote address. He explicated about SDG-1, the features and significance of the Sustainable Development Goals of the United Nations. Ms Sashmeeta Mulmi, Director, Strategic Management International Justice Mission, briefed about the forces that led to the establishment of the Sustainable Development Goals and the need to address the problem of poverty at the earliest. Dr Jonas Richard A, Head, Department of Social Work elucidated the sustainable development goals of the UN and the significance behind celebrating the World Cities Day. He also highlighted the characteristics of the poor community, poverty cycle and its adverse effects.

Dr Victor Paul, Head, Department of Social Work, Christ University moderated an Open House discussion. The participants discussed pertinent issues like the ignorance of the public about relevant legislation, faulty urban planning, identity crisis, the lack of access to government services and traumatizing the poor. The discussion stressed the importance of the development of rural areas and the significant factors that propels poverty-related

issues like migration, wage differences, lack of education, and lack of employment opportunities and the breakdown of the administrative system.

#### **5. National Seminar on Human Rights and Sustainable Development Goals Agenda: Empowering the Marginalized and Ensuring Inclusiveness**

A National Seminar on Human Rights and Sustainable Development Goals Agenda: Empowering the Marginalized and Ensuring Inclusiveness was organized by the Department of Social Work in collaboration with World Vision India and CARE on 16th December 2019.

The seminar commenced with an invocation by the department choir. Dr. Jonas Richard A, Head, Department of Social Work, welcomed the gathering. Dignitaries officially inaugurated the seminar by lighting the lamp.

Rev. Fr. Dr. Augustine George, Vice Principal, Kristu Jayanti College, in his inaugural address acknowledged the support of World Vision India and CARE. Fr Augustine also pointed out that it is the responsibility of the judiciary, government and the media to ensure the enforcement of human rights and appreciated the department's initiative in organizing the seminar.

Ms. Aiswarya Vimal, Student Representative, introduced the chief guest, Justice CG Hungund, Former Chairperson, Karnataka State, Human Rights Commission. Justice CG Hungund, in his inaugural address elucidated how human rights and associated acts evolved over centuries and attained a global dimension. He pointed out that Human Rights are a widely spoken agenda in most of the recent conferences and conventions thus highlighting the significance of the topic. He briefed the Basic Civic Amenities and Law

and Order classification of human rights violation cases. Justice also narrated human rights violation cases which he came across during his tenure. He highlighted that in this era of industrialization and modernization our society is lacking human culture.

A book on Indian Constitution was presented to the dignitaries. Dr. Rubavel M, Assistant Professor, Department of Social Work, delivered the vote of thanks. The formal session came to a closure with the college anthem

Technical session-I titled Promoting Human Rights and Sustainable Development Goals through Global Governance was handled by Ms. Sagaya Shanthi, Head-Women's Unit, Indian Social Institute(ISI), Bangalore She stated the facts and figures of people who had been forcibly displaced as result of persecution, conflict, violence and human right violations. According to her, one of the reasons for the sustainable development goals and the 2030 Agenda are a transformative development framework based on human rights. She pointed out the differences between sustainable development goals and human rights. She concluded the session by stating that inclusiveness is a vital factor in achieving the sustainable development goals.

Technical session-II on Building Resilience of the Poor through Social Protection was taken over by Mr. R. Manohar, Executive Director, Centre for Amenities, Rehabilitation and Education (CARE). He stressed on the seven things to know about managing climate risk through social protection. The session pointed out the importance of focusing on social protection for climate risk. According to him, climate shocks and natural hazards represent a significant part of the global humanitarian burden and hinder poverty eradication.

Technical session-III on Pathways to create Child Friendly Cities was handled by Mr. Vetriselvan John, Senior Manager, World Vision India). He detailed about the Child Friendly Cities Initiative (CFCI) 1996, strategies to adopt CFC and principles to be followed while building child friendly cities. The session was open for discussion and participants clarified their doubts.

Technical session-IV on Ensuring Accountability on SDG's on Women's Rights by Ms Sinimol P G, Advocate and Legal Consultant SRT Law Associates) focused on the constitutional rights to women and the reason behind the prevalence of violent crimes against women.

The session was winded up with National Anthem. Participants were awarded with the participation certificates. The seminar was well co-ordinated with the efforts of the faculties Dr. Winnie Joyce A., Dr. Rubavel R., Dr. Birudu Raju and Miss. Anurupa under the guidance of department head Dr. Jonas Richard A.

<https://kristujayanti.edu.in/events/events.php?mode=openlink&year=2019&month=december&url=Sustainable-Development-Goals.php>

## 6. National Colloquium on Ending Poverty: A Pathway to Social Justice

A National Colloquium on Ending Poverty: A Pathway to Social Justice was organized and conducted by the Department of Social Work, Kristu Jayanti College, in collaboration with World Vision India on 24th February, 2020. The colloquium commenced by an invocalional hymn by the department choir, followed by, Dr Jonas Richard. A, Head, Department of Social Work welcoming the gathering. Dignitaries officially inaugurated the colloquium by lighting the lamp.

The Presidential address was given by Rev. Fr. Josekutty P D, Principal, Kristu Jayanti College. In his address, he spoke about the need of the hour is to close the inequality gap that exists worldwide but more so in a country like India. He also highlighted the importance to use education as a medium in empowering individuals to alienate poverty. Fr. Josekutty spoke about how essential it is to value human beings and ensure that they lead a dignified life and according to him this can be achieved only when we collectively join together to fight this war against poverty and bring about Social Justice for all.

Ms. Maria Jose, Student Representative, introduced the Chief Guest for the day, Mr Somashekhar A, BA. L, LLB (Member Secretary, District Legal Services Authority, Bengaluru, Urban District).

