National Conference

on

**Intelligence – in Animals, Humans, and Machines**

March 30 & 31, 2023

## ABOUT THE COLLEGE

Founded in 1999, is managed by "Bodhi Niketan Trust", and formed by the members of St. Joseph Province of the Carmelites of Mary Immaculate (CMI). The College is affiliated with Bengaluru North University and is reaccredited with a grade of 'A++' in December 2021 by NAAC in the third cycle of accreditation. The College is recognized by UGC under the categories 2(f) & 12B. The College has been accorded Autonomous Status since 2013 by the University Grants Commission, Government of Karnataka & Bangalore University.

The college caters to 10,000+ students and offers 33 UG, 16 PG, 4 Research Programmes & 3 PG Diploma Programmes. With the implementation of NEP 2020, the institution is catering to 24 new honours and dual major UG programmes. The college has made systematic implementation of Outcome Based Education from 2018 in curriculum design, teaching-learning and evaluation.

The institution strives to fulfil its mission to provide educational opportunities to all aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility, inculcating environmental concern and building global competencies in a dynamic environment. Kristu Jayanti College has been ranked among the top 150 Colleges in the country by the National Institutional Ranking Framework (NIRF), Ministry of Education, and Government of India in 2022.

## ABOUT THE CONFERENCE

Intelligence is most often studied in humans but has also been pragmatic in non-human animals and plants despite debate as to whether some of these forms of life display intelligence. Also to explore Intelligence in computers or other machines and its pertinent values. The changes in the approach to learning also have led to frequent challenges and opportunities for the student community in their intellectual capacity. Addressing these concerns, Keeping this in mind, we have taken the theme '**Intelligence – In Animals, Humans and Machines**' to bring in a synergy of thoughts and ideas, and encourage creative and intellectual conversations to kindle genuine and practical solutions through keynote sessions and panel discussions by experts in the respective fields from across the globe. It is our privilege to invite you to contribute and participate in this cognitive discourse and to be a trailblazer to remould and transform society on March 30 and 31, 2023.

## ABOUT NIAS

National Institute of Advanced Studies (NIAS) was conceived and founded in 1988 by the late Mr. J. R. D. Tata, who sought to create an institution to conduct advanced multidisciplinary research. Housed in a picturesque green campus in Bangalore the Institute serves as a forum to bring together individuals from diverse intellectual backgrounds. They include industry and government administrators, managers, public affairs leaders, eminent individuals from different walks of life, and academicians in the natural and life sciences, humanities, and social sciences.

The Institute is unique in its integrated approach to the study of intersections between science, philosophy, social issues and leadership. The objective is to nurture scholars, managers and leaders who would respond to the complex challenges that face contemporary India and global society. NIAS has an active programme of public lectures, regional, national and international conferences, symposia and seminars organized independently or jointly with other institutions that focus on topical areas of research and public concern.

## DEPARTMENT OF PSYCHOLOGY, KRISTU JAYANTI COLLEGE (AUTONOMOUS)

The Department of Psychology underpins the pursuit of excellence by adopting a rigorous scientific approach to theory, research and practice. The Department prepares students for their careers by imparting in-depth knowledge, critical thinking, research inquiry, and skills in publication and orients towards various fields of psychology and develops sensitivity to psychological dynamics for better individual and societal well-being.

The Department of Psychology offers 4 Undergraduate Programmes and 3 Post Graduate Programmes in M.Sc. in Psychology, Counselling Psychology and Clinical Psychology. To inculcate experiential learning, the department has a well-equipped Psychology Lab which is periodically modernized and has strong tie-ups with Hospitals, NGO and Industries for Internships.