Mr Somashekhar A, in his inaugural address, spoke about the various articles that exist in the Indian Constitution such as Article, 14, 15 and 16 all of which aims at providing equality, equal opportunities for all through which eradication of poverty is possible. According to him, we already have the tools written within our constitution, our fundamental rights. He also stressed on Article, 14 (Right to Equality), Article 19, (Right to Freedom) and Article 21(Right to Life and Liberty), popularly known as the “golden triangle” of the Indian Constitution. From his professional and legal opinion, if individuals followed these articles, it is possible to alienate poverty to a large extent in the country which would ultimately result in Social Justice for all.

**Technical session 1 - “Rural livelihoods: A key to Social Justice”**

This session was handled by Ms Uma Mahadevan, IAS (Principal Secretary, Panchayat Raj, Govt. of Karnataka). She spoke about how poverty is a multifaceted, intersectional issue that is not confined to the cliched norms that usually exist. Ms Uma also addressed the issue of protein hunger and how it is an embodiment of poverty. She mainly focused on the poverty-stricken lives of rural women, especially women who are pregnant and disabled. Her motto for the conference was to “Think globally, but act locally”. According to her, policy interventions should meet the needs of not just one category but should be inclusive in nature and should help everyone. Social justice is setting right the deprivations. She also spoke about a lifestyle that is less about consuming and more about reusing, a lifestyle that is more sustainable and responsible in nature.

**Technical session 2 - “Child Labour: Is it a right or a developmental issue?”**

This session was addressed by, Mr Lukose Vallatharai, IAS (Former Revenue Secretary). According to him, all children out of school are potential child labourers. He laid stress on how child labour creates a vicious cycle of low education, skill sets, a state of social seclusion, inequality and ultimately poverty and want. He also spoke about how India as a country is a generation producing half educated children, pre designed to serve higher class with cheap labour. Mr Lukose addressed as to how the poor are subsidising the rich through inadequate wages. He also spoke about various schemes and policies by the Government of India that ensures Social Justice. The session came to an end with a question and answer round.

**Technical session 3- “Poverty: A Human Rights violation”.**

This session was conducted by Ms Meera Sakseena IAS, ( Former Chairperson, Karnataka State Human Rights Commission). Her deliberation was on, “Poverty: A Human Rights violation”. Ms Meera spoke about the link that is evident and present between poverty and Human Rights. According to her, everybody is equal before the law. Nobody should penalise individuals based upon the sexual orientation, but rather make it a more inclusive and secure society. The importance of voicing out against atrocities were discussed in detail. True cases, stories were also shared with the audience. She also spoke about how the poor are the worst affected and take the brunt of all human rights violations that take place. The rich will get bailed out, etc, but the poor are made scapegoats. Ms Meera spoke in detail about the legal aid provisions that are available for the poor. The session came to a close with a detailed discussion with the audience.

**Technical session 4- “Labour Rights Violations: A civilized society’s response”**

This was taken over by Dr Manjunath G, KLS, PhD, (Additional Labour Commissioner, Director of Karnataka State Labour Institute, Government of Karnataka). He spoke about how labour rights should be considered as basic human rights. The minimum wages and the number of hours put in to work everyday was explained in detail. The various labour laws and especially labour laws in the field of HR was also discussed. The importance of labour codes was also touched upon. The session concluded with a question and answer round.

Next, on the agenda was the Survivor’s Panel, wherein, Mr Rajendra Prabhakar, (Founding member, Eco Society India) moderated the Panel discussion. Individuals from poverty-stricken backgrounds, bonded labourers, house maids, construction workers, activists, shared their personal struggles and experiences in being under privileged and how Organizations such as World Vision have help them come up in life.

The National Colloquium came to an end with the National Anthem. This colloquium helped the participants in gaining expert opinion and guidance how to end poverty with the help of strategic goals. Participants that were present from various colleges were awarded with certificates. The Colloquium was well co-ordinated by the efforts of the Co convenors Dr. Winnie Joyce. A & Dr. Rubavel M, and the faculty members Dr. Birudu Raju & Ms. Anurupa.

#### **7. Social Innovation Lecture on UN-SDG 1(No Poverty) &Economic Rights**

The Department of Social Work organised a Social innovation lecture on Economic Rights and SDG-1 (No Poverty) for the 4th semester students on 13th of December, 2018. Mr. R. Manohar, Executive Director-CARE was the resource person. The session began with a prayer song and followed by welcome by Dr. Emmanuel Daniel, Assistant Professor, Department of Social Work. Mr. Ajith C Thomas, a student representative introduced the speaker to the participants. The session was then handed over to Mr. Manohar who began the lecture by introducing the students to the concept of sustainable Development Goals and its necessity. He said the motivation behind the introduction of the sustainable development goals was to improve the living condition of people all over the world. His next focus was on the issue of economic rights and its relationship with the first SDG. He stated that the attainment of SDG 1 or no poverty would automatically ensure that the people achieved their economic rights such as the right to work and right to a decent livelihood. He said that one of the main targets of the first sustainable development goal was to reduce at least by half, the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions by the year. He said that there was an inter-relationship between the sustainable development goals and the international covenant on economic, social, and cultural rights. Both of these were aimed at ensuring that people's economic rights were not violated. He concluded the lecture by stating the importance awareness on the first sustainable development goal, that is-no poverty and the strategies to achieve that goal. With that, the lecture came to an end. The vote of thanks was proposed by Ms. Deepika Annama Thomas, a student representative and a memento to appreciate the contribution made by the resource person was presented

to him by Dr. S. Rama Gokula Krishnan, Assistant Professor, Department of Social Work, Kristu Jayanti College. Overall, it was a very fruitful learning experience for the participants.
